A SAVIOUR IS BORN

When we are asked to speak or write about a Saviour having been born for the salvation of the Blackman and Blackwoman in the Hells of North America, it is impossible to relay this information without repeating the words of The Honorable Elijah Muhammad, The Messenger of Allah. So, here too, do we use the words of The Messenger to relay some of what he teaches us on this subject.

First, The Messenger

teaches us the time that we are living in and how to recognize the signs of the time in Bible, Holy Qu'ran and the day in which we are living at present. Secondly, he teaches that God is not a spirit but is in fact a man, a human being. When we examine what he teaches in reference to the reality of God, who we now know by His proper name, Allah, we can not deny the truth of his teaching on this

matter. Third, he gives us the history of the birth of this one which was prophesied to come referred to as The Son of Man, The Messiah and The Mahdi in this day and leaves no question to the accuracy of the one who came to the Hells of North (Con't on page 2)

The Black Woman By Bro. Hakeem A. Muhammad

The woman is the man's field to produce his nation. If he does not keep the enemy out of his field, he won't produce a good nation. If we love our vegetable crops we will go out and turn up the leaves on that vegeta-

ble stalk and look for worms that are eating and destroying the vegetables. We will kill that worm-right? We will even kill one another if we find the other one out there trying to steal that crop.

Is not our women more valuable than that crop. Yet we are not careful about our women. We don't love them. Why? It is because we have allowed visitors to run in and out of our houses, thus (con't on page. 3)

A SAVIOUR IS BORN *con't from page 1*

America to locate and redeem the lost sheep in the House of Israel in the last days before the final judgment of this world that we have been lost in but, by nature is not a part. Forth, having given us a knowledge of the reality of God, he then teaches us a knowledge of self that restores our internal spirit. He re-ignites our thoughts of self worth. To know that we are the Original People of the planet, backed with science and mathematics, lifts our spirits to a level of pride that has been lost for a long time. Fifth, he teaches the true identity of our open enemy who is

none other than the so-called White Man who striped us of the knowledge of self and made us a deaf, dumb and blind people who have been made other than self.

If any people ever needed a Saviour to come in this day of judgment and on time to liberate a people from this beast-master, it is we, the so-called Negro who has surely been a lost, displaced, discarded, misused and abused people even to this very day. We Need A Saviour. No other people in the history of time have had to endure more than we the lost, now found members of the original family of the Earth, The

Black Man. We give thanks to Almighty God, Allah in The Person of Master Fard Muhammad who has come fulfilling scripture and raising a Divine Leader, Teacher and Guide in the person of The Honorable Elijah Muhammad. For His coming, we are forever grateful. For those who are followers of His Messenger, we can never thank Him enough and for those who have not yet become a follower, Fly to Allah, quickly. This is our day. Our Saviour Has Arrived.

How To Eat To Live

Bro. John X

Is not food supposed to help us go on living? Why, then, is there so much food, not just in abundance, but in so many different forms? The Honorable Elijah Muhammad clearly states that "Long life is not enjoyed by eating food which will shorten and destroy life." Where is the regularity in all of this? Every ailment can be controlled and even cured with proper eating habits, but it has to be proper. Who, other than

Messenger Muhammad teaches us that, "to get good results from eating the proper foods, we must have good thoughts"? Pick up and read

*Every ailment can be controlled
and even cured with proper eating*

volumes I and II of the Messenger's great books, How To Eat To Live. Do you have any ideal of what it is

like to be punished under God's law for eating swine (hog, pork, etc.)? Well, keep eating it and you will see. Remember, our Leader, Teacher and Divine Guide says, "Eat to live and not to die". More next time.

(From How To Eat To Live vol. 2)

THE PRINCIPLES OF ISLAM *By Sis. Brenda Muhammad*

The religion of Islam teaches us that Allah is One God, and the Holy Qu'ran teaches that what you worship besides Allah is the firewood of hell.

The Principles of Islam:

1. To believe in Allah and His Apostle Elijah Muhammad.
2. To believe in the Divine Reve-

lation and The Hereafter.

3. To believe in giving to the poor rate or charity.
4. To believe in praying at least five times a day.
5. To believe in fasting, especially in the Holy Month of Ramadan.

The main principle of action in Islam means speaking the truth re-

gardless of to whom or what, being clean internally, loving your brother believers as yourself, doing good to all, killing no one whom Allah has not ordered to be killed, setting at liberty the captured believer, worshipping no God but Allah, and fearing no one but Allah. These are the teachings of the Prophets.

(Excerpt from MTBM pg. 82)

An Economic Blueprint *con't from last issue* By *Sis. Evvy Islam*

One way of doing this is by practicing always one of our Principles, which is paying of the Poor-rate or giving charity to the truth which is (Islam) our Religion, and to our fellowman. This requires action and deeds, not words and lip service.

We must acquire our own building for our place of worship and to keep it is: (1). by practicing the above Principle of Islam and (2). following the instructions listed below from Allah and His Messenger.

The following blueprint shows the way.

1. Recognize the necessity for unity group operation (activities).
2. Pool your resources, physically as well as financially.
3. Stop wanton criticisms of everything

that is black owned and black-operated.

4. Keep in mind jealousy destroys from within.
5. Observe the operations of the white man. He is successful. He makes no excuse for his failures. He works hard in a collective manner. You do the same.

If there are six or eight Muslims with knowledge and experience of the grocery business-pool your knowledge, open a grocery store-and you work collectively and harmoniously, Allah will bless you with success.

If there are those with knowledge of dress-making, merchandising, trades, maintenance-pool such knowledge. Do not be

ashamed to seek guidance, and instructions from the brother of sister who has more experience, education and training than you have had. Accept his or her assistance. The white man spends his money with his own kind, which is natural. You, too, must do this. Help to make jobs for your own kind. Take a lesson from the Chinese and Japanese and go give employment and assistance to your own kind when they are in need. This is the first law of nature. Defend and support your own kind. True Muslims do this.

This subject will be continued in the Name of Allah, Master Fard Muhammad and His Last and Greatest Messenger, The Honorable Elijah Muhammad. As-Salaam-Alaikum. (MTBM pg 173-174)

THE SIGNIFICANCE OF PRAYER *By Bro. Kamau K. Islam*

Messenger Elijah Muhammad teaches us that prayer is our communication with Allah (God). Thus, as we pray daily, we must not only know what to say, when to say it, how to say it, but also to Whom we must say our prayers.

The religion of Islam has an *organized prayer service*, which includes *basic preparations times, positions and prescribed prayers*. In this day and time Allah (God) guides us in all of this through His Last and Greatest Messenger, the Most Honorable Elijah Muhammad.

We must gain an understanding of the Person or Reality of Allah (God) to

Islam has an organized prayer service

truly represent that One that we refer to as the Supreme Being. In the Bible, the Book of Habakkuk 3:3 – God (the Holy One) is seen coming from Mt.

Paran, an area right here on earth.

In a great book written by Messenger Elijah Muhammad titled "The Message To The Blackman In America", the subject is entertained - "The Origin of God As A Spirit And Not A Man". On page 9 in the 4th paragraph he states: "*The belief in a God other than man (a spirit) Allah has taught me goes back into the millions of years—long before Yakub (the father of devils) - because the knowledge of God was kept as a secret from the public...*"

THE BLACK WOMAN *con't from page 1*

they have destroyed our love for our women and our women have not the love for we, the black man, that she should. Until we learn to love and protect our women, we will never be a fit and recognized people on the earth. No man, Brown, Red, Yellow or White will recognize us until we protect our women. We will never be recognized until we recognize the im-

portance of our women. She too, must have a knowledge of herself and of her importance. She is the garden that bears the fruit of our future, our Black Nation. She is our first nurse. She is our first teacher. Our first lesson comes from our mothers. If we don't protect our mothers, how do you think we look in the eyes of other fellow human beings?

Love, Protect and Elevate your Black Woman. The teachings of The Messenger are a blessing from Allah.

As-Salaam-Alaikum.

The Significance of Saviour's Day by Bro. Kamau Islam

In the Name of Allah, Master Fard Muhammad, and His Messenger, The Honorable Elijah Muhammad.

