They would have us to believe, according to their interpretation of the Bible, in the Book of Genesis, Chapter 1, that a 6,000 year-old world can be converted into a six-day work week with one additional day set aside as a day of rest.

A Muslim is one who believes in and loves Allah (God). Allah is Just, Righteous and the Author of peace and equality. The Honorable Elijah

Muhammad teaches us that we (Black people) are direct descendants of this “Great One” and that by nature we have the same qualities. By definition, the nature of a person describes his or her original or natural condition. When our ancestors were brought to North America by white people (cont' pg 3)

The New World Makes a New People by Bro. John X

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The idea or just the thought of “newness” brings about, in this present world, an expectation of brilliance, luster, brightness and other descriptions to fit what is anticipated or hoped for. However, what the “real deal” forces upon one’s wide and varied ideals is who the real recipient of this “Divine Gift” will be. Last on anyone’s list would be the so-called Negroes in America. Even they would gasp in disbelief at such good fortune. Therefore, on to the next “prize”.

The Honorable Elijah Muhammad teaches us (his followers) the so-

called Negroes will be the beneficiaries of the New World and would, themselves, be made “New” (also called whole) by Allah, Himself. He also promises us the taking-on of a new growth - spiritual as well as physical - and we will become the most, yes, most, beautiful. Read enough? There’s more! We will also become the most wise, powerful, and progressive people that ever lived. No more “dry bones”!

We have always known, though sometimes sheepishly denying it, that we have been builders, thinkers, and sowers of Divine truth. However, Almighty God, Himself, had to journey where we were to “trumpet in “the real “Good News”, heralding us (so-called Negroes) as the recipients of this “Great Day In The Morning”.

Even before this triumphant event,

our nemesis must be removed - root and branch. Everything that is, was, and was planned-to-be of his must be surgically removed as well.

Prophecy also predicted the downfall of the Old World and the takeover of the New. Sadly, though true, many of us (so-called Negroes) dread this New World and the total destruction of the Old. Nevertheless, they too, along with Allah’s sworn enemies (white people) will go down in the Lake of Fire. No mo’ “Yasser Boss”. As-Salaam-Alaikum.

Sayings of The Messenger

The World of Allah

one thousand years is as one day”. These truths have been taught by Messenger Muhammad who received these teachings from God in Person, Master Fard Muhammad.

Any type world, though it may contain various forms of life and other forms of matter, can best be valued and evaluated by *living human beings*. In his book, titled The Supreme Wisdom, Volume Two, on page 11, Messenger Muhammad draws a clear distinction between the world of the

white man (the devil) and the world of Almighty God, Allah. He states: **The world that the white man has built is nothing compared to that which Allah will build with his (the devil) slaves (the so-called Negroes).**

The world of the devil has been limited to 6,000 years. Other worlds, while not so limited as that of the devil’s, are subject to Allah’s Will, aims and purposes; this guarantees longevity and success. We should rejoice in the fact that Allah (God)

cont’ from page 1

has chosen the Blackman and woman of America to build this new world.

The world of the white man offers the people of the Earth continuous servings of slavery, suffering and death. The world of Allah (God) gives us freedom, justice and equality. Come to Muhammad’s Temple, under the teachings of the Honorable Elijah Muhammad, and learn more.

As-Salaam-Alaikum.

Words Of Advice To My People by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Honorable Elijah Muhammad has been taught and raised by Almighty God, Allah, Master Fard Muhammad, for the benefit for the Blackman and Woman here in the Hells of North America and throughout the world. He is the "One" who was prophesied to be sent from God to turn the hearts of the children to the fathers and the hearts of the fathers to the children as stated in scrip-

ture (Malachi 4:5-6). As we study his teachings from Allah to us, we find that all that he gives is for our benefit. His purpose is to bring us out of the ways of our open enemies, (white people's life styles) and return us to our own Righteous ways or our true religion, Islam. His teachings clean us up morally, physically as well as mentally. He causes us to transform in such a way that we start to love each other as brothers and sisters, and, too, show respect for ourselves and each other. He provides us with information on eating to live and understanding why this causes us to live a better life with better health. Equally important, giving us the knowledge of self and kind the true

knowledge of our God and religion, Islam. This causes us to develop a mind set that is god-like. All that he teaches prepares us for rulership, as scripture states.

Messenger Muhammad advises us, we will never be able to live as we desire - in freedom, justice and equally - until we are in our own religion, Islam. He advises us that Islam alone will secure for us favor and the protection of Allah. He advises us to stop believing that our heaven awaits after a physical death when we can have heaven while we live, if we follow his teachings to us from Allah, Master Fard Muhammad, God in Person. These are some of his words of advice to his people. As-Salaam-Alaikum.

We Are Good By Nature cont' from page 1

to be enslaved, their way of life was striped from them. They were of the tribe of Shabazz, original people of the earth embraced in Islam, the religion of peace. This tribe has rich history as it came with this part of the earth sixty-six trillion years ago. So when Allah, Master Fard Muhammad came to America searching for us, He found that we were in a condition that evolved around the nature of our slavemasters. They had taken "good people" by nature and transformed them to be in opposition to their God-given way of life. From us, Allah the Best Knower, raised the Honorable Elijah Muhammad to teach and

guide us into the right path so the we would be successful and would see the Hereafter. This indicates that the path we were on was not one that matched our nature as righteous people. Allah and His Messenger have committed themselves to the Original Nation of the earth to ensure that we know that we are the first and the last, maker and owner of the universe. According to the Honorable Elijah Muhammad, our good nature is still recognized in us even through we've lived under the devil's (white people) influence. His pull (the Devil) may be strong, but its no comparison to Allah's love and protection.

As-Salaam-Alaikum.
