Lazarus Lives

by Hakeeme Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The name Lazarus of Bethany is given to the brother of Mary and Martha in scripture, in the Gospel of John. Chapter 11 gives an account of Jesus's encounter with the sisters, and Lazarus. Here it speaks of Lazarus being dead

for three days and of Jesus's late arrival to resurrect him from that state, as he now had been entombed for four days. We are aware that the story goes on to say that when Jesus went to the grave where Lazarus was buried, he was found to be in burial clothing. The tomb was opened and Lazarus was called forth, as Jesus had stated that he was not dead, but just asleep. He when was resurrected from that dead state.

We who follow the teachings of the Honora-

The Honorable Elijah Muhammad
Messenger Of Allah

ble Elijah Muhammad, the Messenger of Allah, have been taught that every story we read is scripture is not to be taken laterally, as many are allegories and have meanings that can be understood to have meanings the are (cont' pg3)

Temple or Mosque?

by Bro. Kamau Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

On July 4, 1930, Allah, in the Person of Master Fard Muhammad, visited our people in Detroit, Michigan and gave us the Flag of Islam, declaring us a Na-

tion for the first time. As He developed structure for us, He found one from among us (Elijah) to be His Messenger, to us.

The Original Structure of Worship came to be known as Muhammad's Temple of Islam. Then, our people began to learn and practice this new way of life—Islam. Business were opened and operated under the name of Temple; hence, *Temple Bakery, Temple Grocery*

and Market, Temple restaurant, Temple Laundry, etc..

As growth and development continued with Black people in this New Islam as a religion for us, in the Hells of North America, the terminology of Temple and Mosque somewhat became interchangeable. This is understandable, as the history and prophecy of us is found in both Bible and Holy Qur'an. Thus, some of our less studious people (cont' pg3)

1914-End Times

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Earth is a beautiful planet created and sustained by God (Allah) Who was pleased with all that He brought about in the vast space of darkness trillions of years ago. In this span of time, His inheritors, Black people, ruled the Earth with His wisdom in them, maintaining peace and righteousness up until 6,000 years ago when a made-man came into existence. What followed was evil, wickedness and disorder, so teaches the Honorable Elijah Muhammad. This man, the Caucasian White man, is also known as the Devil. He was given 6,000

years to rule and after that time, his reign would come to an end, giving way for the Blackman to rule again.

The year 1914 marked the end of his time to rule, but this arrogant race of people will never willingly submit to the Original Man (Black); therefore, Allah has intervened on our behalf. The Devil was granted an extension of time to allow the sleeping Black Nation to awaken and gain knowledge of God (Allah) and their lost way of life, Islam.

Islam encompasses all that we need to rebuild our civilization. While the Devil's civilization is falling, we who gravitate toward Allah and His Messenger go through a mental, physical, and spiritual cleansing, ridding our vessels of the Whiteman's dirty

water, Christianity. Allah has given us the key to our salvation, the Honorable Elijah Muhammad, to reclaim what is rightfully ours as the Original people of the Earth. Don't miss out on joining on to your own kind and experiencing true brotherhood. The Devil will not be around too much longer to continue his mischief and bloodshed that has affected 9/10ths of Earth's population. Allah gives him a false sense of security, fooling him into thinking that his prosperity will continue because it has for so long. Allah will bring an end to this evil race of people for sins committed against His people. Know of assurity that their time is up!

As-Salaam-Alaikum.

hidden, or must be interpreted to revealed that hidden meaning.

The Honorable Elijah Muhammad raises us to understand the stories and allegories to relate them to the time that we are living and their relationship to the real people being referred. We see that this story of Lazarus relates to the state and condition that we are experiencing here in the Hells of North America. Now, relate the condition and state of being of our people since being brought to this land. Being stripped of our names, our culture, our freedom, our families divided, our religion stripped away, everything that made us who we were before be-

ing enslaved, and made other than self, and without our own God (Allah). This is how we are seen as Lazarus, a dead people without knowledge of self or anything which makes us our own true selves.

We say, “Lazarus Lives”. This is because our open enemies (so-called White people) have gone to great lengths to keep us mentally dead so that we will not awaken to the truth of the tricks that they play on us. Today, Allah Master Fard Muhammad has raised a Jesus for us, the Honorable Elijah Muhammad who says to us, “Lazarus, Wakeup”. As-Salaam-Alaikum.

Tricks of Inclusion

by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Separation is the order and rule of this day and time for those who are aware of the time. Consequently, for those who ignore, or lack the knowledge of the day and time in which we are now living, continue their strenuous and fruitless struggle to promote integration, which is their hopeless dream of inclusion. The Honorable Elijah Muhammad makes it clear that black people should now be excising their independence, and doing for self. Understand that he is not speaking of a so-called freedom granted by the U.S. Constitution, but by the announcement of our freedom and independence as a Nation declared by Allah, Master

Fard Muhammad, God in Person, on July 4th, 1930. Unfortunately, many of our people fail to recognize that this date is our Independence Day, due to the efforts of those who push for inclusion with our open enemies, white people.

These efforts of inclusion extend to many of the activities for and of white people; whether it be socially, politically, religiously, in business, medically, or any of the activities that white people promote for themselves. They allow black people to be included to make them feel as if they are loved, wanted and needed (more trickery). These tricks played on black people keep them under their control, while keeping them close, involved and blind. There is a saying, "keep your friends close, keep your enemies closer".

Many black people fail to see these tricks being played because

they think they are now accepted and are truly apart of the society with equal standings. The Messenger says, "My poor people; deaf, dumb and blind to the knowledge of self and others".

Brothers and Sisters, let us stop being played by the tricks of white people. Let us join on to self and kind, unit and build for our own Black Nation of Righteousness. This is the day of the removal of the world of Satan, White people; their six days are up. As scripture states, Satan is respited until the day of our raising. This day is our day. Come out of her ye, my people and join on to your own kind and be yourself. The tricks of inclusion have been exposed.

The Sayings of The Messenger

When we divide ourselves up into groups and each one wants an independent leader, we aid in the work of the devil.

lost themselves as they tangled with those (Christians and Orthodox Muslims) who sought to confuse the Blackman and Black woman's salvation, using misunderstanding and misinterpretations of both books to rob us of our glorious future.

During the course of Messenger Elijah Muhammad's 40-year mission in North America, the term Temple (a place of learning) and Mosque (a house of worship) was applied to our houses of worship in North America. Messenger Elijah Muhammad (himself) often used these terms interchangeably. However, before his

departure, in the early 1970's, the return to the Original term, Temple, was restored to all Nation of Islam places of worship under Messenger Elijah Muhammad's guidance. This included all listings in the National Newspaper, **Muhammad Speaks**.

The Bible, Malachi Chapter 3:1 states: **BEHOLD, I send My Messenger, and he shall prepare the way before Me; and the Lord, whom ye seek, shall suddenly come to His Temple, even the Messenger of the Covenant, whom ye delight in; behold he shall come, saith the lord of host.** As-Salaam-Alaikum.
