White Race's Day Is Over

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Honorable Elijah Muhammad teaches the Blackman and Woman that is incumbent to give up the white race's religion, Christianity; and also their names. The white race has had their time to rule the people all

over our planet Earth, and now their rule is divinely at an end. They are not successful today because they are still trying to rule in the Days of Allah, Days of the Son of Man, Days of Judgment, and the Days of Resurrection. These are four great Divine Days of times we are now living in, so teaches the Honorable Elijah Muhammad.

Destruction of The Present World by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

When the Messenger speaks of the destruction of the present world, many think of the term "the word is coming to an end", and they are right. However, their understanding of what is meant is what one might say, is off. As we are taught the end of this present world means that that world that has been under the domination of the man made in Gen.1:26 (the made white race) is coming to an end, but not the world of the original man's world. Allow me the to

explain. The making of the so-called Whiteman and the allowing of his rulership for a limited period of time has given way for a world that has been in opposition to the righteous world of the original man (Blackman) which had existed for trillions of years. The Messenger teaches from Allah in Person, Master Fard Muhammad, that Original Man was not created in his most perfect state. He opposed both a dominant gene (stronger-black) and a recessive gene (weaker-brown). Color here has nothing to do with the genes themselves, but are terns to identify each. The manifestation of the White Race through a grafting process by the original black people, pushing to brown gene to its further existing

state both forth a world of being whose nature is in opposition to that of the original man's. Therefore, the made man is known as Devil. He is unlike, and has produced a world that has not only in violated the world and ways of the righteous, but its world's, land, air and water (LAW).

With all that is now known today of the making of this newly made man on our planet, we can see why he and his world must be removed. We have exposed the limits of the brown gene and in time it will be remove from the Blackman, so teaches Allah's Messenger. Be happy, our righteous world is at hand. As-Salaam-Alaikum.

Today we are being brought face to face with Allah (God) for a showdown between Him and that which you have served as God beside Him.

White Race's Day Is Over

own you! Almighty Allah-God teaches through Messenger Elijah Muhammad that none of us will be accepted by Allah unless we give up the slave master's names and his filthy religion, Christianity. We must put an end to their rule over us!

As a nation of black people, we are in serious need to "wake up" from this deep sleep of amnesia of who we are, and what our true religion is like. The Messenger also teaches the truth of no like after you physically die. Once

you physically die, you are unconscious and will never again regain consciousness. You are truly At Rest!

Brothers and Sisters, we are living in very crucial times, and the white race's or devil's world is falling quickly before our very eyes. The Coming of A New World

by Sis. Brenda Muhammad

In the Name of Allah, Who came in The Person of Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Old World of unrighteousness, undiluted evil and bloodshed, is on its way out. It's making room for the new world of Righteousness and Peace. All around the world the Blackman has had to live in evil and filth so the made man (whiteman) could have his 6,000 year rule. HIS TIME IS UP!! Allah (God) has made His appearance to separate the good from the evil, Black from White. The Messenger of Allah (God) has said it was necessary for him to refer to the Bible to teach this subject. He knows that this is the only book the Blackman reads and he

don't even understand it. It is his Duty to awaken them from the mental grave they are entrenched, in that book. It says in the Bible: "Behold, I (Allah) makes all things new; and He said unto me, write, for these words are true and faithful." (Rev.21:5). This refers to a New World, or a New order of things. It does not take a wise man to see the necessity of a new order of things or a New World, since the old one has served and fulfilled its purpose. In Rev.11:18, it asks "Will the old World accept the new?" No, no the Old World will not accept the New. Therefore, the Old one must be destroyed. The Nations are warring and angry against each other over who should rule the other and over what part of the earth

they will possess. No matter what channel on your television you chose that televises current events, they are reporting about some Country testing nuclear arms. Allah has warned us as to how he would one day destroy the Old World with bombs, poison gas and fire that would consume and destroy everything. What makes matters worse, the Christian preacher will have to ponder as to whether his flock will be able to participate in what Allah (God) will make New after the destruction of the wicked and their world. Remember, any religion other than Islam will not be accepted. As-Salaam-Alaikum.

Sayings of The Messenger

It's the Devil's Way to bring the people of Allah in opposition to Him.

The Key Of Knowledge

cont' from page 1

His creation of our home, the Universe. Islam is the key that unlocks any misunderstanding and misinterpretation of our past, present and future. If we desire Allah and His Messenger, we choose to be a part of our own nation, governing ourselves with truth and righteousness. Heaven on earth now becomes a reality. We have our own flag given to us by Allah that represents the best nation on planet Earth. Black people are in dire need of accept-

ing Allah and His Messenger especially in North America because it is this country that made slaves and fools of us. We are considered unworthy by our enemy of possessing basic human rights, but Allah, the Best Knower, gives us God-given rights and the key to our independence, but we must separate from our enemy and do for self. We are assured success under our Messenger's, "A Program

For Self-development" found in his book "Messenger To The Black-

man In America", page 169-171. It will take work, patience and commitment. Accept and embrace the key of knowledge (Islam) and use it to unit, educate and build for self and know that no enemy can sever the bond that Allah has with us. He is the Master of this day in whom we (black people) can be well-pleased.

As-Salaam-Alaikum.