Again we gather on February 26, the birthday of our Saviour, Master Fard Muhammad. To thank Him for coming to North America and finding one from amongst us who was worthy of delivering the message of salvation to the rest of us.

This is in fulfillment of scripture in the Bible that is found in Habakkuk

Chapter 3, verse 3 and 13.

Habakkuk, 3:3. *"God came from Teman, and the Holy One from Mount Paran. Selah. His glory covered the heavens, and the earth was full of His praise".*

Habakkuk, 3:13. *"Thou wentest forth for the salvation of Thy people, even for salvation with Thine anointed: Thou*

Islam Will Unite Black by Bro. Hakeem A. Muhammad

In the Name of Allah, Master Fard Muhammad and in the Name of His Last Messenger, The Honorable Elijah Muhammad do I greet you, As-Salaam-Alaikum.

It is truly a blessing to be living in this day and

time. Many of us are unaware of the time, yet as we are exposed to the time we can be assured that our lives are changing for the better. The Messenger informs us that Allah has come to unite us,

but our unity can only come on our acceptance of Islam as our religion. This may be confusing to some because they think they have their true religion already and question the need to (con't pg3)

What, Is In A Name? *From the Teachings of The Messenger*

A good name is better than gold. The Messenger teaches us that we should and must get out of the devil's names. As we study the depth of what he says, we cannot stop with the thought that he is implying that we should just change our surnames to muslim names, those that are attributes of Allah, but we must understand that we must also get out of the devil's names in the way of the label that the names implies. The name is a label that gives a description of that which it is attached too. We must come to the knowledge of truth under the leadership of Allah and His Messenger.

What is the representation of and in a name, particular a name that is attached to the Blackman in America? Our history here in America has taught us two things

in reference to our names: #1. The knowledge of our original names have long been lost to us. #2. The names that we now carry and wear are the names of the slave-masters that owned our fore-parents. We still wear them and think of them as our own. We are so-called freed slaves and are supposed citizens with the freedom to give up and change these slaves-master's names, yet we cling to his names as if we would become none existent without them. As the Messenger teaches, the name is a label that describes the content of the package, whether animate or inanimate. When we examine the content of the Blackman's wearing of the slave-master's name (label) it describes who we are. It shows that we are still in the mindset of a dependent people (slave) who are

subject to our masters and who take little or no responsibility for ourselves or our well being. We are not of the mindset to establish anything for ourselves or get authority for ourselves. The master's name implies that we are still the master's property and are waiting for the slave master to approve our actions. We have long been without our own and the time has arrived that we must get back to self or we too will be cast in the Lake of fire with the slave master, his religion (Christianity), and the false prophets who go down with his name. (Rev. 20:10). *"A good name is better than gold"*. You can't see the Hereafter with the whiteman's name. Come to Allah, His Messenger and get you a good name.

What Islam Has Done for Me *by Sister Evvy Islam*

In the Name of Allah and His Messenger, As-Salaam-Alaikum. Islam teaches us to be Good Muslims, for by nature the Blackman and Woman are righteous people. Islam is the True religion of God and teaches us a reality of God and the true meaning of Brotherhood

Islam has taught me life for the first time and the right spiritual food that is cleaning me up by

means of what to think, what to eat and what to drink, so that I may live right, feel right and look right. Islam teaches us to be Good Muslims, for by nature the Blackman and Woman are righteous people. Islam is the True religion of God and teaches us a reality of God and the true meaning of Brotherhood

and Sisterhood, Trust and Obedience!!!

I am grateful to Allah Who Came in the Person of Master Fard Muhammad, to Whom Praise is due forever for raising in our mist The Divine Leader, Teacher and Guide, The Most Honorable Elijah Muhammad!!! As-Salaam-Alaikum

Overindulgence, The Enemy *by Bro. John X*

In the Name of Allah and His Messenger, I greet you, As-Salaam-Alaikum.

Call it what you will or may—"throwin' down", "piggin' out", "stuffin' it", "packin' it", "greasin' hard", "sloppin' it", "hoggin' back". Plain and simple, it's simply overeating. For over forty years, the Honorable Elijah Muhammad has been warning us (Black People) about our gross misuse and abuse of that one-of-these-days-you're goin'-to-miss-me organ called stomach. Protection of this vital and delicate sack or pouch is primary. If not, it should be. Once it wears out, That's all folks! Ever heard of a stomach transplant? I didn't think so, The Messenger has this to say; "Eating three or four times a day is

to your stomach as dripping water is to a stone or iron. The dripping water will eventually wear the stone and iron away. But, just look at the water, it does not appear powerful enough in its dripping to wear the stone and iron away. It is the same with food: we continuously put it into our stomach to be digested and eventually it will destroy the stomach. If we let our stomachs rest a while and gain strength, they will last longer in doing a job of digesting food for us." Did that jar your brains any? Oh, no? Once more.

Long life is not enjoyed by eating food (eating habits, too) which will shorten and destroy life. Long life? In this life? You're kidding, of course. Well, white folks have never taught us (Black people)

how to eat to live. Never have, never will. They are here to cut short our (Black people) lives. Ever heard them say, "the only good nigger is a dead nigger?" A kinder, gentler way of softening that is, "The way to a man's heart is through his stomach." Kill the stomach, you kill the man. Do da' math! The Honorable Elijah Muhammad was chosen for us, the Original People (lost-found) by God in Person, Master Fard Muhammad, to be heard, heeded, honored and obeyed, and He alone was taught and given the keys to our salvation. It is through our dietary habits, when regulated, can we be raised to a higher spiritual and physical condition.

As-Salaam-Alaikum

The Knowledge of Time *by Sister Brenda Muhammad*

In the Name of Allah, Master Fard Muhammad and in the Name of His Last Messenger, As-Salaam-Alaikum.

The whole Western Hemisphere belongs to the darker people, and Europe was given to the white people. The knowledge that Allah has given us is the knowledge of our own. This black people of America, who have been swallowed symbolically by the white slave master and his children, must now be brought out of this race of people and be taught the knowledge of their own. America has been number one on the list of God for total destruction for a long time. We all have been trained into this wicked civilization. Now we must be trained into the knowledge of the righteous one. It is an act of intelligence and love for us to accept our own, our own people, our own

Earth, God and His religion, Islam (the religion of peace) and our own place in the Sun. We cannot hope for justice from the devils when by nature there is none in them. All the day long the Blackman is mistreated. The American white people delight in mistreating us, their former slaves. They hate us if we try being good; they have turned upon us, who have turned to Allah and have accepted his true religion, Islam. They hate unity among the Blackman in America.

If only the American so-called Negroes had knowledge of the time in which we now live, they would accept Islam at once; for it is just the acceptance of Islam which will bring the so-called Ne-

groes the things they desire; good homes, money and friendships in all walks of life. This is the time that they should enjoy such heaven - the Time of God.

The Blackman is chosen by God to be His people, not the Jews or the White Christians. It is the Blackman who is deaf, dumb and blind to the knowledge of the time of their salvation, the judgment and the death of their enemy. The truth of the devil is now told and taught throughout the world. The Day of Visitation has come.

Accept your own, that which you have been dead to the knowledge of and return to your own kind.

Islam is the Great Wisdom that Allah (God) promised us. Islam always was. It is our religion.

As-Salaam-Alaikum.

discovering the foundation unto the neck. Selah".

The purpose of Saviour's Day is to commemorate the message and program of salvation for Black people in America who are descendants of chattel slaves and now caught up in the bowels of white civilization.

Allah came and raised up

Messenger Elijah Muhammad so that we might be restored back to our original selves, returned to our religion-Islam, our rightful names, and eventually to a land and home that we

can call our own.

As we celebrate once again this glorious occasion we invite all members of the aforementioned family to join us as we move forward in this *eternal salvation*.

As-Salaam-Alaikum.

