## The Judgment of America

by Bro. Kamau Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

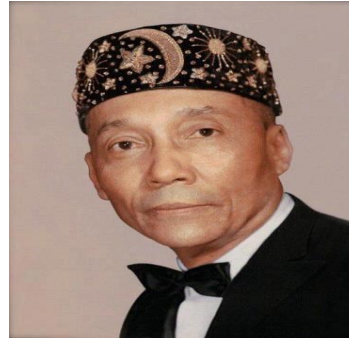

**Judgment of Allah**". This chapter explained some of the many evils committed by America against her poor so-called Negro slaves (the Blackman and woman), and her (America's) evil way of life that greatly offends all civilized and righteous people of the earth.

What are the atrocities that have been committed by America (the USA) that guarantee her divine judgment from Almighty God Allah? Why is a country that is less than 300 years old now on its way out of existence?

In his book titled **The Fall of America**, beginning on page 154, the Honorable Elijah Muhammad writes: "**America Surrounded With the**

Messenger Elijah Muhammad teaches there are many references in both Bible and Holy Qur'an which describes the doom of America. The great judgments include, but are not limited to, rain, hail, snow and earthquakes. They will also experience confusion in the head of their government

as well as pestilence and raging or roaring winds.

This and more will continue to befall America because of her past, present and planned future atrocities against Allah-God's chosen people - (cont' pg2)

## Separation Is the Answer by Bro. Hakeeme Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Original Blackman is Allah in person who was created out of the darkness some 78 trillion years ago. His separation keeps himself in his strongest self by

keeping the brown his germ in check. The two different germs (Black, Brown) are two different thoughts as well, as been proven with the making of the white race. This race of unlike people was given 6,000 years to rule in a manner that is outside of the divine way of the original people. The Honorable Elijah Muhammad said that we cannot live in peace together

and separation is the only way to have any peace. We should have some of this land to call our own while putting the our economic program into action. We came with the creation and we must now teach our own, for judgment is at hand and separation is a must. we all are not the same. You cannot teach a cat to be a dog, they are different by nature. This also true of (cont' on pg 3)

## *The Day of America's Downfall* by Bro. Hakeem Muhammad

In The name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

As the Devine Judgment of Allah nears, we are reminded that America is the first of the white nations that will be destroyed. Because of her ill treatment, misdeeds and her wicked deeds that have been, and are still being performed by white America upon the so-called Negroes (their slaves), has been the worst conducted upon any people in the annals of history. This mistreated people are Allah's chosen. All of the European counties are on His list, as is, all white peoples

on the planet, but America is number one. The white people of America have been clever enough in their wickedness to make the so-called Negro slaves love them who are their open enemies, and hate their own black brothers and sisters. Allah is now tallying America's deeds and is causing America's fall as it was done with Egypt, under Pharaoh. America is the Mystery Babylon the Great talked about in scripture. Its doom is sealed and there is no forgiving to be done. The die has been set and her fake is casted in stone. The Black people of the earth are awakening to the fact that the made white race is the enemy of all Black people including the Brown, the Red and the Yellow. We see

today, that the created darker people all over the earth are awakening to the truth. The white race is a race of devils, and have no love for the created people of the earth. We cannot expect to ever receive any fair treatment or justice from them. They only desire is to deceive, mis-treat and kill the original. This is their nature (beat, beat, kill, kill). Know assuredly, that their time on our home (Earth) is surly coming to an end. She has lost the friendship with every black country and nation on the planet, due to her lying, cheating and deceitful ways. We look forward to America's fall and removal. Today would not be to soon. As-Salaam-Alaikum.

the so-called Negro or African-American. history proves that America has not only captured and enslaved our poor Black people for over 400 years, she still refuses to let us go free. America has robbed and spoiled our poor people and works day and night to keep us in this wretched condition.

Allah-God's Messenger, the Honorable Elijah Muhammad, has worked over 40 years,

providing us with the life-giving teachings of Islam. He has even guided us in this way of salvation. America, in her constant devilment, continues to trick her contemporary Black slaves to stay with her, and she employs them to join her in fighting against Allah, His Messenger and all of the other Righteous. This guarantees the total destruction of this wicked people. As-Salaam-Alaikum.

***All teachings of Islam are not for the Blackman and woman of America. Only the New Islam from Allah's Messenger, the Honorable Elijah Muhammad. These are our only salvation, this is an actual fact.***

## Can America Exist?

by Bro. John X

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The word “can” is generally used for both “permission” and “ability”. In America’s situation, both apply equally and run their course, much to the chagrin of all who know “her”. The very thought of America’s “track record” speaks volumes about her sordid history. As for her existence, how much can one expect, or how “little”? Only her executors know for sure.

Messenger Muhammad teaches us that Allah caused people from all nations of the earth to come to

America. Though they sought a heaven and or haven in her (America), they who came were evil too. Therefore, America has become a house filled with evil practices for every member to partake or take part. Nevertheless, she had and has been blessed in abundance with her great storehouse (harvest) of food and an advancement into the mechanical (technical) knowledge backed with her great wealth in and of silver and gold.

However, as it is written, with all of her (America’s) evil growth of wealth and power, the axe of justice was laid at this prosperity’s root and the Nation’s authority to be used by the Holt One to put a stop to her (America’s) evil practices/injustices to the righteous.

For so long, white America’s have found continuous freedom in the beating and killing of their once slaves so willingly that the practice has continued day and night on account of the very absence of the law of justice for the Blackman in and of America.

Permeated throughout civilization is the freedom and right of white America not only the right to bear arms for “self defense” but to willing kill innocent Black People with malice aforethought.

However, let the scripture passage resound high as the rolling sea: “As thou has done, so shall it be done unto you”. America will pay-dearly. As-Salaam-Alaikum.

people. We must know and be ourselves. We need land to grow our own good food, land to raise clean land meat, clean water for fish. And equally important is that we marry only to our own kind. We are God’s chosen people and intermixing is not a part of the program for our continued success. Know self and love self and kind. We have been following the made-man (white race who is the real Devil) and his way of life. This path that we have taken hold of is the trickery of this race and their religion, Christianity which is headed up by the Pope of Rome has taken us far from our own true natural path (way of life, Islam). God is not

a spook or spirit, but a man in reality who has come in the person, Master Fard Muhammad, Who is present today filling scripture as foretold. He announces, as it is stated in the Holy Bible, (Rev.18:4,5,6) “Come out of her (America) ye my people...”. Allah is giving us a limited time to separate from our and His open enemies so that he can bring about their destruction for all of the apostrophes that have befallen our people. He has declared that those of us who choose them (white people) over Him, He will fill hell with them all. Separation is the answer.

As-Salaam-Alaikum.
