the religion of our God, Master Fard Muhammad. What could be better for us than to accept it as our religion?

As-Salaam-Alaikum.

As the Messenger opens this subject he states, "I could not do a better job of explaining the true meaning of "Supreme Wisdom" than to say that it is Islam." Islam, he states, is

Never has anyone brought such a message to us before. To be told by Almighty God, Himself, that Islam is our own true religion, and to raise one from among us to teach us all, is without a doubt scripture being fulfilled. Islam is the "Supreme Wisdom" and it is the condition of

clean the filth found among white people while in the hills and caves of Europe after being exiled out of the Holy Land (Garden of Eden, according to scripture). The hog was never designed to be a food, not even for white people, but being defiant, they dove into the hog without (cont' on pg 3)

Power, Light and Life,

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

In his book titled "Supreme Wisdom", Volume Two, on page 79, Messenger Elijah Muhammad teaches us on some of the many values or attributes of Islam: **power, light and life**. The dictionary defines **power** as "the position of ascendancy over others: AUTHORITY".

Messenger Elijah Muhammad states some Black people doubt that Islam has power. This is because they know not the power of Islam nor do they know the power of Allah (God), the Author of Islam. Power represents physical might as well as mental and moral

vigor.

Light, as a part of speech known as a noun, is defined as "*something that makes vision possible*" or "*electromagnetic radiation visible to the human eye.*" Light is also defined as **truth**. Messenger Muhammad states: "In addition to power, Allah is also the source of all light and life." In studying the science of **physics** we learn that light travels through the vast darkness of the coldness of space at a rate of 186,000 miles per second. This light originates from our Original Star (the Sun). This light travels some 93,000,000 (ninety-three million) miles and takes, on average, *eight minutes to reach our planet, Earth*. Messenger Elijah Muhammad also emphasizes the **Light of Allah** is brighter than our present day sun.

Life is defined as "the quality that distinguishes a vital and functional being

from a dead body or inanimate matter". Again, we must remember that Almighty God, Allah, is the Author of Islam. Thus we can rightly conclude that Islam is the Original religion of the Blackman. So if it is life that we want, we can get it by accepting Islam, the religion or the way of life that began some 78 trillion years ago and has a recorded history of 76 trillion years.

In light of all of this and more, all Black people in America should rejoice at this good news that guarantees our salvation. In appreciation we say; All praises are due to Allah (God), Master Fard Muhammad, for coming to North America and finding and raising from amongst us His Divine Leader, Teacher and Guide, the Most Honorable Elijah Muhammad.

As-Salaam-Alaikum.

which has been foretold. Scripture is indeed being manifested. We can now read, see and witness events that mark the end times for the present world that has been under the rulership of the made-man brought forth in the Book of Genesis (Gen. 1:26). Since we have been made deaf, dumb and blind to the proper interpretations of scripture, we have believed that we have had not part not place in any of the writings found in any books of scripture. We have been written out of the histories of scripture. We were truly a people lost from self, kind, and time. But today, we are

being awakened, "The Sleeping Giant" is returning to his own. "Islam, The Supreme Wisdom" is the salvation of our people. It is light and life for us, but we must accept it in order to benefit from its great wealth. The Blackman is the original man of the planet. All other people come from him. All truths are now being made manifest as the end of the white world comes. All praise is due to Allah, Master Fard Muhammad, God in Person. Scripture is being fulfilled and we are happy to know that Allah has given us a Divine Leader, Teacher and Guide, the Most Honorable Elijah Muhammad, who gives us this Supreme Wisdom, "Islam." As-Salaam-Alaikum.

As Long As You Stay Asleep

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Being asleep, undoubtedly, has great mental and physical advantages-rest. However, being asleep symbolically has near catastrophic consequences with regards to the so-called Negroes in America. For the followers of the Honorable Elijah Muhammad, we recognize that "being asleep" has us blind, deaf and dumb to the knowledge of ourselves and to our arch-enemy, the devil or white man. His time of rulership (6,000 years) can only continue as long as we (so-called Negroes) are dead to

ourselves and our enemies (white people). Messenger Muhammad has given us a thorough knowledge of what we need to know to shorten the devil's reign or rulership over us. When we hear, we must obey—our success and survival depend upon it. Our instructions have been tried, tested, and proven beyond a shadow of a doubt to be 100% accurate. What more can a blind, deaf and dumb people ask for? All that we have asked and yearned for (freedom, justice and equality) are within our reach and we only have to heed divine instructions in order to achieve what has seemingly been elusive for over 400 years.

Allah (God) declared the devil's time to be up in 1914. From 1914 to 2011 should have by now been

sufficient to seal the devil's rulership and assure no further time of rulership. However, due to love and belief in his wicked lifestyle, he (devil) continues on with "business" as usual. Let us join on to our own kind, hear and obey, and bring closure to the devil's wicked reign of worldly terror.

As-Salaam-Alaikum.

caring that it was not to be eaten. Being a people who are "Devils" and, opposers to the "Original Man" and his way of life, they are defiant by nature. Moses was sent to teach them (raise the serpent in the wilderness) and make them fit to have an exchange with the civilized world. They are called Caucasians which means that their evil effects are not confined to themselves, but effect others as well. They have influenced the world to follow them in their evil ways and habits. The book of Isaiah 66:17 speaks of

them eating swine flesh and the abomination, and the mouse being consumed together. Follow not in the ways of our open enemy, especially in this day and time for this is the today of our Lord and we are being prepared to rule our Earth once again and forever. The hog is not a food, nor was it made to be eaten. In the Book of Leviticus (Bible), Chapter 11 teaches of that which is forbidden for us to eat. Study it and eat of those things that are good for us. Eat to live and not to die. As-Salaam-Alaikum.