This is in fulfillment of scripture

Islam Will Unite Black *con't from page 1*

make a change. The Divine Wisdom of Allah is what puts us on the path to the knowledge that sets us apart from the rest of the world. Islam makes us successful in the knowledge of self and doing for self.. This can only come about with the unity of self. We are taught that no matter how great our number, we can never unite with-

out our own true religion, which is Islam as taught by His Messenger. As mortar and cements ties brick and stone together, so it is with the Black Brother and the Black Brother to become one, cemented with Allah and His Messenger The Honorable Elijah Muhammad, one in the power of good and Unity. Islam is only entire submission to

the Will of Allah. There are other precepts of Islam that have been made into volumes of books, but the main principle of Islam is for you and me to bow to His will and to do His will. He have bowed to the enemy's will, now let us bow to Allah's will. As-Salaam-Alaikum.

First, Love Yourself

From The Teachings Of Messenger Muhammad

In the Name of Allah, Master Fard Muhammad and His Messenger, The Honorable Elijah Muhammad, As-Salaam-Alaikum.

How different it is to have a topic in a religious teaching that states, "First, Love Yourself." Traditionally we have been taught to love everybody, why now this change? Messenger Muhammad teaches us from Almighty God, Allah that we are now living in the day of resurrection and that we must now be

awaken from the mentally dead (sleep) state that we the lost-found have been in for the past four hundred years. This is the day that the fulfillment of scripture takes place. It is the time that the Bible is made clear with proper interpretation coming from the one that Jesus, two thousand years ago, spoke of as "The Comforter" who was to come bringing the truth of all things. Brothers and Sisters, this is the day. His coming ends the world of Satan (the Whiteman) and

The Honorable Elijah Muhammad
Messenger of Allah

institutes the day of the Blackman's return to the knowledge of self. This knowledge of self has been long lost to us. This is why the change is occurring. When one is brought into the knowledge of (con't pg 3)

How Can We Unite

From The Message To The Blackman

The unity of 30 to 40 million black men and women up from slavery is the answer to our salvation. We are suffering untold torture mentally, physically and spiritually at the hands of our open enemies because of our lack of unity. The cause is due to the work

and teachings of our enemy, the slave-masters and his children. They have reared our fathers and mothers to be enemies to each other. They have destroyed our love of self and kind. They have educated us to hate and refuse all that goes for black peo-

ple. *How can we unite?* The love and unity of self and kind along with the will to do something for self is the key to our salvation. The knowledge of self, a true knowledge Allah, God and the knowledge of our open enemy is the key to our unity.

Submit To Allah And Fear Not *Bro. Hakeem A. Muhammad*

In the Name of Allah who came in the Person of Master Fard Muhammad and His Last Messenger The Honorable Elijah Muhammad, As-Salaam-Alaikum.

This subject's title may cause some to stop with the title. It may cause some to consider the depth of the title with respect to its validity. It may cause others to wonder if the title has any validity at all or could this be just another attempt to convert one from that which they believe and claim as a good religious choice. After all, whatever we claim, we stand by even if it is not our natural religion. Let's briefly examine this subject. To submit to the

acclaimed God of ones choice, we should have a good knowledge of that God and the rules, laws, standards and requirements of that God and that religion. The most important questions are, "Is it a religion that is in accordance with my own nature?" "Does it provide me with true peace of mind after accepting it and its teachings?" "Who provides me with the knowledge of this religion and why should I accept it?" Most importantly, "Is the God being represented one of substance or imagination?" In other words, "Is there a provable means to establish the legitimacy of the teaching of the God being represented by

those who advocate that teaching?"

Submission means to give oneself over to something. We who are followers of Messenger Elijah Muhammad have submitted to the religion of Islam, and in it we have no fear. Both the Bible and Qur'an have references to submission and the lost of fear. But this can only happen for you if the religion you choose is in accordance with your nature. We invite our brothers and sisters to return to our own religion, Islam, you will love it and fear not. Give back to the slave master his religion, Christianity. Islam is ours.

As-Salaam-Alaikum.

What Islam Has Done for Me *by Bro. Dwayne X*

In the Name of Allah, Master Fard Muhammad and His Messenger, The Honorable Elijah Muhammad, I would like express what Islam has done for me.

As a student of Islam as taught by the Messenger, he has given me the true knowledge of the Original

Man and his arch enemy The Devil (Whiteman) who has enslaved us mentally, physically and spiritually. His teachings on how to eat to live is also a benefit. He teaches that certain foods are toxic to the body such as swine and scavengers and we should not eat them. He teaches that fasting rids the body of poisons and keep the mind sharp. As a pupil of the Messenger's

teachings we learn the importance of being independent and taking care of our responsibilities. Islam has taught me that it is the man's duty to protect and support his family. Under the guidance of the Honorable Elijah Muhammad I will continue to gain knowledge that will further me in my Islamic way of life.

As-Salaam-Alaikum.

The Politics (Poly-Tricks) of Eating (Nutrition) *by Br. John X*

In the Name Allah and His Messenger, The Honorable Elijah Muhammad, As-Salaam-Alaikum.

When the masses of Black people continue to ignore groups such as the AMA or FDA who monopolize the health care industry, we will always have a medical system like the one in existence today. But the problem is not just the Government and medicine, but our continued insistence upon being blind, deaf and dumb-and believing in or trusting our avowed, sworn enemy.

We, who follow The Messenger may know him as the devil. Those who follow not The Messenger may know this enemy as white folks. Get my "drift"? Didn't our ancestors have normal and healthy babies - too numerous to count- without ever visiting a doctor? Nowadays, if there's the slightest weight increase of the mother, scare tactics take over and the mother worries. What follows? Induced birth, caesarian

birth, etc., etc., etc.

People are going hungry in America - not just for food, but for plain truth (facts). People are not living longer, they're getting sicker. For over 40+ years, the Honorable Elijah Muhammad has been teaching our people to free our minds from America's overriding conditions that have been printed into our brains like circuit boards. Believe it or not, many of our people do try to feed their children health food. (con't pg 3)

In the Name of Allah, Master Fard Muhammad and His Messenger, The Honorable Elijah Muhammad.

Knowledge is defined as "understanding gained by actual experience" and "a clear perception of truth." When it comes to prayer someone must give us this knowledge and it must come from a reliable person who gets this important information from The reliable source. Information passed along in this manner also

enables one to gain a *clear perception of truth*.

When it comes to matters of

prayer and other religious guidance, Almighty God Allah always raises a messenger or Prophet

from amongst a people so that they may be guided aright.

In this day and time our Divine Leader, Teacher and Guide is the Most Honorable Elijah Muhammad, the Messenger of Allah (God). He teaches us from Allah (God), how to pray, what to say as we pray, when to pray, how to prepare for prayer, and what direction to face as we pray, and most important to Whom we must pray. All of this goes under the subject: **The Knowledge of Prayer.**

As-Salaam-Alaikum

The Politics of Eating

con't from page 2

However, if the divine laws of eating, and they do exist, are broken, there is a penalty that will be paid. Obviously, because of our people ignoring these divine laws, they, sadly, have continued to perish in unnecessary numbers. Hippocrates once said, "Let thy food be thy medicine and thy medicine be thy food".

Doctors, even Black ones, have this bad habit of telling us that cer-

tain conditions of ours are hereditary and therefore we cannot control the outcome. The results - an unhealthy irresponsibility. Yes, we truly are what we eat. If what mother's, mother's mother ate was virtually the same diet then certainly the results will be the same. The masses of our people in America do not have a dietary principle that relates to their ancestry or even their blood type. An ancestral diet

proves to be a more wholesome diet because it meets the basic needs of a certain group of people. Unfortunately, our children are being fed commercial foods that fatten them up for a miserable and extremely unhealthy life. For too long we've been eating to the beat of an alien drummer. The Messenger sums it up in this manner: "The solution to our problem is a Divine one".

As-Salaam-Alaikum.

self then that light of knowledge and wisdom can not be extinguished without the permission of the now enlightened one. The knowledge of self and kind as taught by Allah's Messenger justifies our new thoughts of self worth and position. We can not be put back to sleep. This is our time. To love

Knowledge and wisdom cannot be extinguished...

self first is not an act of selfishness, nor is it being vain, it is an act of self appreciation. It is a reason to hold our heads up high and walk with dignity. The more we learn of that which is ours, our God in reality, our open enemy who has been

previously unknown to us, our own way of life, the greater our love for self and kind becomes. This day brings all that we have long prayed for. And this day, we can accept this knowledge that satisfies our spirit which is our true nature which is peace (Islam). This day we can say and truly mean, "First, Love Self."

