The Choice: God or The Holy One by Bro. Kamau Islam

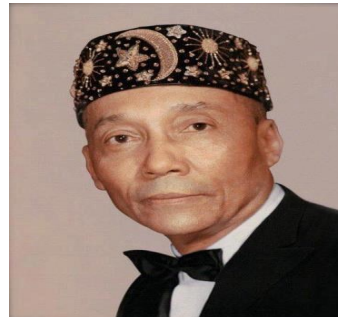

In the Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Readers of both Bible and Holy Qur'an may be familiar with writings that pertain to God, and to Satan (the Devil); however, the deceitful leadership of this world, the white race, gives no clear explanation of

either. Our divine leader, teacher and guide, the Most Honorable Elijah Muhammad teaches us in a manner in which we recognize both - in reality.

According to the Book of Revelation in the Bible -1:7 *all eyes shall see Him as He is (God)...* However in this same Bible in Second Thessalonians 2:3-4, it states *the man of sin (will) be revealed and opposeth and exalteth himself above all that is called God, or that is worshipped; so that he*

Get Knowledge to Benefit Self by Bro. John X

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Messenger Muhammad's followers always know he is and also has been for the acquisition and the acquiring of

knowledge. With all of the brain power amongst our people, why has this knowledge been so elusive? What is the "fear factor" involved? Is there fear of that word "self" that causes our people to stall? The Messenger states, "the lack of knowledge is a prevailing condition among my people here in America". Imag-

ine that!! Here we are in 2018 still indecisive about going and doing for self. The Messenger further states that "knowledge of self makes you take on the great virtue on learning".

Getting an education should benefit one's own people and not add to the storehouse of "other people" - and we know who they are. Our (cont' pg 3)

The Dead are Rising

by Bro. Hakeem Muhammad

In the Name of Allah, in the Person of Master Fard Muhammad, and in the name of His Last Messenger, the Most Honorable Elijah Muhammad. As-Salaam-Alaikum.

Messenger Elijah Muhammad, the one chosen to restore the so-called dead (American Negroes) to life is doing just that. Those of us who have yielded to his instructions are truly rising from that mentally dead state that we have been put in by our open enemies (white people). Many of our people believe that our lives can't get any better, yet we are aware that our lives need improvement. We have been duped into believing that Jesus is the answer. We call on or pray in the name of Jesus, and get no answer or help. Perhaps Jesus, as given to us, is not and must not be the

answer and this is true. We are so far removed from the knowledge and truth of self that when truth is presented to us, we can't accept it. We would rather hold on to the lie given by the white world. Do we not realize that our world (the Black World) existed long before the making of and giving over to the white race dominion for a short period of time? Messenger Muhammad's teachings to us is proof that God in Person (Master Fard Muhammad) has come and is making all things new. We read and study scripture, yet we fail to melt scripture and the events in front of us. Why, it is because our state of mind blinds us. We are waiting on a man who died 2,000 years ago to return to save us. Considering that you don't ready believe that a person who is physically dead will be returning

from that physically dead state will ever come back to life, then why hold on to such a belief? If a Jesus is coming to save you, then he has to come according to scripture, being raised from to a dead people and be a plain warner to restore them. They would be spoken of in scripture. What people have been lost, in a strange land, in service to a strange people for 400 years, afflicted, longing for freedom, justice and equality, with no relief in sight? Waiting on Jesus. No people fit this description more than the Blackman and woman in America. Scripture is being fulfilled. Blackman and woman, we are the so-called dead and who are now rising. Visit Muhammad's Temple, join on to your own. Learn the truth, and awaken from that living dead state. As-Salaam-Alaikum.

old world; however, the average person cannot discern what's going on since the Devil has classified both God and Satan (the Devil) to be spirits only. In the Bible in the Book of Habakkuk, in the Old Testament, Chapter 3, verse 3, **God came from Teman, and the Holy One from Mount Paran.** Messenger Elijah Muhammad teaches that this distinction alone should educate people to the fact that God is a **man**. Now, we must know which God to follow to be guided into Righteousness.

The Prophet Habakkuk leaves off his discussion of God and tells his readers about THE HOLY ONE.

The Holy Qur'an-Chapter 113 also makes a clear distinction, explaining where refuge and safety abounds.

The Honorable Elijah Muhammad, in his book titled Message To The Blackman In America, on page 7, states, **It has been a long time since the earth was full of praise for a Holy One. Even to this hour, the people do not care for Holy People....** Come to the Muhammad's Temple of Islam to learn more.

Consider this; Jesus and his mother are worshiped as BLACK people in Europe,

when they were moved across the Atlantic to the West, they turned White. Ask Why?

Peace of Mind and Contentment by Sis. Faye Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Have we, Black people in North America, ever known true peace and contentment? Our unending struggles are the result of mischief makers, also known as white people, who give us no relief from their wickedness. They are opposites of good, born to make trouble among the righteous. But, our Saviour, Master Fard Muhammad, God in Person, has arrived. According to the teachings of the Honorable Elijah Muhammad, He is "the most wise and powerful being on earth", (Supreme Wisdom, Vol.2 page 12, "The Great Mahdi"). He is

also the God of the Black nation and His focus is on us in North America because of our 400 year old history in this country. He (Allah, God) traveled far to restore the freedom, justice and equality that we enjoyed in our homeland of Africa before being taken by white people and subjected to great loss of self and of kind, our own culture and language. To sum it up, our way of life, Islam.

Before the coming of Allah from the Holy City of Mecca, Arabia to North America, in search of us the lost sheep in the House of Israel, (North America), we had been submerged in the white people's religion, Christianity. This religion or way of life is in opposition to righteousness, which is the very nature of Allah and His chosen, Black people.

It robs us of our heaven on earth while we live. It mixes truth with falsehood and we suffer on all levels imaginable. One thing worth noting about this religion is that it is not the Blackman's religion and we don't have to accept it. Our true happiness is only experienced in that which is ours, Islam, under the guidance of Allah's Last Messenger, the Honorable Elijah Muhammad. This gives us what we have been deprived of; the knowledge of self and our long awaited peace and contentment while we live. Leave Christianity, the Whiteman's made religion and accept Allah, His Messenger and our true religion, Islam. Here, true peace and brotherly love welcomes you.

As-Salaam-Alaikum.

being removed from mental and servitude slavery should be top priority and not being left in an inferior position and without a future. Islam, as taught by the Honorable Elijah Muhammad, comes as a systematic arrangement of proven facts and principles obtained through observation and experiment which produce ordered thinking. Because Christianity does just the opposite, the so-called Negroes are left lazy, careless, and a dependent people. Wise people do what is necessary for positive growth and development of their people and their nation.

Sadly, come (too many) of our people do not appreciate a

chance or any chance in their lives, though it may be for their own good. They doubt the authenticity of everything that does not have the Whiteman's seal of approval. Messenger Muhammad's brings the ultimate challenge: "Stand up and be identified".

We would be wise to remember God (Master Fard Muhammad) is only after us to make us an example for the world to be guided by. We are being given the tops of the Devine Wisdom and He wants to make us the greatest of all the people of the earth. The Messenger states, "I am for the acquiring of knowledge - as we called it - education. Anyone who does not

have knowledge of self is considered a victim of Amnesia or unconsciousness and is not very competent. As-Salaam-Alaikum.
