## Present World Is Against The Truth by Bro. John X

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Most Honorable Elijah Muhammad.

As-Salaam-Alaikum.

Why would a world (civilization) such as the one in which we live be so adamantly opposed to the truth rather than rightly and/or righteously uphold and defend it? Certainly,

America has been blessed beyond her wildest dreams. Power has a tendency to not only attract but corrupt, and of course America is the prime example of corruption at its best.

Scripturally (Rev. 12:2) it is stated, "And the dragon (the devil) stood before the woman who is pregnant (the Messenger of Allah, bearer of the life-giving Truth), to devour her child (to hinder the truth from being believed by the people of

The Honorable Elijah Muhammad Messenger Of Allah

the Messenger) as soon as it was born." We who follow and believe Messenger Muhammad's teachings know who and what the devil is. We are definitely in the devil's world, but not of it. Laying (cont' pg2)

## The Faithful's Mark by Bro. Hakeem Muhammad

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

"The Faithful's Mark." How many times have we heard this reference to those who bear that mark on their foreheads from prostrating in prayer? Yes,

it is true, the mark is present on Muslims from prostrating on prayer rugs or rough surfaces. However, in this day - ("The Last Day") the Messenger of Allah has informed us that all Muslims who are of the faithful will not display such a mark on their foreheads. Why? Because the positions of prayer today, as directed by Messenger Muhammad, don't require prostrating as a posi-

tion for prayer, as we are being introduced to a New Islam. This new position of prayer, which is standing, has been chosen for his followers here in the Hells of North America. Even though some do prostrate for prayer and may display that mark on their foreheads you will not obtain a mark on the forehead from a standing position. The Muslims who follow (cont' pg3)

## *Life of This World: Sport and Play* by Bro. Kamau Islam

In the Name of Allah, Who came in the Person of Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

This subject matter is addressed by Messenger Elijah Muhammad in his book titled "Supreme Wisdom, Volume Two," on page 29. Before the coming of Allah, Master Fard Muhammad and the missioning of His Messenger, the Honorable Elijah Muhammad, we had no idea that there existed a world of sport and play. Before learning of Islam many of us took part in the white man's various games of sport and play. However, never did we know that his entire civilization was one of sport and play and that this is what his life actually was and is actually centered around.

We once were blind, but now we see.

All praises are due to Allah (God). Since learning this truth from the Honorable Elijah Muhammad we now know why our people who are caught up in the devil's games can never get ahead in life. The white race lives by a science of tricks (tricknology). They delight in *flipping* real estate, they *juggle* interest rates, they maneuver their own rules and laws to favor their own selfish interests, and they just out-right lie to the Original people of the Planet earth.

Here in the aforementioned article, Messenger Muhammad writes that the white man's world of sport and play has attracted and is still attracting members of the Righteous (Nation of Islam). The devil's influence has effected our people for some six-thousand years since their making by their father, Yakub. Here of recent years, their influence has greatly increased.

As Planet Earth travels through various motions at a speed of 1,037.33 miles per hour, making a complete revolution around the Sun in 356.25 days, we have been *retrogressing* as opposed to *progressing*. The Scientist who saw the coming in of the world of the white race described it as a world of darkness and the people of the newly made civilization as "that". We have no knowledge of anything else in creation that has been identified with such a lowly title. The Bible in Genesis 3:1 states: "Now the serpent was more subtil (subtle) than any beast of the field which the Lord God had made..."

Messenger Elijah Muhammad gives us the divine solution to this predicament we find ourselves in, as white people house us in their civilization. He states: "turn to Allah, my people, for there is no God but Him, and He will turn to you and protect you from the evils of this world."

## *Present World Is Against Truth* cont' from pg1

hold to these truths prevents us from being devoured by his infernal civilization (in it but not of it).

Regrettably, many so-called Negroes have succumbed to the devil's enticing, inviting, seductive and alluring lifestyle (death style). For them is a distressing, sorrowful, painful, lamentable, deplorable fate.

Messenger Muhammad continues to exalt our people (so-called Negroes) to "Turn to Allah, for there is no God but Him, and He will turn to you and protect you from the evils of this world." As-Salaam-Alaikum.

## *Destruction Of The Present World by Bro. Hakeeme Muhammad*

In The Name of Allah, Master Fard Muhammad, and in the name of his Last Messenger, the Most Honorable Elijah Muhammad. As-Salaam-Alaikum.

The destruction of the present world of unrighteousness is at hand. Scripture informs us that this day was coming at the end of the world and we see the signs of that end today. The Messenger of Allah also informs us that the elements are in place to bring about a complete end and removal of the world of the made-man (white race). Allah is building a new world of righteousness and uses nothing of the devil's world to make His new world. The

Honorable Elijah Muhammad teaches us in his book ("The Fall of America") that Allah is making all things new. Everywhere we look we see the destruction of this world (falling and failing). The downward spiral involving wars, economic downtrends, political trickery, financial failings, job losses, food shortages, housing foreclosures, crime increase, failing international relationships, etc. are all signs of the fall of America. Scripture states that Allah will use hail, rain, wind and earthquakes to bring about the destruction of the world of the unrighteous, but to completely remove this world in addition to these listed weapons, Allah has also prepared a special weapon to remove this unrighteous world-root and branch. This special weapon is known as

"The Mother Plane." This specially built plane has been seen in the skies along with its smaller planes that are oft-time referred to as flying saucers. These are its booming planes, which number 1,500 and each carries three bombs that are to be dropped on earth from a height of one mile. Each boom will drill into the earth to a depth of one mile, explode, and cause a mountain to rise one mile high, killing everything within a radius of one mile. The destruction and removal of the present world is at hand. Visit a Muhammad's Temple of Islam to learn more about the ending of this world. Our salvation is with Allah in Person, Master Fard Muhammad and His Messenger. Join on to your own and be not apart of the destruction of this present world. As-Salaam-Alaikum.

*"...This day have I perfected for you your religion and completed My favor on you and chosen for you Islam as your religion;..." (Holy Qur'an 5:3)*

## *The Faithful's Mark*

the teachings of Prophet Muhammad were taught to prostrate and it is still the practiced position during prayer. Islam as taught in the East accepts all believers, both black and white. Even though both may display the forehead mark from prostrating, and both may be rewarded according to their righteousness, Allah has informed His Messenger, Elijah Muhammad, that all with the mark will receive the same rewards, but only up to a point. The righteous are marked by their righteousness (nature) as is the wicked marked by their acts. It is true that you can't serve two masters. Today it is being made clear as to who is who. We

must accept this truth. The Messenger of Allah, the Honorable Elijah Muhammad, is raised by Allah, Himself, to make known to all that this is the day of separation, and to make known the means to distinguish those who have the Faithful's Mark even though it may not be visible to the naked eye. The true Faithful's Mark is embedded in the nature of the righteous (the original black family). This mark of faithfulness is now recognized by both parties - the created and the made. One by nature, the other by acceptance, in order to gain a heavenly state for a short time. The coming of Allah in Person today brings about a universal change and ends the

rulership of the devil (white race). The Faithful's Mark is heard today, more so than seen, in the recitations of those who have accepted and follow the teachings of Allah (God), Master Fard Muhammad and His Last and Greatest Messenger, the Honorable Elijah Muhammad. The earth belongs to the righteous and the true Faithful's Mark can only be worn long term by the truly righteous. All praise is due to Allah for the Most Honorable Elijah Muhammad. He is the fountain that Allah has placed in the House of Israel from which we should drink and be filled with that which is the Faithful's Mark (words). As-Salaam-Alaikum.