The Hidden Truth

In the Name of Allah, Master Fard Muhammad and His Messenger, Elijah Muhammad, As-Salaam-Alaikum.

The Messenger teaches us to speak the truth regardless of the circumstances. He teaches us that hiding the truth is a very serious thing to do. It causes harm and disappointment and causes one to be misled. It causes loss of property and life. It causes the loss of friendship, loved ones,

and loss of confidence and trust. In court, it causes heavy penalties and someone's being sent to prison or to death for that which they are innocent. The greatest and gravest of all is the slave masters' hiding of the truth that will exalt and save his slave. The white people know of and see salvation of their slaves is now present. He is doing everything that he can to deceive the Blackman into thinking that what he offers is the best possible future. The false

How Can We Unite (Part 2) Message To The Blackman

The lack of love for self and kind keeps us divided, and being divided we are a nation of prey at the hands of our ever open enemies. Whatever the amount of education we receive from our enemies due to this lack of knowledge of self, God and the devil; the true religion: self-pride: self-interest: and self-

independence and the desire of a country and of a government of our own under the law of justice and righteousness for every one of our poor black people throughout the earth. How can we unite? It is a shame and disgrace to the intelligence of any people to lie at the feet and doorsteps of another nation, asking, praying to be cared for.

Love for self and kind is the key to our unity and Islam is the House of our salvation. There is no hope for us in Christianity: It is a religion organized by the enemies (the white race) of the Black Nation to enslave us to the white race's rule. But under the crescent with our Allah's guidance we can get us any thing we desire. If you say we cannot unite, you are wrong. **We can unit!**

Confidence Gained Through Prayer *by Bro. Kamau Islam*

In the Name of Allah, Who came in the Person of Master Fard Muhammad and in the Name of His Last and Greatest Messenger, the Most Honorable Elijah Muhammad.

Confidence is defined as *trust, reliance and self-assurance*.

In a world where many people have lost trust in government, religion and other basic operations of life in general, it is refreshing to know that Allah (God), through His Messenger, the Most Honor-

able Elijah Muhammad, gives us a prayer service that can restore our faith in Him and His wonderful Universe.

His Messenger Muhammad teaches us that the *prescribed* Muslim

This science helps us

prayers, when studied and recited by servants of Allah-Messenger, Prophets, Apostles and their followers-greatly manifest the complete confidence that they have in Him (God).

Pre-scribed prayers are pleasing to Allah God, because He has

given this communication to His Messengers and Prophets to pass along to the people throughout the ages. These prayers fit in or are a part of a time-ordinance. Billions of servants have obligations to perform these prayers at least five times daily.

Messenger Muhammad teaches us the *reality* of Allah; He places great emphasis on understanding the *Person* of Allah. This great science helps us to better understand how Allah is *One* and has no associates. He has power over all things. As-Salaam-Alaikum.

What Islam Has Done For Me

by Bro. John X

In The Name of Allah, Master Fard Muhammad and His Last Messenger, The Honorable Elijah Muhammad.

To summarize what Islam has done for me is an undertaking well worth the effort. It's infinite wisdom is invaluable anytime, anyplace and most definitely-anywhere. With the so-called education I received for a supposedly lifetime investment (time and money) in no way

comes close to "The Teachings". I can go anywhere and hold "my own" in any environment. Terms such as "confidence builder" and "confidence booster" immediately come to mind. Islam, under the Messenger's guidelines, has set me on a course in life to prepare for any obstacles that may be in or along my way. The confusing maze of church jargon in the past has now become simply a "piece of cake". When performance counts. Islam is always at my fingertips. Even when others takes them for granted, food, clothing and

shelter have more meaning. Clear guidance is ever-present, giving me more sight as well as insight. Universal truth has given me an universal passport by providing me with an entrance and exit into this world's destiny. First and foremost, I can never be caught unprepared in the knowledge of self because my five senses have aligned themselves with who I am and my destiny in this world's eventual ending. All praise is due to Allah.

Meat Is Against Life (From How To Eat To Live) *by Bro. John X*

In the Name of Allah, Master Fard Muhammad and His Last Messenger, The Honorable Elijah Muhammad.

"To eat meat is against our life and shorten the span of our life" teaches Messenger Muhammad. America is

the land of meat, meat and more meat. Physiologically, meat gives the human organism an immediate burst of energy and strength. We have reason to believe that God made the pig for a purpose other

than for eating. Make no mistake about it, the Creator declared the "other white meat" that is so loved by the masses as unclean for food

for logical reasons (read Leviticus Chapter 11 and Holy Qur'an,

Chapter 5). It has been scientifically proven that pork consumption proliferates arthritis, heart disease, diabetes and other life taxing illnesses. Nevertheless-take heart and take heed. The real gospel

(good news) is, teaches the Honorable Elijah Muhammad, "before the making of the Whiteman, the Blackman did not eat meat, animal flesh. After the removal of the Whiteman, there will be no more eating of this type of meat (animal flesh or even fowl). There will be a complete stoppage and practice of the eating land flesh regardless to whether it is animal, beast of fowl. The people will live a thousand years without eating meat". As-Salaam-Alaikum.

Why The Black Man Should Be Called By The Names of God

From The Teaching of The Messenger

In the Name of Allah, Who came in The Person of Master Fard Muhammad to Whom all praises are forever due. As-Salaam-Alaikum.

Since we have no names of our own, why should not we want a name that links us to God, Himself. Of all the available names one could be called, only those of God represent the best qualities and attributes and these names best fit our nature as well. Having a name that's natural to us also promotes temperance and humility. They permit us to act in accordance with the meaning of such names. For example, the name "Muhammad"

means, "worthy of praise"-this accentuates our actions, "Rashid" means "rightly guided", relating to that which is followed. There are 99 different

**Muhammad means
worthy of praise**

attributes of Allah - so teaches the Honorable Elijah Muhammad - and all are good names with outstanding meanings for we who have been without names of our own to use in this day. We can wear these names in comfort. When we are in the names of God, we are caused to be elevated in thought and action to a level and stat-

ure greater than we have been for a long, long time. We reflect a new being with our new names. They instill a new state of mind and we began conducting ourselves in a manner that is uplifted and dignified. This is because of the attributes of the meanings and our efforts to live up to them. All praise is due to Allah for raising a Messenger, The Honorable Elijah Muhammad, who gives that which Allah has prepared for us in this day of enlightenment. We are returning to our own God, His names and our new selves. All praise is due to Allah, Master Fard Muhammad.

The Hidden Truth

world as a recognized and respected people. The truth of the Whiteman's intent is to fool the Blackman into rejecting his own salvation for the false promises made by the devils. We find the 7th Chapter of the Holy Qur'an states the devil is made to confess his deceiving of the people in these words: "Allah promised you the promise of truth. I promise you, but failed to fulfill". We also find reference to the devil's statement to us who follow him, "I called you and you came, but I

had no authority over you". The Book of Revelations teaches us that the old dragon beast deceived the whole world. The

**I promised you, but failed
to fulfill**

Book of John 8:44 states that there was no truth in them. For their father was a liar and a murderer from the very beginning. Therefore, his children (white race) cannot be otherwise. Regardless of how ill-treated the Blackman may be, he still has

hopes of his master telling him the truth. This hiding of truth is America's downfall and she is under Divine Judgment to be destroyed for her evil done to Allah's people (the Blackman in America). The light of truth is removing the veil from our eyes (mental blindness) and removes our confidence, trust and love for our open enemy. We are returning to our own, our own selves, our own true religion (Islam), our God (Allah) and our own way of life (peace). As-Salaam-Alaikum.

Exist is derived from the Latin word *exist-ere*, meaning to come out of what is, to come into being, to stand forth, to have being in space and time. The *universe* is defined as the entire cosmos; and *creation* is the act of bringing (the

Get Knowledge To Benefit Self

Bro. John X

In the Name of Allah, Master Fard Muhammad, and His Last and Greatest Messenger, The Most Honorable Elijah Muhammad.

