## Jesus of the Bible by Bro. Hakeeme Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam -Alaikum.

The Honorable Elijah Muhammad teaches us that Jesus, son of Mary and Joseph, was only a prophet. He and his mother were made a sign of future events. We have been taught and made to pray to that Jesus for relief and help,

however, we have gotten no relief as a result. We find that all of the former prophets prayed to God and not to some other prophet. Abraham's prayer to God was for one to be raised up for the future Lost Sheep (Original Black People).

The Honorable Elijah Muhammad teaches us that we must get away from the old slavery teaching that Jesus, who died two thousand years ago, is still waiting for and listening to our prayers. Allah in the Person

The Honorable Elijah Muhammad Messenger Of Allah

of Master Fard Muhammad, is now present and has raised one from amongst us to deliver us back to our own self and kind. Islam is our true religion and Allah Master Fard Muhammad is our God. We have (cont' pg2)

## "Jesus" The Ship by Sis. Evvy Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

In 1555 A.D., a slave trader by the name of John Hawkins brought our forefathers from our native land of East Asia, now known as Africa, to the

Western Hemisphere in North America. The slave trader misled our foreparents by making an interpretation that they would receive more gold for their labor in this Wilderness of North America; more gold than they were receiving in their own country. They were not brought here for freedom, justice and equality, but for the purpose of working for the white man for no finan-

cial gain, and especially not to be landowners.

The Most Honorable Elijah Muhammad teaches us that the slave trader loaded our foreparents on a ship named "Jesus" which brought them to North America. When this slave ship "Jesus" was departing for another load of our forefathers, they stared at that old slave ship, crying and begging to be carried back to their (cont' on pg 3)

## Heaven On Earth

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Honorable Elijah Muhammad gives us (Black People) life-giving teachings that enhance our well-being. These teachings are founded in Islam and they alone are heaven for us as we strive to learn and build our lives around them. Our acceptance of Islam enlightens us to the knowledge of God (Allah), self and kind, others, and what's essential to life. Messenger Muhammad wants us (Black People) to know how great we are as a people and what we must do to experience a good life or heaven on earth. Heaven means different things to different people, but for Muslims under the guidance of our Messenger, it is Islam

which brings about a condition of utmost happiness. Being in a state of heaven on earth will not manifest itself without work.

Anything worth having is worth laboring for and Allah (God) Who came in the Person of Master Fard Muhammad makes it clear to us through the teachings that our heaven on earth means being free, justified and equal of all mankind-but this isn't all. We'll also have much more of our God-given rights in the form of money, good homes and friendships in all walks of life. These are the conditions and achievements that Allah (God) desires for us. If we follow and obey Allah and His Messenger we can have heaven on earth while we live. If we follow and obey the devil (white people) will continue to experience hell and suffering day after day. We are dying under the Whiteman's reli-

gion (Christianity). It equals slavery, suffering and death. In it, you never know true happiness because it is not authored or chosen by Allah (God) for us. Allah gives us the beautiful religion of Islam. "Islam is the circle of peace and the diameter of happiness". (Sayings of the Honorable Elijah Muhammad-Vol.1, page 5). Muslims who adhere to and follow the teachings of our Messenger strive to please Allah. He is our life-source and brings about in us contentment and satisfaction in learning all the truths that were kept from us by the wicked white race. If you want true paradise, it is in Islam. Allah has not given up on us (Black People) nor will He, because we are His descendants. He awaits to put us in heaven at once make our lives worth living.

As-Salaam-Alaikum.

been trained into Christianity, the perfect slave-making religion. Our enemy has taught us that Jesus has and is the answer to all of our prayers. The truth of Jesus, his history and religion has been hidden from us. Jesus was not a Christian, but a Muslim. We have not been taught by our oppressors the religion or language of Jesus. Why? They don't teach the religion or language of any of the prophets of God. Why? The Messenger's teaches that the history of Jesus as well as the other prophets has been greatly misunderstood by us and greatly misrepresented to us by the white race.

As scripture states, we are to come out of this world of evil. Today is the day of our awakening and restoration. The religion of Islam is said to have had its rise in the 7th Century after Jesus. They imply that the religion of Jesus was Christianity; this is a lie he preached and taught Islam. His name was attached to that dirty religion to cover up the truth and to give us a religion that would keep us mentally dead and spiritually blind. The mis-education and mistreatment of the Blackman was under their control. Today the Light of Allah is shining in the West. As-Salaam-Alaikum.

by Sis. Brenda Muhammad

In The Name of Allah, Who Came in The Person of Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum

When looking at our people from day-to-day, it's as though they relish in unrighteousness. As if this isn't bad enough, they lack love, unity and self-respect among and for themselves, which makes it more difficult for us to gain respect from other nations of the world. After 400 years of slavery, there has not been an enormous effort on our part to be free in "deed". WHY? Because they don't know the true knowledge of themselves nor their true religion Islam. Our people know so little about themselves. The treachery of other

racial groups appears fair-seeming. We suffer so many inhuman indignities in order to obtain what is called "equality" of opportunity in public accommodations such as schools, churches, sports and other ventures that they (White People) may benefit from. The average Black man in America is so busy trying to please other than his own kind, that he seems to be not the least bit interested in unifying with his own people. Of all the histories of people upon our planet earth, past and present, we find no people who love their enemy to the degree the American Black man does. Mankind (white man) taught us from the cradle to follow them. He has gone in and out of our grandparents until our blood has become part of theirs; this includes our ways, ac-

tions and mindset. So we are today, tied up in his world of thought which makes it easy for us to follow and practice his way of life, especially when it comes to hating ourselves as he hates us. In order to be removed from the life-style and doings of this evil-made people (white people), we have to have a knowledge of them. Allah, Master Fard Muhammad has come to restore us to our rightful place as head and to unify us, the Black People, in America. Messenger Muhammad teaches us that if the Blackman in America would join on to his own, live in unity, and love for self and kind, we would be in heaven overnight.

As-Salaam-Alaikum.

## The Sayings of The Messenger

*We need a new Islam to serve this day. I am to acquaint all black people with this New Islam and the knowledge of God in reality. There will be a new world all together.*

own country, for they could not swim 9,000 miles.

They said, “You can have this Western world but give us the ship “Jesus” to take us back to our people and country”; this has now become a song among our people stating, “You can have all the world but give me Jesus”.

Jesus means justice, rising now among our people. Our forefathers did not know it would be 400 years later from that time that the real or true ship “Jesus” would come in the future, in the Person of Master Fard Muhammad, to Whom Praises are forever due. Allah-God has come to

cut the slave chains that held us in bondage for 400 years, by raising the Most Honorable Elijah Muhammad, His Last and Greatest Warner, to teach us a true and thorough knowledge of ourselves and the devil.

We are no longer compelled to mourn and groan under the yoke of bondage to merciless murdering devils-white people. Our forefathers did not know that Allah-God Himself would be the “Jesus” to come and take all of His Black People back home, which is “Islam”. [Reference: “The Supreme Wisdom”, Book 1, pages 16-17.]
