## *The Hereafter* by Sister Faye Muhammad

In the Name of Allah, Master Fard Muhammad, and His Messenger, the Honorable Elijah Muhammad. As-Salaam -Alaikum.

The Honorable Elijah Muhammad states that "We all look forward to a hereafter..." (Message To The Blackman, pg.303), when life for Black people will be worth living, enjoying freedom, justice and equality. The present world is not fit for us, the original man and wom-

an, to live in because it is ruled by our enemy the Devil, white people who were made to deceive and destroy us, the Righteous. Given six thousand years to rule, they have upset the balance on earth for all of its inhabitants, but there is good news. The Honorable Elijah Muhammad was raised and taught for 3 and a half years, night and day, by Allah (God), Who is the best Planner, indicating that something great was going to unfold for us. Our Messenger revealed

the white man to be a lair and that a separation must take place to bring about a change for our benefit. We should forever thank Allah for His steadfastness and choosing us as His people to be resurrected and saved from (cont' pg 2)

## *Regrets of The Doubters* by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam -Alaikum.

Sura 25, verse 27 of the Holy Qur'an verifies the regrets of those who wish they had taken the way of the Messengers

of Allah. They were doubters of the truths that were brought to them by the prophets and messengers of their time. Today, many of our people are also doubters of the message of truth brought to us by the Honorable Elijah Muhammad, who is the Messenger of Allah in our day and time. As it was with the people of Noah, the people of

Abraham and Lot, the people of Sodom and Gomorrah, those of Pharaoh, those of Moses, and the list goes on, all regretted not following the messages brought to them. Today we are faced with the choice, to believe and follow, or to be as those of the past who failed to make the right choice. Thus, so shall it be, in this day and time (cont' pg 3)

## *Make All Things New*

In the name of Allah, the Most Merciful. As-Salaam-Alaikum.

*"Behold I, [Allah], make all things new" (Rev. 21:15)*

It is necessary for me to consult or refer to the Bible for this subject. It can be found in the Holy Qur'an, but not in the same words as are found in the Bible. So, because this book is the one my people are acquainted with, even though they don't understand it, I must make them understand it, the book they read and believe in, since it is their graveyard and they must be awakened from it.

The coming of a "New World", or new order of things, is very hard for the people of the Old World to believe. Therefore, they are opposed to the New World.

It does not take a wise man to see the necessity for a new order or a new world, since the old world has fulfilled its purpose.

The Messenger informs us that

## *The Hereafter*

an evil, domineering people.

The Hereafter which can also be referred to as the Kingdom of Heaven is Divinely promised to the righteous (Black people), but we must qualify ourselves to enter it; a New World for the dutiful who hear, accept and obey Allah and His Messenger. The Honorable Elijah Muhammad delivers life-giving teachings that bring us out of mental and spiritual death and the benefits of the Hereafter now, while we live. It is the heaven that Christians are promised, after they physically die. Heaven for a Muslim begins upon acceptance of Allah and His Messenger (both must be accepted) where good homes, money,

the time of the Whiteman's made world's end is at hand, then we should be looking for the New World coming into being. We are given many signs that announce the end of the world of Satan and the coming of the new World of Righteousness. Even the preachers of Christianity speak of that day coming; however, they do not teach the truth of this in the manner that Messenger Muhammad has been given by Allah. Messenger Muhammad states that this New World comes in after the ending of the old world, as it is stated in Genesis 2:1- "Thus the heavens and earth were finished and the host of them." This is clear when properly understood. Messenger Muhammad says that our open enemies (white people) keep us away from truth and understanding in order to keep us close to themselves, which keeps us away from our true selves, our true religion and our real God, Allah. This true

friendships in all walks of life, peace, happiness, freedom, justice and equality are rewarded to those who humbly submit. As for white people, Allah will never allow them to enter the hereafter because the hereafter means after the destruction of the present world which includes the culprits (white people) who have caused mischief and bloodshed on the earth.

This is Allah's world that sits in His Universe. He never fails in His promise which means the Hereafter planned for us shall come to pass. He gives us the best gift, our life to live as Muslims who submit entirely to His Will.

