live, we would accept Islam at once. Such a statement should be cause for a prudent person to stop and examine the circumstances that warrant such a statement. Many of us are familiar with the many stories in scripture surrounding judgment day, people being in bondage to another people, raising the dead to life, a man born blind, Lazarus sitting

at the rich man's gate, Jesus coming back, making the blind see and many others. Many of these stories were thought to be about people and events either in the past or to take place in the future, but certainly not relating to the Blackman and woman here in the Hells of North America. Now that we are (cont' pg 3)

anything that those who would raise the children desired to instill in them mentally and spiritually so they, then can be used physically for their own chosen purposes. The white slave master wouldn't teach us the truth of our own kind or civilization before being brought into slavery. They taught us of themselves, evil. As long as we do not know righteousness, we are not free to do righteousness.

Before the coming of Allah in the Person of Master Fard Muhammad, the true religion (Islam) had never been taught to us as we have it being taught today. The Honorable Elijah Muhammad was raised by Allah (God) Master Fard Muhammad, to Whom praise is due forever, to teach his people spiritual civilization. It is important to the success of a nation and it's so-

ciety to be well educated, cultured in the arts and sciences and spiritually civilized. It is now imperative you "Accept Your Own". We are the original people of the earth who have been made a great offer to accept our own. When submitting to the will of Allah and His Messenger Elijah Muhammad, you have Freedom, Justice, Equality; Happiness, Peace of Mind, Contentment, Money, Good Jobs, Decent Homes and Friends in all walks of life.

The religion of Islam is not a European organized white mans religion, it dignifies the black man and woman and gives us the desire to be clean internally and externally. This is the people we become as we join own to our own to be ourselves, Muslims. As-Salaam-Alaikum.

How do you "be yourself" when you in reality, do not know you have been deprived of the knowledge of self. The Blackman in America is unaware he has been raised by a foster parent. In 1555 when we were brought to America, our parents were killed after giving birth to new generations of children, preventing them from being taught anything relating to themselves or their own way of life, their God or their people. The children are now ready to be filled, as an empty vessel, with

rooted in this science that spans some 78 trillion years of principled accomplishment. As Allah has placed motion under His Divine control. He is also the sole Master and Calculator of Time.

With the mastery of such aforementioned truths no one, no body or no thing can override Allah's

Will. Scripture in both Bible and Holy Qur'an tells us much about the Will of Allah. We have read in the New Testament that we should pray that His Will be done on earth as it is in heaven and that He (Allah) Makes All Things New. These truths in no way suggest there is someone or something that can successfully *superimpose* any

will over and above Allah's Will. Messenger Elijah Muhammad teaches us in a book that he has written titled "Our Saviour Has Arrived", on page 144, that the *Will Of Allah Is Being Done*. Today we are blessed to learn not only of His Will but also of His Person, Master Fard Muhammad. As-Salaam-Alaikum.

# The Hidden Truth

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, The Honorable Elijah Muhammad, As-Salaam-Alaikum.

Messenger Muhammad teaches us that "hiding the truth" is a very serious thing to do. It causes harm and disappointment and causes one to be misled. It causes loss of property and life, loss of friendship, beloved ones, and loss of confidence and trust. In court, it causes heavy penalties and someone's being sent to prison or to death for that of which they are innocent.

The greatest and gravest of all is the Slavemasters' hiding of the truth that will exalt and save his slave. That is the great truth that White America is hiding from her once-slave (the Blackman and woman). They are doing everything they possibly can to

deceive the Blackman and woman into thinking that they (white people) hold out greater and better promises for a future to the Blackman and woman in America than Allah (God). In the 7th Surah (Chapter) of the Holy Qur'an the Devil is made to confess his deceiving of the people in these words: "Allah. promises you the promise of truth. I promised you the promise of truth, but failed to fulfill".

The White Race was made by nature without the truth. Jesus said (Bible-John 8:44) that there was no truth in them, for their father was a liar and a murderer. Therefore his children (white race ) cannot be otherwise. The time (six thousand years) ruled by the white race has been the worst of our known history; a time of complete trouble-making, war, bloodshed, and death of both the righteous and the wicked as never before. The time now has ar-

rived for plain truth to be revealed and not hidden.

The white civilization has deceived 90 per cent of the total population of the planet earth. Imagine that! The only way the white race can survive and rule is by making false appear as truth and truth appear as false.

It has been said, "The withholding of truth is sometimes a worse deception than a direct misstatement." The time now has arrived for plain truth. Allah has also come to make manifest this hidden truth to us, the Black Nation of the earth; and first, to the lost members of that nation. According to the Bible and Holy Qur'an Sharrief, it is the divine purpose of Allah to make known this hidden truth that shall make the Black Nation free. As-Salaam-Alaikum.

## Knowledge Of Time

being awakened to the time, we should take the time to compare the scriptural references to the time in which we now live. How closely does the teachings of the Messenger relate to those events? How do the circumstances of yesterday fit events and our situation here, today? Why do those events talked about in scripture fit us so closely? Could all of those stories really be talking about the past or do they serve as a sign of future events? As we study that which the Messenger of Allah has revealed, we find that much of what is read in the scriptures, both Bible and Qur'an, are signs of future events

and what is written is not all references being made to events occurring at the time the scripture was written or being written. Much, he teaches is referring to future events-meaning this day and time. Compare the writing with events of today, now add the events and circumstances of this day and time to the events written or spoken of in scripture. You see, they do compare very closely to you and the events of today. The coming of Allah, Master Fard Muhammad is also a fulfillment of scripture. He has come in accordance with prophesy and has raised for us a Divine Leader, Teacher and

Guide who is able to raise the dead (mentally) to life. We are blessed to see that this is the time that is foretold to be judgment day. The question we must ask ourselves is, "Do we want to be saved or do we want to, as scripture states, be fuel for the fire?" And we must add, that fuel for the fire has nothing to do with a hot hellish place after a physical death but a condition of hell while we live. This hellish condition is to be experienced by all those who reject the truth of time that is now being presented. "Come out of her, ye my people." Fly quickly to Allah.