Messenger Muhammad teaches, "Of all the knowledge that one may have or obtain, the knowledge of

God is the greatest and the most necessary of all knowledge. Ninety-eight percent (98%) of the earth's people are without knowledge of God-the Supreme Being. Knowledge is acquaintance with facts, truths or principles-acquaintance or familiarity gained by sight, experience or re-

port (an account given or opinion formally expressed after investigation or consideration). Knowledge is the result of learning and is a force or energy that makes its bearer accomplish or overcome obstacles, barriers and resistance. With all this in mind, the benefits (*con't* page 2)

The Hereafter

by Bro. Hakeem Muhammad

In the Name of Allah, Master Fard Muhammad and His Messenger, The Honorable Elijah Muhammad I greet you, As-Salaam-Alaikum.

Messenger, we now have a better interpretation and understanding of just what the hereafter is really all about. The Honorable Elijah Muhammad teaches us that this has nothing to do with any life-state after a physical death, but a life-state after two events. First, life after the removal of the Man of Prediction (white race), which occurs during the time of judgment for this world as prophesied in scripture. Secondly, and possibly the most important at this period in time is the life-state of those who hear, accept and follow the teach-

ings of Allah as taught by His Messenger, Elijah Muhammad in what is now referred to as the dawning of the new day, the time of the coming of the Son of Man and the Day of Judgment. This is the day of resurrection of the dead (mentally dead) so-called Negro, the stone that the builders rejected. The time that the Blackman is restored as "The Head". The hereafter is the blessed condition of life for us (the black family) on earth after the removal of our open enemy and Allah's making all things new.

The Hereafter, The Hereafter, The Hereafter. What's the big deal? We all know that the hereafter is the time of our existence after we die and pass on into a new state. This is what we have been taught. Right? But today, thanks to Allah's

Get Knowledge To Benefit Self

should be advantages, aids and help. Self represents the total being of one person; one's own interest or well-being, individuality or essence. With all this in mind, the religion of Islam, as taught by Messenger Muhammad, makes one think in terms of self and one's own kind; thus this kind of thinking produces an industrious people who are

self-independent. So, who benefits from all these "fine" schools, colleges and universities? Certainly

Self represents the total being

not we. Remember, regardless of how much "education" the slave masters "give" us, without a true knowledge of self, we are only free slaves to serve them or others than

con't from pg 1

our own. No benefits there. The Honorable Elijah Muhammad states, "I am for the acquiring of knowledge or the accumulating of knowledge as we now call it-education. Anyone who does not have a knowledge of self is considered a victim of amnesia or unconsciousness and is not very competent."

As-Salaam-Alaikum

Is There A Mystery God? Teachings of Messenger Muhammad

Who is the Mystery God? We should take time and study what has and is being taught to us. Study the words "Mystery God" and examine them, and if it be true, lay hold to it.

To teach people that God is a "Mystery God" is to teach them that god is Unknown. There is no truth in such a teaching. Can one teach that which he himself does not know?

The word "Mystery," according to the English dictionaries, is: "something that has not been or

cannot be" or "something beyond human comprehension." The intelligent, or rather ones without divine knowledge, seem to delight themselves in representing that God is something mysterious (UNKNOWN). I say that such teaching makes prophets' teaching of God all false.

According to Allah, the origin of such teaching as a Mystery God is from the devils; it was taught to them by their father Yakub, 6,000 years ago. They know today that God is not a mystery, but will not

teach the truth about it. he (devil), the god of evil, was made to rule the nations of earth for 6,000 years and naturally he would not teach obedience to a god other than himself.

So, a knowledge of the true God of Righteousness was not represented by the devils. The true God was not to be made manifest to the people until the God of evil (devil) had finished or lived out his time which was allowed him to deceive the nations. (Read Thessalonians 2:9-10 and Rev. 20:3-8-10.)

Birth Control-Death Plan

By Sister Brenda Muhammad

In the Name of Allah, Master Fard Muhammad and His Messenger, The Honorable Elijah Muhammad, As-Salaam-Alaikum.

The life of this world is sport and play and wrong lies alongside right. You have to be aware of the tricks being played with birth control. They are in place to keep the black man's numbers down, while whites do everything they can to increase their numbers (fertility clinics). Tubaligations and abortions are a norm in their clinics and hospitals for the black woman in

Prayer In Islam

America. Sterilization is not birth control, but the end of all possibility to bear children. The black woman in America is unaware of

Abstinence before marriage, the order of the day

the real motive behind the birth control schemes. The motive is not designed to promote the welfare of black families, but to eliminate these families in the future. They seek to prevent us from being a nation through the woman, as Pharaoh attempted to destroy Israel by killing off the male babies

with Christian society and its prayer practices might ask: Just what does all you just stated have to do with prayer? The answer is: All that has been previously stated encompasses what real prayer is. Allah (God) originated the heaven(s) and the earth and He has continued on (In Person) through

at birth. Yakub, in the process of bringing forth his new race, killed off the black babies at birth to produce this present white race. No man wants a non-productive woman if he intends to increase his own family. He may not want children at the present time, however when he does, he wants his mate to be able to produce children. Using birth control for social purposes is a sin and against the teachings of Allah and His Messenger. Abstinence before marriage is the order of the day.

The Black Man -An Awakening

From The Messenger

The Blackman, for the first time since he has been in the Western Hemisphere, is accepting himself as a Blackman and not as a colored man. Although the Blackman has been colored-now the Blackman has learned that the coloring was false and that the coloring came from a robber (the devil). After he (the devil himself) had put our Black fathers asleep to the knowledge of their Black selves, the white man pretty nearly destroyed all of the original color of us and he has added in his color. Never have we, the Blackman, been so happy

to be called Black. And the Book (Bible) teaches us that God will come one day and God will choose us, the Black people, to be His peo-

Black is the first color

ple. We did not know anything about the false color part that God had in mind to remove from us; but now, God is here among us and He is teaching us the knowledge of our color and we love our own Black color. We are now waking up to the knowledge that Black is the first color and the last color, (if

there be a last). We have learned that Black is the best color and we want to be Black. Since we now have knowledge of the two colors, we are separating so we can preserve our own Black color forever. We should be happy to know that the Black people were never a wicked people until we began to follow a wicked people. God has declared us to be righteous and makes it plain for us to see why. We are righteous by nature and was made righteous from creation. *(Taken from "The Fall Of America" pages 26 & 27).*

In The Name of Allah, Master Fard Muhammad and His Last Messenger, The Honorable Elijah Muhammad.

As-Salaam-Alaikum. Concepts, beliefs and ideals are still enslaving our people (the so-called Negroes) and wrong teachings still impair their minds. How about mental, physical and spiritual impairments? The ignorant preach that Jesus was the God Him-

self, while Jesus represented himself as one sent from God. The white man teaches the black man that Jesus had a miraculous birth (without the agency of a flesh and blood male). White folks are continually (in this day of enlightenment of the truth of everything) still try to keep the so-called Negro blind, deaf and dumb by preaching Jesus as being God, Himself, and that he died for the Whiteman's evil world.

So-Called Negroes Mentioned In Bible by Br. Kamau Islam

vor with God at some time or another.

There are accounts in the Bible of groups of people and sometimes it is written

The Prodigal Son Returned Home

as individuals who are in need of help from God Himself. Most likely, we have heard of *The Prodigal Son, Lazarus, The Stone That The Builders Rejected, The Lost Sheep of the*

House of Israel and The Prophecy of Abraham's Seed.

There are many other references found in scripture that we have not mentioned here; however, our Divine Leader, Teacher and Guide, The Most Honorable Elijah Muhammad, teaches us that these all refer to the plight or condition of the so-called American Negroes, the Black Man in North America. (con't pg 2)

When one picks up and reads the Bible from Genesis to Revelations, he or she will find references to people who are in need of help from God and do indeed find fa-

Why We Must Accept Allah Now

In the Name of Allah, Who came in the Person of Master Fard Muhammad and in the name of His Last and Greatest Messenger, The Honorable Elijah Muhammad, As-Salaam-Alaikum.