As-Salaam-Alaikum.

knowledge is what sets us free. Our awaking is the death of the unrighteous world that was permitted to come into being in Genesis 1:26 - with the making of white people. The end of the white race and its religion Christianity is a blessing for the black nation and we should quickly fly back to our own religion (way of life) Islam, which means peace. We are now aware that our new world in on its way in and the enemy, white people, are doing all that they can to hinder our return to that which is our own. He knows that his time is up and is working to deceive us 100 percent. Our poor preachers work hard to aid them in their deception as they are fooled by the devils as well.

The Honorable Elijah Muhammad, the Messenger of Allah, may be insignificant in the eyes of many of our people, but he has the keys from God for our salvation. Fear not and seek refuge in the Lord of the Dawn. As-Salaam-Alaikum.

## Prayer and Position

by Bro. Kamau Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, The Honorable Elijah Muhammad. As-Salaam-Alaikum.

It is incumbent upon the God of any given period of time in human civilization to correctly instruct His Messenger, Apostle or Prophet pertaining to all things. For the past 6,000 years, during the rule of Adam and Eve (the white race), neither the reality of the Person of God nor of the person of the devil could be clearly revealed to the general public.

All Messengers and Prophets are instructed and/or guided by Allah-God depending upon the times, conditions and situations that exist, as how to engage in these probes or problems. Exodus 33:11 states that God spoke (spake) to Moses face to face as a man speaketh to His friend.

Some 1,400 years ago Prophet Muhammad Ibn Abdullah communicated with The Allah (God) of his time; from city (Mecca) to city (Medina) and from cave to cave. He didn't see the God, yet heard His voice—over a period of 23 years.

In lieu of all the aforementioned, some form of prayer service is always given by Allah (God) to His servant (Messenger) to convey to the people. Many services are later attached to or incorporated with rituals. Messenger Muhammad, in his book, *Message To The Blackman in America*, on pages 144 and 145, spells out the proper **prayer service and prayer position for the so-called America Negroes**. This also includes to whom we must pray.

He states: *The lost found joins the righteous in prayer for the first time upon their finding by Allah...He stretches forth his hand(s) while standing as nearest as a soldier be-*

*fore his captain, at attention...He now prays in the Name of Allah and not to a mystery god that he nor anyone else has seen, nor does such exist. Neither does he pray in the name of dead prophets. He now stands in the light and reality of Almighty God, Allah, Who appeared in the Person of Master Fard Muhammad....*

Our Messenger states the **TRUTH** that makes us free and keeps us free from both the madness of the Christians (praying on knees) and the Orthodox Muslim world (praying and prostrating on rugs). This clear interpretation is made possible by Allah, Master Fard Muhammad to His Messenger, the Honorable Elijah Muhammad.

Messenger Muhammad makes it known that *The Faithful's Mark* refers to *the righteous always being marked by his righteousness, as the wicked being marked by his wicked acts. The mark is the nature.* As-Salaam-Alaikum.

*If you follow me, then seek the way through me.*

### Regrets of The Doubters

according to both Bible and Qur'an, for those who reject the last one, who is the Last Messenger of Allah, in this day and time.

Messenger Muhammad warns us, if we and Orthodox Muslims reject the plain truths and warnings that are before us today, we do so because of our love for the enemies of Allah, His prophets, and His religion, Islam. They also reject His Last Messenger, the Honorable Elijah Muhammad, who is the truth bearer for us today.

Don't join them in their disbelief, their wealth and riches, intermarriage, and their sport and play,

it is all short lived.

The biting of their hands referred to in the above verse shows the intense grief for their mistake of accepting the false friendship of this evil and murderous white race. Those who today preach friendship and interracial marriage with our 400 year old enemies will say they should not have followed the way of this evil people. Verse 28 makes reference of them saying, "O woe is me, would that I had not taken such a one for a friend".

It is clear that these scriptural references refer to us in this day and time. We are living now, in

the time that prophecy is being fulfilled. Let us not be as those of the past who failed to see clearly that which is before them. Fly to Allah and His Messenger, quickly. We have a God Who is not a spirit or some unknown entity up in the sky somewhere, but is a "MAN" in our mist, here on earth. This is where heaven really exists (a condition of life while we live).
