## *The Will of Allah Is Being Done* by Bro. Kamau Islam

In The Name of Allah, Master Fard Muhammad, To Whom all Holy Praises are due forever, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

*ing Done.* In this case the reference to will is the determination of Allah (God) to carry out His wishes as He is alive and ever-present. However, since He (ALLAH) is the best of planners, He does things in His own way and in His Own time.

In his book titled *"Our Saviour Has Arrived"*, beginning on page 144, Messenger Muhammad speaks on the subject - *The Will of Allah Is Be-*

## *Allah Is Judging Today* by Sis. Evvy Islam

In the Most Holy Name of Allah, Master Fard Muhammad, to Whom Praises are due forever, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Elijah Muhammad teaches us that our God of Justice, Who came in the Person of Master Fard Muhammad, to Whom Praise is due forever, is the One judging today between the two people: the Original Man (Black Nation) and the Colored Man (Caucasian race).

6,000 years ago, their 4,000 year rule over us was divinely given to them. The Caucasian race has proven that they did not and do not appreciate the authority of power given to them by Allah God. They have revealed that the only way they intended to rule over the Blackman and (cont' pg3)

## *The Sign of The Cross*

by *Hakeem Muhammad*

In The Name of Allah, Master Fard Muhammad and His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

We are taught by The Messenger of Allah that the Cross (the sign or emblem) of Christianity represents the physical workings of that religion. It is far from being a sign of a true religion that is based in the universal order of things. It is not and cannot be called the religion of the God (Allah) of righteousness and reality. He also says that it should not be called a "religion in the right state".

If we study the history of the religion (Christianity) we would not be a part of it, wear the cross (emblem) or think that it is the religion to lead us to salvation. It is true that the Blackman is a religious man (Blackwoman also). However, having been stripped of the knowledge of self, our true religion has been kept away from us. We have been given a substitute religion, a false religion prepared by our open enemy, the so-called Whiteman. We also find that every people in every country where the Cross and Christianity have been carried by agents of Christianity (missionaries). The people have been introduced to oppression and the attempted sup-

pression of their own religion and way of life. Now our own true religion (Islam) is being introduced to us and we are accepting it. Islam is the religion of our foreparents. It is the dominant religion of the planet as are we, the dominant people. Although many of our people claim this false religion (Christianity) as their religion, it does not fulfill or satisfy them. No matter how we try to fit this religion into our natural way of life, it can not fit. Praise is due to Allah for coming and reintroducing us, "The Lost Sheep in the House of Israel" to that which is our own. As-Salaam-Alaikum.

states: *"Thy kingdom come. Thy will be done on earth, as it is in heaven."*

The aforementioned verifies that while Allah's Will is being done we have been experiencing a peculiar situation and condition right here on our planet Earth. Even the contrary God, Yakub or Jacob, who made the white race (Adam and Eve) states in Genesis 2:2 that He would rest (after six days or six thousand years) on the seventh day. For years the civilization of Adam and Eve, the white race, has

symbolically set aside one day of the week (Sunday for Christians and Saturday for Jews) as a day of rest.

The Honorable Elijah Muhammad teaches us the real meanings of these writings in the Bible are to inform us of the closing out of the world of evil, which was made 6,000 years ago, and the re-emerging of the world of the righteous. The day of rest (1,000 years) is not to suggest that the civilization of Adam and Eve (the white race) would relax or take a break for such

a time and then get back up to continue with their evil ways. This rest will be *forever* or *eternal*.

Allah's Will is based in the foundation of the Universal origin of Creation which spans some 76 trillion years of recorded history and some 2 trillion years of non-recorded history. These truths guarantee that no body nor any one can successfully superimpose **any** will over and above Allah's Will without His permission.

## The House Doomed To Fall

*From The Teachings of The Messenger*

The Messenger states in the book, "Fall of America", in Chapter 40, "The destruction and fall of the world that we have known is now without a doubt, in process. When we refer to the world, we are referring to the world of the white man, for **the world of the Blackman has yet to come in.**" How profound is this statement, "**The world of the Blackman is yet to come in.**"? This statement should immediately awaken us mentally. If we thought that the destruction and fall of America was our fall and destruction also, then those who thought this must have really thought that they were a part of and included as Americans. We are not Americans nor are we citizens of America in the real sense. We must understand that the fall of America is due to the mistreatment of its former slaves. Time cannot

be turned back to change history. The opportunity for the white race in America and around the world was given time to give justice to its once black slave, but failed to correct the wrongs and mistreatment done to the former slaves. The amendments of the Constitution which favored the Blackman constitutionally only changed the laws - they did not change the hearts, minds or nature of the white race. Even today, they fail to give freedom, justice or equality to their once slave. Scripture makes reference to "Babylon the Great" which can be equated with America today. America is doomed to fall. The sign of this fall and destruction is all around us. The Bible speaks of the end times and gives signs of that time. The rising of the dead, the separation of peoples and nations and

many more. This is the day of judgment and we must open our eyes and minds to the time. This day was foretold. The destruction and fall of America is not our fall or destruction, but is the day of our rise. We, however, will be apart of the fall lest we join on to self and kind in our own natural religion, Islam, under the guidance of the Honorable Elijah Muhammad. He has been chosen by Allah (God) to lead us back to Himself. Our world is coming in, but we must be made ready to rule it. Seek refuge in Allah and His Messenger. ## Allah Is Judging Today

woman is by mistreatment-mentally and physically. The only way they have been successful in doing so is by keeping us in spiritual darkness and robbing us of the knowledge of self. This is the worst robbery of any man, so teaches The Messenger of Allah.

Now, Allah has come and raised The Messenger to teach us the truth of this Caucasian race of evil people and the truth of ourselves so that we may willingly see the need to separate from them. Separation is the only answer for us. There is no peace among these wicked, evil people (Devils)!

Allah has come to destroy them and save us from their destruc-

tion. The only salvation for the Black Nation is Islam as taught by The Honorable Elijah Muhammad. He teaches us of the reality of Allah (God), who we are, and of our open enemies. The Messenger states in the textbook "Message To The Blackman In America" (pages 28-29): "*The so-called American Negroes must learn these truths today. They cannot deliver themselves from the evils they are suffering from the white race without the help of Allah.*"

Allah intends to separate us from His enemies and not to help us to integrate with them!  
As-Salaam-Alaikum.
