## Unite Under The Crescent

by Bro. Kamau Islam

In the Name of Allah, Master Fard Muhammad, to Whom all praises are due forever, and in the name of His Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

Almighty God Allah's last and greatest Messenger, the Most Honorable Elijah Muhammad, issues a call to all Black people who have been enslaved in White civilization here in the Western Hemisphere. He strongly urges us all to unite for the purpose of our own salvation. This message can be found in his book titled "The Supreme Wisdom" Volume Two, on page 72.

The Christian (White) civilization which kidnapped and enslaved us in America for well over 400 years has made no real effort to correct the wretched conditions

they have placed us in. Hence, we still remain a disunited, lost and helpless people. Today, some of us profess to want unity yet continue to operate in slave mode-living in a manner that guarantees permanent disunity and self-destruction. The White (Devil) civilization has used over 4.5 centuries to strip some 22 generations of Blacks of even the basic rudiments of original civilization and SELF-INDEPENDENCE.

Today, in 2012, most of us walk around in America fitting the description of those people written of in scripture who are referred to as the **deaf**, the **dumb**, the **blind**, and even the **dead**. In this pitiful condition some seek (what they call) unity as they bask in the Whiteman's religion (Christianity), which has nothing to do with God, Jesus, Moses, Abraham, Muhammad, Buddha or any righteous persons of scriptures.

There are even those who reach back to ancient (so-called African) tribal customs which they haphazardly practice with little or no understanding. Others rally around self-styled leaders who have fashioned contemporary movements similar to those of Western world-loving Caribbean dictators. Still others join renegade Orthodox Muslims in practicing misunderstood, outdated religious practices.

To give us right guidance, Messenger Elijah Muhammad comes with the *Divine Solution*. He brings truth that is so plain that a fool would not err and a child can understand. He states: "**Let us all unite and be One People, at peace with each other under the Crescent of our religion, Islam, and seek for our Nation what others seek for their Nation-a country to ourselves where we can live in unity, harmony and peace, away from our enemies.**"

man blind born or the man sitting at the rich man's gate or the man called Lazarus as having no reference to us? The Honorable Elijah Muhammad teaches us that much of what we read in scripture refers to this day and not events of the past. He teaches us from Allah that we are members of the original people of the planet and that we made the white race who are opposers of us, the original people of the planet. Having made known these facts to us, and teaching us the truth of these things along with a knowledge of the time that we are living in, we should be of the mind to come together as a unified people. Still a great number of our people refuse to let go of the slave master. He states that we are the

only people that have ever been enslaved and still love the slave master, even after all the pain, suffering, death and injustices that we have endured. After all the schooling, training and skills that we have attained all the years we've been under the slave master's domination, and having been set free, we want our works to be favored by, approved by, and for the benefit of the slave master. The Messenger tells us that we are now an independent people with our own Nation, Flag, God (Allah) and natural way of life (Islam). Our unity is a great power. When we use that unity, combined with our skills being used for the benefit of self, it gives us greater power. Let us use it.

# What We Lack

by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

When one considers the title of this article and the condition that we as a people have been put in under the former slave master, one would wonder, where to start. This is true for me as well. Our first thoughts may be along the lines of the material things like money, food, clothing or shelter. However, when we look at what the Messenger has to say in reference this subject, he quickly puts us on the right track. In his book Supreme Wisdom (Book 2 page 82), he

lists the three major things that we lack, and if we made a list these would be somewhere near the bottom or not listed at all. This is due to our state of mind - being out of our own minds and in the minds of the world of white people. He states, "We Lack Love, Unity and Self Respect Among Us." He goes on to say that we are the only people who have been enslaved and still love their open enemies (who now claim that we are free). We are slow to give up our differences and unite as one Nation (under Islam). This is most important as Islam is our natural religion, our natural way of life. Our division makes it more difficult for us to gain recognition and respect from other nations of the world. Being righteous, we should treat all human beings right. This, he states, does not

mean that we should love the devils (white people) or allow them to join in with our Churches, Temples, Mosques, other activities or organizations. They, he says, will join in if permitted, for their own purposes in order to monitor what you are saying and are planning. We are advised to separate from them. They are evil and their evil affects others. We must be righteous and act according to justice. The things we lack keep our enemies in control of us and this we continuously fail to realize. Our success is in following that which Allah has given His Messenger for us. Let us gain back what we lack, join on to self and follow Allah's Messenger into heaven while we live.

As-Salaam-Alaikum.

science (knowledge) of the right kind." Therefore, separation of the so-called Negroes from their slave-masters' children is a must. It is the only solution to our problems. It was the only solution, according to the Bible, for Israel and the Egyptians, and it will prove to be the only solution for America and her slaves.

This problem of separating (the boundary lines of many nations are being removed) you and me

from our enemies and placing us in our own land (back among our own people) will prove to be a great boon for us. It will help raise the so-called Negroes of America to their proper place in civilization.

As-Salaam-Alaikum.
