America," begins on page 258 to teach us how we, the Black people in America, are still victims of white peoples' *false promises*. In our study of real Black History we learn that it was an English slave trader named John Hawkins who began the lie by promising our forefathers "*more gold for their labor*" if they would leave their home (Africa) and come with him to a strange land (America) and work for him and his

Messenger Elijah Muhammad in his teachings in the book "Messenger To The Blackman In

## Rise And Fall of The Christian West

In The Name of Allah, Master Fard Muhammad and in the name of His Last and Greatest Messenger, The Honorable Elijah Muhammad. As-Salaam-Alaikum.

America's fall is not only visible and understandable, but scientists and scholars along with

the ignorant see this fall through their eyes. The great and mighty America is having its power gradually removed, though few have noticed it, as well as perceived it. The Holy Qur'an states, "He brings powerful nations to a naught." When this is discovered, it is like a cancerous growth that has eaten at the body for years while the patient was un-

aware of it. However, America's fall can not be checked on account of its foundation having been removed.

Messenger Muhammad teaches, and the scientists agree, that the 1914 war marked the fall of the white world as a power over the black world (the aboriginal people). This war (1914) is also referred to as (cont' pg 2)

## Our Day Is Near At Hand

In The Name of Allah, Master Fard Muhammad, To Whom Praise Is Forever Due, and in the name of His Last and Greatest Messenger, The Honorable Elijah Muhammad.

As-Salaam-Alaikum.

Many great things took place on His coming, and that (Allah God) went forth for the salvation of His people (so-called Negroes), for the salvation with His anointed (His Apostle-Elijah Muhammad). This Holy One is Master Fard Muhammad, Allah in Person, to Whom praise is forever due, our Saviour and Deliverer! He was born on February 26, 1877 to save us the poor so-called American Negroes from our sins, following the sinner-White Americans (Devils)!

The white government has convinced Black people that they are inferior and White people are superior when it is just the reverse. We will never be equal with White America for we own nothing. We want and we are due what belongs to us: freedom, justice and equality, land of our own and separation to build our own Divine government. Whether our people

The poor so-called Negroes still say—"Our day will come" and "Someday we will all be free" and "Jesus is coming back." Where were you my sisters and brothers when the "Jesus" came fulfilling prophecy to free us? Certainly the Christian Preachers should know this! The Jesus you still believe in was a Prophet who taught Islam, not Christianity. The Most Honorable Elijah Muhammad teaches us from the Bible, the Book of Habakkuk, 3:3 and 3:13 on the prophecy of the coming of The Holy One from Mount Paran.

the War of the Anti-Christ, of what today is known as Christian Europe and America. They are called Anti-Christ because they are against the government of the true God of the black people. Christ here means God in Person in the last days or end of the Caucasian world. The name, Christ spiritually means, "One Who is coming at the end to crush the power of the infidel or the race of devils." The white race has been made manifest to the world as a race of devils, wherein we can not expect any justice or sincere

friendship unless we are everything that they are in wickedness. Righteousness is hated by them.

The truth is worrying them (white people). This should teach the so-called America Negro that the white man has never wanted him to be free, never wanted him to leave them and never wanted him to exercise the God-given freedom, justice and equality that even nature offers.

All of this warns our people to fly to our own God and people-NOW!!

As-Salaam-Alaikum.

choose to separate or not, we must be separated and not integrated with our enemies (white people). Black people are the ones referred to in scripture who were lost and swallowed up in the **House of Israel-White America!**

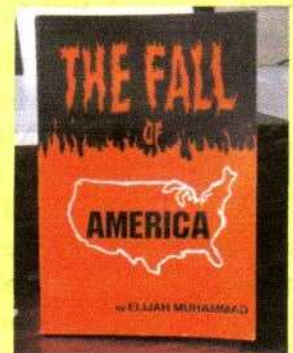

Babylon the Great (White America) is falling and Barak Obama will never be able to save her, for Allah, the real "Messiah" or "Mahdi" is destroying her. And yes, "Jesus" did rise from the dead (mentally dead). Messenger Elijah Muhammad is the first begotten of the spiritual dead so-called Negroes. Jesus is also the "Justice" that Allah is manifesting, that Our Day Is Near At Hand!

Thank You.

## *The Fulfillment of Prophecies Seen* by Bro Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad and His Messenger, The Honorable Elijah Muhammad. As-Salaam-Alaikum.

This topic is taken from the book, "Message To The Blackman in America" (pages 286-288). With all the talk about this being the day of judgment, the world coming to an end, and the coming of a Saviour to save the chosen people, we must know the truth of the time. The proper interpretation of scripture is also needed so that we may not be misled and not fail to act in the proper manner to be saved from this destruction. As we read scripture, Matthew:24 and other passages and verses such as Genesis 2:1, we are at a loss to the

proper understanding when following the interpretations taught by our open enemies (white people) who are dominating the thinking and mindsets of black people, particularly in the Hells of North America. We are living in the day, and are witnessing prophecy being fulfilled according to the prophecies of both Bible and Holy Qur'an. We see the signs which mark the time of what is said to be the end of days, but we fail to recognize them in a realistic way. This is primarily because of the false and misleading teachings promoted by the Christian influence on our people. We think that the end of the world is the ending of all life on the planet, human and non-human. This is a misinterpretation which

leads to misunderstanding of scripture which is of-time left in that state, deliberately. The end of days is not the end for the original black family members nor is it the end of the Earth itself. The Earth belongs to the Blackman. As we study, follow and pay close attention to the teachings of our Divine Leader, Teacher and Guide-The Honorable Elijah Muhammad, we understand what we must do in order not to be misled by a false teacher. The time of resurrection, separation and judgment is at hand. Let not any one of us be fuel for the fire that Allah is bringing to this world of our oppressors. This is His and our open enemies end. Join on to Allah's Messenger and become yourself, and be saved. As-Salaam-Alaikum.

and death. Once our people had been shipped to the various concentration camps in the Western Hemisphere to slave for white people in the building of their Empire, other processes to enhance these atrocities were employed by devils such as William Lynch and Henry Berry.

When the Founding Fathers of the United States of America met in Philadelphia to construct their Constitution, they brought with them from their respective colonies documents which included many slave codes. All of this and more went into the document

(Constitution) that they use as a standard of government even until today.

Messenger Elijah Muhammad continues to warn all Black people to "***Beware Of False Promises.***" He teaches us that there is no good future for us if we continue to fall for these tricks that guarantee our continued suffering and lack of progress. The Honorable Elijah Muhammad further states, "***We want some of this earth and its treasurers of raw materials to build us an independent nation as you and other nations have done.***"

It appears now that much of today's Black leadership and the people in general have fallen for the latest false promise - a hope in sharing in the governing of America. We, who follow Messenger Elijah Muhammad, know this to be the latest trick to keep us with them as they (white people) go down in doom so that we will never have our own. As-Salaam-Alaikum.
