The Present World Is Against The Truth

The ruling people of this world (white people) are keepers of time. They are well aware that this is the day that truth reigns supreme. So they stand in the way of truth in order to hinder our people from accepting truth. Scripture states that the dragon stood before the woman who is pregnant to devour her child as soon as it was born. We are today being taught that this refers to our day and time. It refers not to an event of the past, but

if rightly understood, one can plainly see that it fits the time that we now live. The dragon represents the white race. They stand before the woman, presented by Allah's chosen Messenger, who is the bearer of truth for the upliftment and resurrection of his people. The dragon is opposed to truth coming to our people in this day, for he has always been against truth coming to us. He waits to devour us (the child) as soon as we are born (brought into the

knowledge of self, our God and him). His desire has been to keep us deaf, dumb and blind. We have been resistant to the truth. We must accept this truth that is now being revealed (cont' pg 3)

Wisdom"-Volume 2, chapter 22, on page 79, reveals that ISLAM IS THE SUPREME WISDOM. Today, the so-called Negro/African-American, must make a **divine change** that will lead him back to his Original self. The best way to start this journey is to discover the Blackman and Blackwoman's original way of life - Islam. In the

"Divine Sayings" of Messenger Muhammad, he teaches us: *"We cannot change ourselves unless we change our way of thinking. It is actually thought that changes us."*

Christianity Is Not For Black People by Bro. John X

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, The Honorable Elijah Muhammad.

As-Salaam-Alaikum.

Messenger Elijah Muhammad teaches us that there is no hope for us in Christianity; it is a religion organized by the enemies (the white race) of the Black Nation to enslave us to the white race's rule. The Christian believers claim they believe in "One God", yet they worship gods other than Allah, the Divine Supreme Being, and make His Angels and Prophets His (God's) equals. Should not Allah destroy those who serve and worship gods other than Him? Many white people know and believe that Christianity is only for the white race, and that the so-called Negroes' religion is Islam. But they (the devil)

won't teach it (Islam) to their poor black slaves or even leave them alone in their search for knowledge of Allah and His Divine Religion.

Christianity has failed humanity. America and Christian Europe are witnesses to this fact. The authentic teachings of the Prophet Jesus and other prophets are, for the most part, obsolete and obscure. The church has a long record of anti-enlightenment. Any light, old or new, is regarded as an enemy of church-tianity. Even in 1941, the German Chancellor Hitler remarked, "Our culture is based on Christianity."

Preachers (Black or White) don't raise the consciousness of humanity or resurrect dead humanity. They don't raise the veil of ignorance nor awaken the population to their own divinity as Gods of the earth. Neither liberation nor emancipation is preferred.

Even the derivation and origin of the

word "church" is uncertain. The Greek word for church originally meant an assembly called out by the magistrate, or by legitimate authority. This is the ordinary classified sense of the word, but it throws no light on the nature of the institution as designated by the New Testament. To the New Testament writers, the word had now lost its primary significance and was generally used to mean any meeting.

Loving one's enemies and hating one's friends has produced more division and hate than all the other religions combined.

Messenger Muhammad teaches that Black Africa should have learned from Christianity long ago and driven it back to white Europe and America where it belongs. We who follow Allah's Last Messenger, wholeheartedly concur.

As-Salaam-Alaikum.

properly communicate as they employ their usages. Thus, it becomes very difficult to embark upon any progressive manner of change when one can hardly express a complete thought.

Messenger Elijah Muhammad teaches us that Islam is the religion of Almighty God Allah, His Messengers, His Prophets, and all righteous people in their right state of existence. Any religion is a way of life. However, Islam, being the Original and true religion, is *The First* and *The Truthful* way of life. Original (Black) people do not need fantasy, misun-

derstood rituals or falsified church doctrines as our religion (way of life). We do, however, need to learn of the wisest person in that He can lead and guide us in the best manner.