The Messenger teaches that we must accept Allah now in order to be saved from the destruction of our enemy, the white people. He warned us

that Allah, our Saviour, Who came in The Person of Master Fard Muhammad, to Whom Praises are forever due, was born for this purpose.

He (Allah) has chosen us and now

**He begets not,
nor is He begotten**

we must choose Him to be our One God, for we are living in the Days of Judgment, Resurrection and Allah-Son of Man. There is only One God, but many Black people do not know Him, Whom we all depend upon for everything in life. Yet, He

by *Sister Evvy Islam*

needs none of us, for He is Self-Independent and not a Spirit!

In the Holy Qur'an, Chapter 112:1-4, (titled: "The Unity") it states, "Say, He, Allah, is One. Allah is He on Whom we all depend. He begets not, nor is He begotten; And none is like Him."

So, accept Allah and His righteous rule, Islam, which will unite us in Love, peace and Universal Brotherhood or be losers and perish with the enemies of Allah!

As-Salaam-Alaikum.

So-Called Negroes Mentioned In Bible

In the Bible, the Old Testament in the Book of Genesis, Chapter 15 and Verses 13 and 14, we find the prophesy of *Abraham's Seed*. In this account it states that Almighty God (Allah) told Abraham that future generations of his people would suffer and be afflicted by a strange people in a strange land. He (God) also states that Abraham's future relatives would remain in this grave condition for 400 years before help would come to them.

In each of the aforementioned accounts given in the Bible, after a given period or trial and tribulation and the decision to turn to and serve Allah, the True and Living God, the people were brought out with great substance.

According to the Bible, *The Prodigal Son* returned home and received the blessings of his father. *Lazarus* gave up the habit of begging for crumbs at the rich Man's gate and was later found in the Bosom (comfort) of

(con't from pg 1)

Abraham. *The Stone That The Builders Rejected* would eventually become the head stone or corner stone of the new world order. And last but not least, Allah (God) would find *The Lost Sheep Of The House Of Israel* and raise one from amongst these mentally and spiritually dead people to guide the lost-found people back to themselves and to Himself.

As-Salaam-Alaikum.

Jesus Cannot Hear You Pray from The Teachings of The Messenger

The Messenger teaches us that Jesus of two thousand years ago was only a prophet and cannot hear your prayers any more than Moses or any other dead prophet.

We have been taught by white Christians that we should pray to Jesus, whom they killed 2,000 years ago, so that he may answer our prayers. They tell us that Jesus will hear and save the so-called Negroes and believing them, we have been praying to him all the day long. Unbeknownst to us, this also implies

that Jesus (who is dead) is as close as we can get to God through prayer. We've never been taught that our prayers

Don't Pray To Dead Prophets

would be heard or answered by Moses or other past prophets, not even Elijah, whom they say, went to heaven whole body and soul. If Elijah cannot hear a prayer, and he was not killed as Jesus was, then how can Jesus hear a prayer?

Think that over.

The Messenger says, "Let us reason together." This means that we now should examine and analyze that which we have been and are being taught by our open enemies today more than ever, for they are out to keep us from accepting that which is our own. We are not to pray to dead prophets. They cannot hear our prayers.

Allah alone can hear and answer our prayers. But we must be taught the manner in which we should pray and what (con't pg 3)

Islam: A Unifying Religion by Bro. Hakeem Muhammad

In the Name of Allah, Master Fard Muhammad, and His Last Messenger, The Honorable Elijah Muhammad.

Islam is a unifying religion, but who is it designed to unify and why? The Messenger of Allah teaches us that Islam is the right religion in the right state and is designed by Allah, Himself. He teaches us that we have not known our own true religion and this is the time that this knowledge is to be made known to us. We have been a divided people and we must know this truth before we can rejoin our people

around the world. As we grow in the knowledge and understanding of Islam, as taught by Allah's Messenger for us, we begin to reflect that which has been instilled in us because of our emergence into

It can be practiced by all people

these teachings. They cause a change in our thought patterns and we respond to their effects which we find beneficial. As we join on to our own who, too, are Muslims by nature, we develop a love for self and kind that we previously had not experienced. Islam brings about a unity amongst us that causes us to work and pull together

for the betterment of our own nation - something that we have never entertained the thought to do before our introduction to Islam. Islam promotes independence and is the only religion that will save the Blackman and Blackwoman in America. It can be practiced by all people of the earth but is the only true religion that is designed by All Mighty God, Allah for His own lost-found people here in the hells of North America (the so-called Negroes). Brothers and Sisters, Islam is ours - accept it and enjoy heaven while you live. This is the right way.

As-Salaam-Alakium.

Jesus Cannot Hear You Pray

(con't from pg 2)

to say as we pray. This is what Allah, Master Fard Muhammad has taught His Last Messenger, The Honorable Elijah Muhammad to teach us, the lost-found so-called Negroes here in the Hells of North America. Never before the coming of Allah has anyone taught us what Allah wants us to pray or the manner in which we pray. Formally, we just prayed in the man-

ner we chose and said whatever we wanted to say in our prayers. We followed the program of our open enemy without question or forethought. Our condition dictated that we seek help from someone to provide us with relief. Being in servitude and not in control of our own destiny, we prayed for help. Even today, we follow the lead of our

enemies in religious teachings and our conditions don't improve. Today, Allah has raised one to elevate and guide us to our rightful place. We must follow His Chosen One, The Honorable Elijah Muhammad, for our prayers may be heard and answered. Remember, dead prophets cannot hear or answer our prayers.

Jesus, Not The Son of God, Nor His Equal (con't from pg 1)

the way the natural laws work among us, can by no means justify our belief in what has been taught to us concerning the birth, death and resurrection of Jesus. It is contrary to the law in which nature creates flesh, blood and bone. Jesus said in his suffering, "My God, my God, why has thou

forsaken me?" (Mathew 27:46). This verse indicates that he did not consider himself to be the "Son of God" or an equal of Him. Yet Christian white folks believe in and worship Jesus as God or God's equal-one more example of how Christian white folks love to lie about Jesus' teachings. The Hon-

orable Elijah Muhammad states, "It is the Bible that's at the root of our people's ignorance, which they believe in and read but, understand not at all." Sadly, the history of this man, Jesus has been greatly misunderstood by our people, the so-called Negroes.

Trinity Teaching: Infidelic To Believe In by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad and His Last Messenger, The Honorable Elijah Muhammad.

As-Salaam-Alaikum.

The Messenger of Allah warns us on the question of "sonship of God" (the Trinity). He teaches that it is not only foolish to believe in or to teach of the Trinity, but it is also purely "Infidelic" and a sin. To claim that God

has a son is to charge Him (Allah) with an act of adultery and God is married to no woman. The teachings of a Trinity comes only from the devils who have always wanted and still want to prevent us from believing in the One God (Allah).

In this day of truth, we must understand that which we are being forced to accept as truth. We must also recognize who is the provider of such teachings. As we examine what we have been taught in math and

science, and apply them to this teaching we must consider the possibility of three even becoming one and each being a whole yet separate (Father, Son and a Holy Ghost). Why is this teaching *(con't pg 3)*

How Islam Benefits Us

by Sis. Brenda Muhammad

In the Name of Allah, Master Fard Muhammad, and in the Name of His Last and Greatest Messenger, The Honorable Elijah Muhammad, As-Salaam-Alaikum.

One of the gravest handicaps among the black people in America is no love for self or their own kind. This brings about disunity, disagreement, betrayal, fighting and killing of one another. It is Allah's will and purpose that we shall know ourselves. The religion of Islam as taught by the Messenger

teaches us to think for self, not just individually, but collectively. We cannot change ourselves unless we change our way of thinking. When we divest ourselves of the devil's

habits we think clearly and become clean. You learn to pray correctly, eat to live and submit to rules and laws that benefit self and kind. Some would ask, "what are the devil's habits we so enjoy? There is the drinking of wine, whiskey and beer. The smoking of cigarettes, reefers and other drugs. The use of cocaine, heroine and crack. When it comes to eating, pork is the order of the day. When you submit

to the will of Allah, time brings about changes to all things. We begin to heal mentally, emotionally, physically and become civilized and dignified.

