In the Old Testament in the Bible the Prophet Daniel (Dan. 5:25-27) gives the interpretation to King Belshazzar of the dream that plagues him. In summation Daniel tells him that God has numbered his kingdom and it has been found

follower recognizes that you can never learn too much, but understands that a higher course of understanding starts from a basic foundation. We attend Temple Services, F.O.I. or MGT-GCC classes to be taught in depth concerning the Messenger's teaching as given by him from Allah (God) Himself. The Messenger

encourages his followers to *listen, read, study and remember*. You will not know his voice if you are not listening to his recordings (Theology of Time, etc.). Read his books such as Message To The Blackman In America, Our Saviour Has Arrived, etc. Pray, study and remember lessons, rules and laws. Mere belief (*cont' on pg 3*)

It is important, as a follower of the Honorable Elijah Muhammad, to understand the study of Divine Wisdom. A wise

## *Recognition And Respect* by Bro. Hakeem Muhammad

In The Name of Allah, Who came in The Person of Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

How true is this statement? "The Whiteman's religion (Christianity) has absolutely failed to get recognition and respect for us (the so-called Negroes—now known as African-Americans). It has failed to get us recognition and respect even from those who *taught it to us*". If one gives serious thought to this question, the answer is, very true. We are a people who have been broken, degraded and whipped by the white race to the degree that we have long forgotten our own true identity. We have lost the knowledge of self and all that this entails. Our true religion and God-knowledge also has been lost. Our own

religion has been replaced, as have our names and way of life. We have been drowned in the religion of our slavemaster's (Christianity) and have believed it to be the religion of God. Our belief and practice of it has proven to be of no real benefit to us. We try to live by the teachings of it and find that those who have taught it to us ignore every principle and command that it represents. Trying to be good Christians without real knowledge of what this religion is futile. Its teachers have never exposed to us the lie that it truly is, so we continue to practice what they teach and we find that we fall way short of gaining what they claim as its benefits. We continue to be mistreated, disrespected and alienated. Why should we be trying to get close to or join on to the White Race in this day and time? We are not taught a real understanding of scripture from these people. We are left questioning their teachings and left without answers or the proper understanding. We

refuse to listen and follow the Messenger of Allah, the Honorable Elijah Muhammad, as he gives us clear proof that they are our open enemies. They will never give us a true understanding of their religion (Christianity) as it is designed by them to keep us in a condition of hell. If we would take a moment to listen to Messenger Muhammad, we would immediately begin to wake up from this dead state of mind that the white race has put us in. Respect and recognition is not something given, but something earned. As long as we follow the white race's program for us, we will never get respect and recognition from him or any other people on the planet. Look at us, look around our neighborhoods, look at our actions and how we conduct ourselves. Do we need to make a change? Yes we do! Come to Muhammad's Temple of Islam and enjoy that which we are truly due. Here we are guided to freedom, justice, equality, respect and recognition.

on similar footing. America is being destroyed by Almighty God, Allah, as He uses the forces of nature - rain, hail, snow, drought and earthquakes. The Messenger also teaches how America refuses to refrain from her evil, especially her mistreatment of her captive prey (the so-called Negroes or African-Americans).

The Honorable Elijah Muhammad declares: "By no means will you (America) escape the Judgment. You have made mockery of Him, God, and His

people and His word, the truth."

In spite of these Divine warnings, America rebelliously drags along as she increases her evil practices and invites others (especially the so-called Negroes) to join her in these non-Godly practices. The father of the white race, Yakub, endowed them with the grafted science of tricknology and they intend to get the maximum use out of it. These tricks, such as civil rights, so-called democracy and the Christian religion, continue to fascinate Black people in America. It is tragic

that we accept these tricks while rejecting Peace (Islam) which is Divine Guidance. As-Salaam-Alaikum.

## ***God in Person, Not a Spirit!***

*by Bro. Hakeeme Muhammad*

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

We are taught by the Messenger of Allah, the Honorable Elijah Muhammad, that the Supreme God, Allah, is a man. According to the Bible, Gen:8-11, Habakkuk sees God coming through the lineage of Teman, grandson of Esau, who was father of the Edomites in Seir. These are men who walked, talked, ate, lived and died - not spooks, spirits or some invisible and unknown beings. Being so, one has to conclude that God must be a Man as well. Now, if the prophesy of Habakkuk is true, then he was talking about a man. He goes on to say that the Holy One was seen

coming from Mount Paran which is located somewhere in Arabia. Now, both the Holy One and the Mount are physical. Nothing immaterial is being referred to but, it is all physical matter. Here the Bible makes a difference between God and the person who is called the Holy One. For this Holy One, glory covered the heavens and the earth, and the earth was full of praise. The Messenger informs us that it has been a long time since the earth was full of praise for a Holy One. He states that even to this day people do not care for holy people and will persecute and kill a Holy One if God does not intervene. In the fourth verse of the above chapter, it makes reference to the power of the Holy One and the hiding of it. Such science, if used to represent God's power, could confuse the ignorant masses. Here, two Gods are being represented at the same time. It is

good that Allah has made Himself known today so a clear interpretation of these verses can be understood. The 13th verse clears the way for understanding as it shows that this Holy One is none other than Allah, in the Person of Master Fard Muhammad, Who comes for the salvation of His people, (the lost - now found so-called Negroes here in the Hells of North America) with His Anointed, the Honorable Elijah Muhammad, whom He has raised to give life to the dry bones (Negroes). He gives them the truth of all things and restores them to their rightful place as the head and not the tail. It is Allah who is the Son of Man, The Mahdi who shines the light of truth which is brighter than the sun. He reveals our true enemies (the white race), and returns us to our own. As-Salaam-Alaikum.

accounts for nothing unless carried into practice.

Unlike Christianity, in Islam you are expected to divest yourself of the devil's habits including lying, drinking alcohol, using drugs, eating divinely prohibited pig products and other foods that are not prescribed. Structure, as taught, is to our benefit in our daily lives. We are taught to think for self, do for self and live righteously. Stop procrastinating and listening to others that lead you astray, in-

cluding friends and family.

The times we live in warrant Divine intervention. The predictions of the Prophets are now coming to pass. The scientists of America know that America is on its way out. There is no law and order, only clear signs of its downfall. It is the heaven for every unclean and hateful bird as spoken of in all Scripture. Hurry brothers and sisters, our future is at stake. Fly to Allah and His Messenger at once.

As-Salaam-Alaikum.
