### Present Self Returns To Original Self

by Bro. Kamau Islam

In The Name of Allah, Who came in the Person of Master Fard Muhammad, and in the name of His Last Messenger the Most Honorable Elijah Muhammad. As-Salaam-Alaikum.

**Man.** The Honorable Elijah Muhammad teaches us from Allah, Master Fard Muhammad, that in order to become unified for salvation, we must "accept our own and be ourselves." All black people who attend a Temple of Islam under the guidance of the Most Honorable Elijah Muhammad immediately become candidates for Black Unity and Black Salvation.

The Honorable Elijah Muhammad  
Messenger of Allah

"Therefore, if any man be in Christ, he is a new creature; old things are passed away; behold, all things are become new. (Bible 2Cor. 5:17).

Messenger Muhammad teaches us that the *Christ* was born in 1877. He is in reality Allah, Master Fard Muhammad; and He is also referred to as the *Mahdi*, and the *Son of*

Upon entering a Temple Meeting one is taught in such a manner so that he or she can properly choose between future salvation or continued (current) damnation. A serious student of the teachings of Islam as taught by Messenger

Elijah Muhammad will pursue this course of study and eventually choose to become a member of the Nation of Islam.

In Orientation Classes, in Islam, the Black man and the Black woman learn the knowledge of the Original Man. This is very import-(cont' pg 2)

unite". How and Why is this possible? This is being manifested daily by Divine power of Almighty God, Allah, to save all black men and women from the destruction of our open enemies; Christians-(white people).

Our poor black people constantly ask what is the cause of our lack of unity? The answer is Christianity, which is the false religion that our people are educated

into daily. This is the real cause of our lack of unification. They and their false way of life have destroyed and are still destroying our love for self and kind so deeply that we hate and refuse anything and anyone righteous for us.

The Messenger teaches that Christianity is the most perfect slave-making religion, education (way of life), because it robs us of a thorough knowledge (cont' pg2)

## *Come Under The Crescent of Islam* by Bro. John X

In The Name of Allah, Master Fard Muhammad, and His Last Messenger, The Honorable Elijah Muhammad.  
As-Salaam-Alaikum.

Messenger Elijah Muhammad advises us (so-called Negroes) that first of all, we will never be able to live as we desire-in freedom, justice and equality-until we are in our own religion (Islam). Whatever profession or trade we may have, we must do something for ourselves and our kind and choose for ourselves the one religion of Islam under the guidance of Allah's Messenger, The Honorable

Elijah Muhammad. Islam alone will secure for us the favor and protection of Allah, and universal Brotherhood. Islam is the religion of peace and security. So, why aren't we accepting our own natural religion as our religion?

We are a Nation within a nation. Don't we want respect as others? We must first respect ourselves; only then will others respect us. Never have there been a people on the planet (Earth) who were enslaved and yet loved and worshipped their Slavemasters, as we the so-called Negroes who live under the very shadow of death in America, and still love their open enemies (the devils).

The Messenger admonishes us to give up our differences and unite as one Nation (Islam). One of the chief purposes of Islam in America is to bring about the unity of our people. Our unity is an aspect of the Coming of Allah (God) along with the judgment of the world. There is nothing our people need more than unity. Unity is a greater force than any weapon the devils can produce. Let us unify under the Crescent and Star of Islam and be one people at peace with each other in our own Nation, under our own flag, and have freedom, justice, equality and independence apart from our enemies.

ant for the unification of all Black people, for it gives us real identification so we will know our true selves.

The disoriented *present self* of the Black man and Black woman of America cannot unite based on the many confused identities, and the perfect slave-making religion (Christianity) that white America forced on us immediately after releasing us from chattel slavery. Our Original Self is the standard (in principle) that has guided us since the beginning of Creation some 78 trillion years ago. Messenger Muhammad

teaches us from Original Self we have identity of the Asiatic Blackman and the Blackwoman (Second Self). Some 50,000 years ago we began to allow the weaker of self (Brown, Yellow and Red) rulership, and 6,000 years ago we made and permitted the rule of non-self (the white race).

Without a thorough knowledge of all of the aforementioned the Blackman and Blackwoman of America cannot unify, for progress and salvation, to enter the hereafter. We invite all of our people

who are descendants of those who are current victims of the (White) Western world's slave-making genocidal process to come to Muhammad's Temple of Islam to learn all the facts and the details of our predicament.

