These are not the days of Noah, Lot, and Abraham, nor are these the days of Moses. These are new times. The Enemy (America) does not get away with punishing the righteous just because she

A House Doomed To Fall *by Sis. Evvy Islam*

In The Most Holy Name of Allah, Master Fard Muhammad, to Whom Praises be forever and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

This topic is under "The Judgment", taken from

the textbook "Message To The Blackman in America" (pages 284-285), by Elijah Muhammad, Messenger of Allah, Master Fard Muhammad.

The judgment is not to come, but as prophesied, it is here - now! The real Christians, the white race in the Western Hemisphere, are truly responsible for the universal cor-

ruption on the land and sea - yesterday, today and tomorrow. The white race will never stop corrupting the nations throughout our planet Earth. Why? It is their nature to lie, steal, cheat and kill and can not help themselves. This is why the poor so-called American Negroes are in need of the knowledge of the New Islam *(cont' page 3)*

Build Our Own Society by Bro. Kamau Islam

In the Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

In his book titled **Message To The Blackman In America**, beginning on page 300, the Honorable Elijah Muhammad entertains the aforementioned subject. This command is directed at our poor Black people (in this country) who now identify themselves as African-Americans. Such a divine thought seldom, if ever, occurs among the leadership of our people or among individuals.

Many of our poor Black people annually celebrate the independence of the American white people while we still struggle for basic human and

civil rights. Messenger Muhammad teaches that we can never gain the respect of the civilized nations of the earth until we build our own society. The devil's English dictionary defines a society as **"a part of a community bound together by common interests and standards"**. Such a feat, on our part, is difficult to attain since so many of our people seek to constantly indulge in the interests of white people; many also insist upon governing themselves by the standards of white people.

During the previous century, when some of our people had a heightened level of consciousness, a Black poet wrote a poem to this effect: *"We seem to be into everything except ourselves...we overlook the basic, we complicate the simple and we ignore the positive."*

In order to build anything one must gather the ideals to develop thought processes that enable him or her to manifest something new in creation. In some cases the building process requires one to discard the old in order to make room for the new. Scripture informs us that even in this day and time, Allah (God) is in the business of making all things new.

Messenger Elijah Muhammad asks this question: **Just why do you want to be like the people who have robbed, spoiled and slain you and your fathers?** As there is no future for the white race, there is no future for any black people who choose to follow them in any way. Let us build our own society. Come to the Temple, under the teachings of Islam as taught by the Honorable Elijah Muhammad, and learn more.

America's Doom Is Sealed

Messenger Muhammad's plain warnings are no fluke, nor are they to be taken lightly.

Ancient Babylon is an excellent descriptive choice (role model) to compare to her modern sister-America. Both had become an abode of the arrogant. In the midst of it all, the question must be asked-How clear are Black People's minds as to the reality of the times that we are living in - namely, America? When a particular kingdom has been weighed in the balance and found wanting, its destruction is imminent. The Messenger gives us clear comparisons in the midst of distortions and misinformation. The coming of a "New World" or New Order is very

hard for the Old World People to believe-and for many to comprehend. Thus, opposition at its zenith gives rise to evil such as the world has never seen. Therefore, why should America not be chastised for her evils done to the so-called Negroes? If God destroyed ancient Babylon for the mockery made of the sacred vessels taken from the Temple in Jerusalem, why should America not be punished for having taken the so-called Negroes from their native land and people, filling them with wine and whiskey? Forsake falling America's doom and fly to your own before it is too late, so teaches our Divine Leader, Teacher, and Guide, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Will You Be The Winner

by Sis. Faye X

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Praise be to Allah, Master Fard Muhammad, for coming to North America to deliver us (Black People) from our open enemy (White People). Without our righteous God (Allah), we would continue to suffer mental death and life without freedom, under the rulership of our enemy who brought us to America with no intent of ever giving us freedom, justice or equality. The Honorable Elijah Muhammad teaches us that America will be punished for her injustice against us. She knows her wicked history has been revealed and

that Allah has judged and sentenced her for retribution, so she busies herself, eagerly planning lines of defense to win the war of all wars, the Final Battle, against Allah. Does she think that she has what it takes to overpower the Will of Allah? He is the Best of Planners and has known of our enemy's demise before they existed. Allah hates what they have done to us, His descendants. It would have been easier for America to free us in a reasonable amount of time, rather than face the chastisement of Allah. To this day, She has refused to heed Allah's call and thus, her own destruction has been set in motion. She is tasting her bitter end and will succumb. As a result of the inevitable Battle In The Sky; and before this Great and Dreadful Day, known only to Allah, She will be plagued by fire

and water, our earth's greatest arms.

The Honorable Elijah Muhammad begs us (Black People) to fly to Allah and separate from our enemy. We are a nation within a nation does not want us which makes joining on to our own so vital. Reflect on this verse taken from the Holy Qur'an 25:27 - "And on the day when the wrongdoer will bite his hands, saying: Would that I had taken a way with the Messenger!" Know that we cannot take the enemies of Allah for friends. Allah is the Father of the Black Nation and always in control. He will give us love and protection against our enemy and teach us how to live and enjoy our lives as Muslims (winners) under the Sun, Moon and Star of Islam. As-Salaam-Alaikum.

as only taught under the guidance of The Honorable Elijah Muhammad. The white race will never change, for there is no good in them - though they occasionally do good. Today, they are "reaping what they have sown", because of what "their own hands have wrought". Allah gives them their just reward - they are doomed to fall.

The Messenger teaches that the Western Christians teach from the Bible, "Love Thy Neighbor", and "Thou shall not kill", yet they practice daily the opposite. They commit the most hideous crimes of any

people. They practice daily - murder, gambling, robbery, drunkenness, drug usage, adultery, and dishonesty - just to name a few, and the list goes on. The Messenger says that there is hardly an end to their crimes and misdeeds. This is true, and the President of the Hells of North America has sanctioned homosexuality, which has been a long practice of white people. Same sexes may now marry legally throughout this hell. What next? Will it be sanctioned for Western Christians to marry their best friend - the dog? They spread their evil and filthy way of life universally. They intend to corrupt everyone

and make war with everyone while using devices to spy on other nations. They are "Peace Breakers", not "Peace Makers".

Poor Blackman and Blackwoman, fly to Allah through His Doorway, the Honorable Elijah Muhammad! We all need the **New Islam** to truly be saved from "A House Doomed To Fall".

As-Salaam-Alaikum.