The Honorable Elijah Muhammad in the dedication, Message to the Blackman in America states, "To my people, the so-called American Negro. Freedom, Justice, Equality, Happiness, Peace of Mind, Contentment, Money, Good Jobs, Decent Homes and more, all can be ours if we accept your God, Allah, now and return to His (and our original) religion, Islam.

Islam Is Supreme Wisdom

by Bro. Kamau Islam

In the Name of Allah, Who came in the Person of Master Fard Muhammad, To Whom all Holy Praises are due forever and His Last and Greatest Messenger, The Honorable Elijah Muhammad, As-Salaam-Alaikum.

what ISLAM is must be understood; then one must get a good idea of what *wisdom* is all about. And last, it must be explained why Islam ranks top in this category.

Supreme is the highest form of existence

The Honorable Elijah Muhammad teaches us that Islam is the religion or way of life of the Original (Black) man and woman, and that it is as old as Allah (God) Himself. This religion dates back

some 78 trillion years-the age of the Universe in a structured form of existence.

Scientist of today's contemporary world agree with the basic truths that (1). *Matter is anything that has weight and takes up space;* and (2). *Matter can neither be created nor destroyed.* Thus, the three states of matter-gas, liquid and solid, have been manifested, structured and ordered by Allah (God) since He created Himself trillions of years ago.

To state, "Islam Is Supreme Wisdom" one must have actual scientific facts to back up such a statement. First knowledge of

Bible Forbids Eating Of The Hog

In the Name of Allah, Master Fard Muhammad, and His Last Messenger, The Honorable Elijah Muhammad.

To "forbid" means to direct, command, instruct, charge, tell, bid, require-not to do a thing-by God through the mouth of His Prophets. Clear evidence by way of the Bible indicates that the hog or swine is not to be eaten. Messenger Muhammad teaches us that this hog, so-loved by our people, is not only filthy and a scavenger, but is poisonous-yes poisonous. Provided for you who still disbelieve are references supporting Mr. Pig's deadliness:

Mark 5:11-16, 2Corinthians 6:17, Romans 12:1, Mathew 15:8, Deuteronomy 14:8, 1Corinthians 10:31, 2Peter 2:22, Genesis 1:29, Genesis 9:5, Luke 4:2-3, Revelations 22:11-12, Psalms 119:105, Ezekiel 33:11, Isaiah 66:2-4 and

Pay Attention and think

Ezekiel 22:26. We, who follow Messenger Muhammad's teachings know that Allah made the pig for a unique purpose, other than for eating. He declared the "other white meat" as unclean for food for divine reasons. If we break the divine laws of eating, there is a penalty that will (must) be paid. Hippocrates said, "Let thy food be

thy medicine and thy medicine be thy food." Obviously, the so-called Negro has taken the divine laws of health for granted. After all of this divine proof, Mr. Pig is guilty of killing more Black people than police brutality. Yes, I know, old habits are extremely difficult to curtail. Pay attention and think each time you open your mouth(s) to receive this poisonous filth or sewage known as Mr. Pig, pork, swine or hog. So let us unite under Allah's Last Messenger's teachings and vow not to commit suicide by eating the divinely prohibited (forbidden) hog.

As-Salaam-Alaikum.

Islam Is Supreme Wisdom (con't from pg 2)

word "wisdom" as the way, insight, accumulative philosophic or scientific learning, etc. The Holy Qur'an often states that Allah (God) is the best knower. Thus it stands to reason that the best knower (who is Allah), whose way of life or religion is Islam, has the most appropriate command of the way or wisdom of life itself.

Messenger Muhammad states

Trinity Teachings: Infidelic To Believe In (con't from pg 1)

an "Infidelic" teaching? The word "Infidel" means, one who is not a Christian, an unbeliever with respect to this particular religion (an all out effort is being made to convert you to that which is not the Blackman's by nature). This definition was given by the founders of the Christian religion.

If a Trinity teaching is the truth,

that *Supreme is the highest form of existence*, and that God (Allah) is the Supreme Being -the Original (Black) Man. He teaches us that Islam is the nature of the Blackman and that he has constantly throughout the eons of time manifested the nature of his being through his ever present person. He expresses his oral and written communication through a language system known as *Arabic* and also

then why does it defy the laws of math and science? Why can't you get a satisfactory explanation as to how it is possible that a Trinity exists? How can three separates give up one third of itself to form a Trinity and each is a different form that will melt into one new form? Can you explain what happened to the other two-thirds that was left of

The Blackman in America has rejected most of this richness since he has been captured, kidnapped and held hostage for some 400 years by his open enemy (the white man-the devil) in the Wilderness of North America.

each? You see, such a teaching of a Trinity is "Infidelic". It has nothing to do with the disbelief in a religion. It however is a violation of math and science. This also makes such a teaching a sin. It is a violation of the righteous and truthful teaching of God (Allah) and His Messenger. Think that over.

Slavemasters' Educational System Won't Help Us *by Bro. John X*

In the Name of Allah who came in the Person of Master Fard Muhammad and His Last and Greatest Messenger, The Honorable Elijah Muhammad, As-Salaam-Alaikum.

In the scientific world various "postulates" are set as guidelines to prevent alterations of facts to fit personal goals. Never heard of a "postulate"? Well, it's a rigid foundation

based upon universal truths. Anything factual that does not fit that outline is not infact pertaining to the postulate. What does it all mean? Well, the Honorable Elijah Muhammad has set for us rules, laws and guidelines based on the universal order-truth naturally included. So it is with the devils' education system. It has been altered to fit his (their) personal goals-not ours. Their so-called benefits (degrees, "good" jobs, etc.) are designed to replenish their storehouse, not ours. Getting a

knowledge to benefit us rather than white folks should be our ultimate goal (aim). What sane person (black) wouldn't want to be free from the complete domination of others? Ever heard our folks say, "Once you get an education, no one can take it away from you."? Well, what little "education" we've received, white folks have definitely been the main benefactors. When will we ever learn? The Honorable Elijah is definitely for the acquiring or the accumulating (*con't pg 3*)

The Messenger teaches that a Negro (Nigger) is a piece of iron used in a sawmill. It is neutral and is moved or carried by one who has use for it. This is the American So-Called Negro, so Allah (God) has taught The Messenger.

Other Notable Aspects of Islam

There are, of course, many other notable and worthy aspects of Islam my people should know about.

Islam, for instance, makes hell and heaven not two places but *two conditions of life*, which is very easy to understand. For there could never be either unless it was brought about by our own efforts or making. The earth is our home and we can make it a hell or heaven for us. If we follow and obey Allah and His prophets, we make it a heaven. If we follow and obey

Regardless to how long and hard you try to be a good Christian, you never have a sincere, true love for your own black brother and sister as you should. Islam will give you true brothers and sisters the world over, and this is what you need.

A people subject to all kinds of injustices need to join Islam, as you are sure of Allah's help in Islam. Why don't the preachers of my people preach Islam? If they would, overnight they could be on top.

the First Edition of a book called "The Supreme Wisdom", addressing the subject *The Hereafter*. He states on page 26 in his book, *My people have been deceived by the arch deceiver in regards to the Hereafter.*"

In the religious circles of Black people (in America) who have adapted the religion of white people (Christianity) there is often talk of *The Hereafter*. However, since there is very little comprehension of the subject, people's minds are allowed to wonder off in all sorts of directions that do not pertain to the matter at hand.

In 1957, during the time of The Nation's *Saviour's Day Convention* the Honorable Elijah Muhammad issued

Some 50 years later since Black religious leadership, under the guidance of the contemporary white slave masters of America, continue to keep Black people buried in the graveyard of religious ignorance, most of us remain in this same confused mode.

To truly learn about the *Hereafter*, one must define where it is located as well as when it will take place. Included in this would also be the knowledge of what must be done in order to prepare for it (*The Hereafter*).

