wasteful and lavish. When the average so-called Negro or African-American reads of the account of this Prodigal Son in the Bible he or she may find it difficult to properly relate it to the correct person or persons.

Messenger Elijah Muhammad addresses this particular subject, **The Prodigal Son**, in his book titled *Supreme Wisdom* Volume 1, on page 20. One who is *prodigal* is known to be recklessly extravagant, luxuriant,

Cause For The Nation of Islam To Rejoice by Bro. John X

In The Name of Allah, Master Fard Muhammad and His Last Messenger, the Honorable Elijah Muhammad.
As-Salaam-Alaikum.

For centuries, nations have risen and fallen. Even when their fates were somewhat sealed, the people at one time or another found time and reasons to rejoice. From Almighty God (Allah) Himself, we (so-called Negroes) have been promised not only a new growth but an entirely new life-if only we would submit to Him. The Hon-

orable Elijah Muhammad teaches us, "If a man can rejoice over the finding of his lost or strayed animal, or a piece of silver, or a son who had the desire to leave his home to practice the evil habits of strangers, how much more should Allah and the Nation of Islam rejoice over finding us who have been lost from (Allah and the Nation of Islam) for 400 years and following other than our own kind?"

A cause represents a principle, aim, or movement that, because of a deep commitment, one is prepared to defend and/or advocate.

We who follow the teachings of our divine Messenger are not mere people who are dissatisfied with a specific aim-freedom, justice, and equality. Each and every message coming from the mouth of Master Fard Muhammad through His Messenger is cause for rejoicing (feeling great joy and/or delight). Anything less is uncivilized.

We look forward to and pray for the destruction of the present world, its power and authority to rule. May Allah grant us success.
As-Salaam-Alaikum.

who left home - eventually found himself in such a predicament so as to be "tempted by the loose life of strange women, drinking, gambling and adultery that caused the Prodigal Son to love the strangers' way of life, so much so, that it cost him all that he originally possessed (self-independence and Divine Guidance)."

Allah in Person, Master Fard Muhammad, teaches us, through His Messenger, Elijah Muhammad, how "the other brother" left home. He was kidnapped and enslaved in the Western Hemisphere by European slave traders (starting with John Hawkins) in 1555. He was brutally beaten and

killed; he was robbed of the knowledge of his God, his name, his language, his religion and his true history. Thus, being raised by foster parents (his white slave masters) he took on their ways and habits.

One might ask the question: When you are a slave and are at the mercy of your Slavemasters, how do you become recklessly extravagant, luxuriant, wasteful and lavish? The Prodigal Son could not become such (prodigal) until an enemy (the white civilization) stole him away from his own homeland and country. He experienced the aforementioned degenerate people and conditions

while being held captive in the civilization of Adam and Eve (the white race).

The Prodigal Son's Father (God), through His Messenger, The Honorable Elijah Muhammad, made it possible for this lost son to even begin to once again learn about true self and to think about returning home. Messenger Muhammad further states: His Father (God in Person) had to come and be his representative to again meet his brothers, family and friends.

Islam-The Religion of Peace by Bro. Hakeem Muhammad

In The name of Allah, Master Fard Muhammad, and in the name of His Messenger the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Messengers bring a religion or teaching that is other than what He provides them with? Certainly not. Then why do we who are of the original family (black people) in the hells of North America fight to stay with or in a religion that is not from our own God or represents a peaceful way of life. Today, it is difficult to say "We didn't know that it was not our own religion". The word has been out for 80 years. It is being echoed daily and yet many of our own black brothers and sisters not only refuse to let the false religion of our open enemy go, but work with the enemy to entrap and keep our people in the bowels of Christianity and its detestable practices. We are well aware that what is preached is not what is carried out. We must

wake up to the actions or ways of this religion which is death and destruction, lies and deceit, disagreement and war. The Book says, "Come out of her ye my people, be not partakers of her sins". This refers to you Blackman.

Fly to Allah and be saved

We could ask, "Why is Islam the religion of peace"? The short answer, because the meaning of "Islam" is "Peace". Therefore it must be represented by that which it is (the way of God).

Consider, a religion is ones'; prescribed and followed way of life. Wherefore the religion of the "God of Peace" (Allah) must be the way of life that He claims to be His own. Could we imagine Allah giving all of mankind (this includes the white race as well) a way of life that is other than His own religion? Would His Prophets or

own-Islam. The white man (the devil) is being his natural self by forcing his evil death-style way of life (which is Christianity) on our people. Christianity deprives our people of a will to live and to have a mind of their own.

Our God, Allah, Who came in the Person of Master Fard Muhammad, is asking that we the Blackman and Blackwoman today reclaim our own-Islam! Allah

and His Messenger are asking that we return to our own kind. We must separate from our open enemy, get a thorough knowledge of self, love self, understand self, teach self, trust self, and desire our own. **Accept Your Own and Be Yourself!** [References: *The Supreme Wisdom*, Volume 1 and *Message To The Blackman In America*.