Then, and only then, can we learn to abandon the chaos, confusion and mayhem that is representative of our *present self*, and return to the Divine way that truly represents our *Original Self*.

As-Salaam-Alaikum.

of self and kind, which is the worst robbery that anyone can be robbed of. It deprives us of our freedom, justice and equality, which divides us and keeps us as prey at the hands of our open enemies-Christians-Devils, to live like Lazarus and the Prodigal Son (St. Luke: Chapter 15). It compels our people to a mockery that even the so-called or professional leadership class of our people are

disgraceful to civilized nations throughout the world.

Yes, my sisters and brothers, the teachings of The Messenger from Allah enable us to desire our own Islam, and to desire our own Holy names. Islam is our real religion,-education-way of life, which will truly unite us, for it teaches a thorough knowledge of self and kind, God and the devil, self pride, self-interest and

self-independence. It enables us to desire some land and country of our own governed by our Supreme rules and laws of the Universe-Freedom (Sun), Justice (Star), and Equality (Moon). Allah intends for us, His people, to have true Unification - Islam!

As-Salaam-Alaikum.

## ***Unity, The Key To Our Success* by Bro. Hakeem Muhammad**

In The Name Of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

How many times have we heard the expression, "A house divided can't stand" or "Together we stand, divided we fall?" These accolades make reference to the effect of division amongst people. Here I speak, not of people of different races, but of a particular people of the same Nation who are members of the aboriginal family of the earth. These are people who have been so far remove from their original selves that they know not who they are. This people is none other than the once so-called Negro, the black man and woman in Amer-

ica. Allah, Master Fard Muhammad, has come and raised one from among us to teach us the truth of our God, ourselves and our camouflaged enemies. Yet, many of our people refuse to hear or adhere to these teachings from His Messenger. Fear of the now known open enemy (white race) plays a major part in the avoidance of, or lack of commitment too, and/or admission to the truth this message brings forth. We cannot, however, dismiss the facts that are before our eyes. We cannot stand by watching, waiting, hoping or praying that our situations or conditions will improve just because we are being permitted to intermingle or integrate with our open enemy. This is not freedom. Almighty God (Allah) has come to fulfill that which has been prophesied. This means that the destruction of this world and its host is

imminent. It is not for us to perish with them unless we choose to perish with our enemy. The choice is ours. But, we must come out of their world and join onto the New World that is being introduced to us by Allah's Messenger. We must follow his plan and program to be resurrected, unified, and saved.

Now it is up to us to do for self moving forward in unison. This does not only apply to the Muslim followers, but to all black people, particularly us here in the Hells of North America, the so-called Negroes. Let us fly quickly to Allah, Master Fard Muhammad and His Messenger. Our time is now, but only those who are joined together under our own flag, religion and nation will have success.

As-Salaam-Alaikum.

## ***Unify In Righteousness***

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

When looking at the day to day happenings-the world seemingly would not know that a Saviour has arrived. The majority of people indulge happily doing what they do in unrighteousness. The cost of a pack of cigarettes is atrocious; however, a greater number of our people are still smoking, and the number is rising even though it is harmful to them. These days liquor stores are open on Sundays, allowing us to "get our drink on" seven days a week, creating a harmful vice. The open air drug business is booming and many

buying to keep the high while others use them to cope with life's trials, but this too is harmful to us. Retaliation toward those who try to protect their property and themselves is swift for calling the police about such incidents. Our disrespectful males, young and old, indifferently parade around with their pants below their buttocks, no shirts, displaying dirty, dingy underwear and using foul, filthy language without regard to any persons around them. Our females in their various groups are no better. They, too, are half naked in extra tight clothes exposing fat rolls and cellulite. The main conversation, with explicit language, revolves around their baby's daddy or daddies, in some cases. No matter which city or state, the same scenes are abundant. Some even bring the same manner of dress to church. The

preachers are condoning indecency with women coming in dresses that look as though they just left the club showing more thighs than dress. The preacher is one of the greatest obstacles to the way of truth while teaching Christianity. He will not accept the truth of Islam as taught by the Messenger of Allah and so, stands in the way of the masses' salvation as he works for increased favor from white people. Wake up, my Brothers and Sisters! Come, change your ways! Come out of the "thug and gangsta" status! Become civilized men and women! Unite in Islam and accept your own! Experience true brotherhood and sisterhood when we unite in righteousness, and enjoy peace, friendship and happiness. Submit to Allah, Master Fard Muhammad and His Messenger the Honorable Elijah Muhammad.