Resurrection of the Dead (con't from pg 1)

dead in graveyards, but those of our people who have been made mentally dead, the ignorant whom the devil's falsehood has killed to the knowledge of Divine Truth. We cannot believe, in reality, that the physically dead will rise from any grave-never have, never will. Read Bible Job 7:9. What is left to rise from a body that has decayed in a grave or consumed in a fire? The Messenger also reminds us that no where in scripture does it teach or mention that any prophet or messenger was taught of any resurrec-

tion of physically dead beings. The real resurrection of the dead must be as we are taught in reality, by the Messenger of Allah, The Honorable Elijah Muhammad, is a mental resurrection of a people who are referred to in scripture, (both Bible and Holy Qur'an) as deaf, dumb and blind (mentally dead) to the truth and who have no real knowledge of the tricks or false teachings of their open enemies; who are an unalike people, a grafted people and who have been given ruler-

ship for a limited time. This is the day that we who are called the Lost-Found will be awakened from our mental sleep and be brought back to our own selves. This is a day of rejoicing for us, let us not hold fast to teachings from an enemy who has no love for us. Allah has come today to free us from our oppressors (slave masters) and gives us right guidance through His Messenger, The Honorable Elijah Muhammad who advises us to fly to Allah quickly. This is the day of "our resurrection".

Slavemasters' Educational System Won't Help Us (con't from pg2)

of knowledge-as we now call it-education. Knowledge of self first-then others. Does the Slavemasters' educational system eliminate division among us? Does his system create unity and make us desire bring with our own? Dose it

include the history of the black nation, the knowledge of man's civilization, the attribute of God, which creates power to accomplish and make progress in the good and /or righteous things? If the answer to any one of the

mentioned questions is no, and certainly we have tried other means and ways and we have failed, then why not try Islam under Messenger Muhammad's system. It is our only salvation. As-Salaam-Alaikum.

The aforementioned references are to tap into the vast value of the Black Woman as all scriptures from Allah (God) were written long before the made man and the made woman (the white race) were produced (con't pg 3)

Principles of Belief In Islam

As we study and practice the religion of Islam, we find that there are principles of belief (laws if you will) that one must adhere to. We find that these laws are the foundation of the religion and makes it different than other religions. Unlike the Christians, we as Muslims follow these principles in order to stay in accordance with the teachings of Allah through his Messenger. We are required to do the following:

1. Keep up prayer.
2. Spend of what Allah (God) has given him in the cause of Truth (Islam).
3. Speak the truth regardless of circumstances.
4. Keep himself (or herself) clean, internally and externally, at all times.
5. Love his brother (or sister) believer as himself (or herself).
6. Be kind and do good to

Supreme Wisdom

1. all.
7. Kill no one that Allah has not ordered to be killed.
8. Set at liberty the captured believer.
9. Worship no God but Allah.
10. Fear no one but Allah.

The above are the teachings of the Prophets. Islam is and always has been the religion of all the Prophets and Messengers (con't pg 3)

Decorate Your Homes With Divine Elements *by Sis. Brenda Muhammad*

In The Name of Allah, Master Fard Muhammad and In The Name of His Last Messenger, The Honorable Elijah

Muhammad do I greet you, As-Salaam-Alaikum.

We as a people have been raised in the religion of Christianity; wherein we unknowingly have been led to display death and destruction in our ears, around our necks and in our homes. Usually when decorating it is for the purpose of beautification and enhancement. We have the "Cross" hanging on the walls of our homes and offices, from the living room to the

bathroom which is not the place of a supposedly, sacred icon. We follow up with pictures of Michelangelo's Jesus, The Last Supper, John Kennedy and Martin Luther King. Why are we still being led and encouraged to decorate our homes and selves with representations of death? The men mentioned all died violent deaths and Jesus was said to have been crucified on the cross. It is time we come out of confusion, chaos and being all crossed up.

The Messenger says, "My people should wear a "Muslim National" and decorate your homes with the flag of Freedom, Justice, Equality and Divine Elements." Hence we decorate our homes with pictures of Allah, Master Fard Muhammad and His Last Messenger, The Honorable

Elijah Muhammad. We also include our beautiful National (Flag), the Sun, Moon and Star. We enjoy the beauty of peaceful colors, fresh flowers and pleasant scents in our homes. All of these elements keep an atmosphere of peace, comfort and serenity, a condition of heaven. The Christians wear the "Cross", an emblem of slavery, suffering and death. We who are now Muslim followers of Allah and His Messenger wear our "National" in the form of FOI and MGT pins, rings and other jewelry. Islam is the Blackman's nature, it is his religion. Let us decorate with "Divine Elements" that represent that which is from our God (Allah) and are ours.

The Aim Of Islam In America

by Bro. John X

In The Name of Allah, Master Fard Muhammad, and His Last Messenger, The Honorable Elijah Muhammad, As-Salaam-Alaikum.

Thus saith The Honorable Elijah Muhammad, "I have been risen to raise my people here (the so-called Negroes) and to bring them into the knowledge of self and their God Allah (who is in Person among them) and the devils (their open enemies)." Islam is being offered to the so-called Negroes of America for the sole purpose of bringing them into the knowledge of Truth. Who (most of all, us)

would have ever imagined or even guessed that Islam would make such an impact upon a dead, despised and rejected people? Least of all, the dead. In America, too? Yes, Islam has definite aims in America, too. They are:

1. To teach our people (the so-called Negroes) the Truth. The Messenger teaches one of the first truths to be established is our identity-who we are versus who we are not. We shall know the truth and the truth shall set us free-at last.
2. To clean them up and make them self-respecting and to unite them on to their own kind. Yes, we can now know what white folks meant (and

- still mean) by "know your place." Add to that-your people, too!
3. To bring them face to face with their God and to teach them to know their enemies. We no longer have to worry about seeing God and not living. Likewise, we don't have to worry about dying just to see God-our God.

In short, Islam is offered to our people (the so-called Negroes) as a Remedy to their (our) ills, or as a Solution to their (our) problems. This is truly Divine. Nothing else will suffice. The Most Honorable Elijah Muhammad is diagnosing, prescribing and curing our ills and we forever thank Allah for him.

Power, Light and Life

dead (mentally deaf, dumb and blind) to the truth of all things; a truth many others fear, for it marks the time of judgment and the ending of a world as mentioned in the Bible, (Genesis 2:1).

The "light" is represented by the

Islam is the source of life

guidance, knowledge, wisdom and understanding that is brought to us by Allah's Last Messenger, The Honorable Elijah Muhammad, for it is the manifestation of the power that Islam brings to us upon our acceptance of our own true religion and God. This is in accordance with our own nature. It is the means by which we then can take our rightful place as the new rulers (standard of measure) for the rest of the world. "He makes all things new". It is written that "the first will be last and the last will be

first" but we have not understood the true meaning until this day, thanks to Allah for the light of understanding provided to us by His Last Messenger.

In addition to power and light, Islam is the source of "life" for the Blackman the world over. As scripture speaks of life more abundantly, it can only be referring to a new way of life after the acceptance of Islam. We have not known a good life for a long time and we cannot expect to enjoy a good life under the leadership of our open enemies (white people) who are in fact, the people whose time has expired. Let us fly quickly to Allah and His Messenger, Elijah Muhammad where we can enjoy "power, light and life" more abundantly while we live.

There are many of our people who doubt that Islam is the true religion of the original people of our universe, "The Black People". It is without a doubt the religion of Allah (God) Himself, and if we believe that we are of God, then Islam is our religion; for we are from Allah. Some may not believe that Islam gives us "power", not imagined, but real. It is also the power that restores us to our own true selves. This restoration is really the resurrection of us who are referred to scripturally as

Muslims know and believe that Noah, Abraham, Moses and Jesus, and all the prophets of Allah also believed in the One God and taught this truth. Nowhere in any scripture can it be found that they represented anything other than

Sword and Christianity from Supreme Wisdom Book 2

According to the Bible (Mathew 10:34), Jesus didn't come for peace but to bring the sword (judgment). Neither did he come to unite but to separate (Mathew 10:35). It stands true today that Christianity, as we see it in practice in America, certainly does not unite but

each other. According to the history of it, Christianity has caused more bloodshed than any combination of religions; it's sword is never sheathed (the professors of it are always at war). If Jesus was a peacemaker, then the Christians are not his followers. The Bible states, (Acts 10:36) "He came preaching
