To further explain this subject, the Honorable Elijah Muhammad, the Messenger of Allah (God), gives us scriptural references from both Bible and Holy Qur'an. He clearly makes known to us that the *sky*, which he refers to, is none other than

the *Firmament* that is spoken of in the first book of the Bible (Genesis 1:6-8), and that is what God called *Heaven*. Thus, Messenger Muhammad is teaching us that this (*cont' pg 3*)

The Coming of God and The Gathering of His People by Hakeem Muhammad

In The Name of Allah, Who came in person, Master Fard Muhammad, and in the name of His Last Messenger, The Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Honorable Elijah Muhammad, The Messenger of Allah, teaches us from Allah that we are living now in the day of the judgment of this world. He teaches that as we come into the knowledge of this time, we will experience a change. This change is a sign that The Judgment is at hand. The evidence that this is happening right now is the awakening of the Blackman and Blackwoman here in the Hells of North America. Never in the history of we, the lost-found, have we had one to come to gather us together as a nation to ourselves. This in itself is further proof that God, Himself, is on the scene. Not a spook God nor a God in some mysterious form but in reality, a Man. Why do we, the Muslims believe

this to be true? "Let us reason together," is what the Messenger asks in regards to what he teaches us in reference to God and the signs given in scripture regarding the time. Consider a few of the signs that refer to events which make reference to the Day of Judgment (the days in which we now live). There are many references. Here are a few to consider in quiz form:

1. There is a story of "Babylon" of yesterday and the activities that went on there, and a reference also to a "Mystery Babylon, The Great" that would exist sometime in the future whose activities would be greatly multiplied. Who fits that description today?
2. A people in a strange land amongst a strange people, being in service to another for 400 years. What people does this description fit?
3. Lost sheep in the House of Israel. What people are sheep-like in their nature and have no home in the land they live?
4. A Saviour would come from

the East to raise the dead (mentally dead) to life and He (God) claims them to be His people. What people are rising (awakening) today?

5. One who is raised from a dead people to be the Messenger of God to raise the rest. What person fits this position today?
6. His people will go in the names of God (Allah). What people are now reclaiming their own God and are now getting out of the devil's names?

As one contemplates these questions, it is easy to come to the correct answers and give deeper thought to many other scriptural references that shed more light on the times in which we are now living. It is important to know the time and become aware of the importance of a Saviour coming to us. We don't know the day nor the hour of the final judgment, but we certainly can read the signs of its presence without a doubt.

As-Salaam-Alaikum.

A Divine Saying of The Messenger of Allah
"A fool can always insult a civilized person, but a civilized person can't insult a fool because it is not his nature."

Allah Is Judging Today

The Messenger to put us on the right path of guidance. The Holy Qur'an 2:108 states, "O you who believe, enter into submission one and all, and do not follow the footsteps of the devil. Surely he is your open enemy." Prophets of God can only deliver the truth to

the people, but to make them believe, see, and understand it, accept it or reject it, this must come from Allah. The world of evil and unrighteousness has no base for Allah to make a new heaven or a new earth for the righteous. In the Judgment, everything will tell the

truth on itself. Today is the day in which the God of Justice (Allah) is judging all men and Nations.

The Truth and Our Mistakes

by Brother John X

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, our Divine Leader, The Honorable Elijah Muhammad. As-Salaam-Alaikum.

Truth is "that which is in accordance with fact or reality." A mistake is "an incorrect idea or opinion; an error of judgment."

Because the so-called Negroes have not been in accordance with facts or reality, their mistakes constitute *incorrect ideas, opinions* and finally, errors of judgment. Knowing all of this, Messenger Muhammad states, "I am not concerned with what the white race (arch-deceivers) believes in as a religion (way of life)." They are not my people nor are we their people, nor is our God their God." However, the Messenger emphasizes that the so-called Negroes will soon learn and recognize the truth, for the Author of truth is

with us.

The so-called Negroes are still yelling their lungs out over a dead Prophet (Jesus of two thousand years ago) who cannot and did not do anything for us but prophesy of us going into slavery and of God delivering us; and He was not even sent to us. The white race and their tampering with the truth of the Bible have poisoned the very hearts of our people against themselves and their own God. The Messenger teaches us that no one can unite the so-called Negroes in America without the *help of Allah (God)*. We must think of self-unity, and not love and unity with our enemies whom Allah (God) will destroy from the earth in the very near future.

In their (so-called Negroes) minds they are saying to the Messenger that Allah (God) does not want our enemies. They say, "We do not want Allah (God) nor His religion if our enemies are not accepted." Such ignorance makes fools of them; they love their ene-

mies in spite of themselves.

Today, the White Slavemasters are scared stiff from looking at the consequences coming to them for their deceiving the world of the Black Nation. They try to convince you that the church is Jesus' house where he has put his name and "the Gates of Hell shall not prevail against it." And remember what He said to Peter: "Upon this rock I build my church."

The Bible further says that Jesus said to Peter, "flesh and blood did not reveal it to me." *We never get Divine Truth* unless it comes through flesh and blood. But really the flesh and blood that will not reveal truth is the devil (white race). Such is fulfilled today.

As-Salaam-Alaikum.

The Great and Decisive Battle In The Sky

great decisive battle in the sky will take place right here on earth.

The *writers of scripture* (the Original Black Scientists of **The Circle**) and the *presenters of portions of scripture to be given civilizations-the Prophets*, always bring to the people unadulterated truth. Those who tamper with scripture (the white race or devils) who are referred to as the civilization of Adam and Eve, are constantly on the job to deceive anyone who seeks to get a clear understanding of any Divine Truth.

The deceitful and treacherous Theologians of this world work diligently to create more misunderstanding and misinterpretation so that the readers of scripture who seek truth will never see the light.

In the first paragraph of this chapter the Honorable Elijah Muhammad makes it plain what St. Luke 21:25-27 truly means. The wicked religious scientists of this white world would have the readers think that something of this magnitude will happen in the dis-

tant future and at vast distances from our home, which is the earth.

Messenger Muhammad teaches us all that is mentioned here will take place within the **LAW** (the land, the air or atmosphere, and the water) **on our earth**. To explore this matter further we invite you to purchase books and materials by the Honorable Elijah Muhammad and attend the nearest Temple of Islam under the guidance of the Honorable Elijah Muhammad. As-Salaam-Alaikum.