One might ask, "Why is Islam the Supreme Wisdom?" What is meant by *supreme* and what is meant by *wisdom*? According to basic dictionary definitions of the word "wisdom", the meanings range from accumulated philosophic or scientific learning to a *wise* attitude or course of action. The word wise is further broken down to mean the "way or man-

ner". Supreme means the "highest of all". Since Messenger Elijah Muhammad teaches us supreme wisdom comes from The Supreme Being (Almighty God Allah Himself), we can rightfully conclude that if we follow the right God, in the right religion, and in the right way or manner, we will never again be caught up in the way of the Devil's (white race's) chaos, confusion and mayhem.

As-Salaam Alaikum.

Possessors Of Knowledge Need Not Fear by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

We are now in the days of judgment. Many will welcome the time while many, will fear the time, but all will experience the times. Our Leader, Teacher and Guide has informed the world of this impending day and has made clear the signs. Knowledge is our key for surviving.

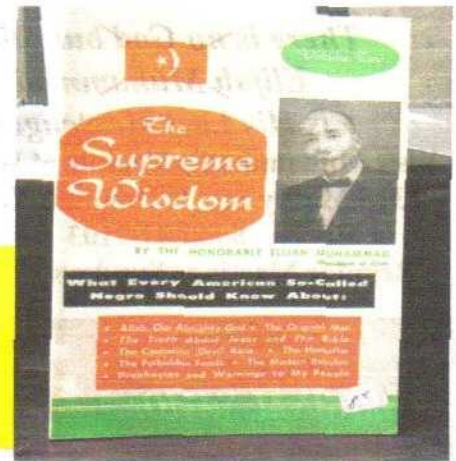

As many are aware, the Honorable Elijah Muhammad, who is The Messenger of Allah, has been announcing this day for a long time with a loud cry aimed at our people who are lost to the knowledge of the time. Those who listen, follow and adhere to his teachings to us coming from Allah in Person, Master Fard Muhammad, will benefit and not be

amongst the doubters. Our choice to believe or reject will be left to each of us.

All too often, we being raised by an enemy to us, take the words and teachings of the opposer of truth as our standard and guide. We reject information coming to us by anyone outside of the white circle. We wait for the white man to give us the go ahead on everything that comes from any source outside of that which he gives to us. We have been taught that we are not in our right minds and as long as we reject the truths that are brought to us by our own God and His representative, we will continue to allow an enemy to control our destiny. These teachings from Allah are the keys to our salvation. The knowledge

that is given to us today eliminates the fear that has been instilled by our open enemy. It provides us with the knowledge that elevates us, strengthens us, re-acclimates us and stabilizes us. It make us whole again. A people with this knowledge need not fear the time or what is coming in this day and time. "Possessors of knowledge need not fear." Come to Islam under the guidance of the Honorable Elijah Muhammad and reclaim your rightful place in the sun. This is our time. As-Salaam-Alaikum.

to us. We cannot look to our former slave master to give us that which will make us an independent people. We have too long been in service to him for him to accept or recognize us as his equals. He is well aware that we are not all the same. The Bible (Book of John: Chapter 8) states that he's a liar, a murderer and abides not in truth for there is no truth in him. This is due to the manner (nature) in which he was made. He is an opposer of truth, so think not that he is for you having it, lest he loses his control

over you. Thus, "The present world of Devils is against truth." They are doing everything in their power to prevent you from accepting truth. Your joining on to it and your own kind in these truths marks his end. This he is aware of. He now offers you not only his white she-devil but his White House, too. This is just a part of what he is willing to do to keep you close to him. His hope is that you will listen to him, follow him and believe in him to provide for you, his once slave, a good future. We read scripture,

we go to church, listen to his licensed preachers of Christianity, and we are convinced that his teachings are right and correct. Yet we find that he does not follow or practice that which he has given to the once slave. This is another opportunity for us to awaken, and hear the trumpet of truth that is filling the air in these last days of his world. Fear not leaving him. There is no salvation in staying with him. Allah has announced that the white world is done. As-Salaam-Alaikum.
