Help Me To Help You from Messenger Muhammad

The Messenger states in the book Supreme Wisdom, Book Two, under the above topic "Help Me To Help You"; "Help me to get the message (of Islam) to our people (the so-called Negroes) with whatever cash that you are able to give, for it takes a lot of it to put this work over. But remember, you will get from two to ten for one. The whole earth will be given to you to rule forever. So help yourselves to escape out of America. She is fall-

ling...falling...!"

As we study the teachings of our Messenger, The Honorable Elijah Muhammad, we too strive to aid him in the work of putting our people on top. By this we mean that it is necessary to follow his leadership in getting the message out to our people. The methods that he used to gather and inform our people of this great and dreadful day and what must be done on our part in order to reclaim our own and again become an independent people, are

tice that is known to mankind, even they claim that it is not condoned, and its sponsors has caused more bloodshed than any religion. They take the weapons of war for their gods and vow to be successful in any of their warring en-

deavors. This is due to their nature which is reflected in the manner of their conduct. Their nature makes them enemies to the Blackman and they are always trying to trick him and drag him to hell and death with themselves. (cont' on pg 3)

Recognition And Respect

by Bro. Kamau Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, The Honorable Elijah Muhammad. As-Salaam-Alaikum.

In his book titled the **Supreme Wisdom, Volume Two**, on page 77, Messenger Elijah Muhammad again states a most profound truth. He states: "(The) White man's Christianity has absolutely failed to get recognition and respect to us (the so-called Negroes). It has failed to get recognition and respect even for those who *taught it to us*."

Here, Messenger Elijah Muhammad makes it plain that recognition and respect must be closely associated if the so-called Negro or African-American is to make progress in these modern times. Civilized people want to be recognized for value, intelligence, accomplish-

ments, skills, collective government abilities, etc. Such recognition would naturally be accompanied by great respect and, in many cases, great honor.

The emphasis the Honorable Elijah Muhammad places here is that a great obstacle to achieving the aforementioned is the **white man's Christianity**. For us to understand why this is true, we must learn the true history of our relationships here in the western hemisphere for the past *four and a half centuries*. For over 300 years the white slave masters passed laws and carried on rules and procedures forbidding their Black enslaved servants from any worship (our own or theirs). We were not allowed to read, write, pray or communicate with one another in any intelligent and progressive manners?

For 300 years the slave masters bred some 15 generations of

Black people in near gross darkness, getting us ready for it (Christianity) and getting it (Christianity) ready for us. Now Messenger Elijah Muhammad clearly states, from the Wisdom of Allah (God), that Christianity is the most perfect slave-making religion on earth. In a little over 150 years up from chattel slavery most Black people do not even entertain the *thought that one of the greatest obstacles to our progress and advancement is indeed the White man's Christianity*.

Most of our people do not understand why the world of civilized people why the world of civilized people show us very little, if any, recognition and respect. Many still do not comprehend why the very people (white people) who taught us the very religion (Christianity) do not give us true recognition and respect.

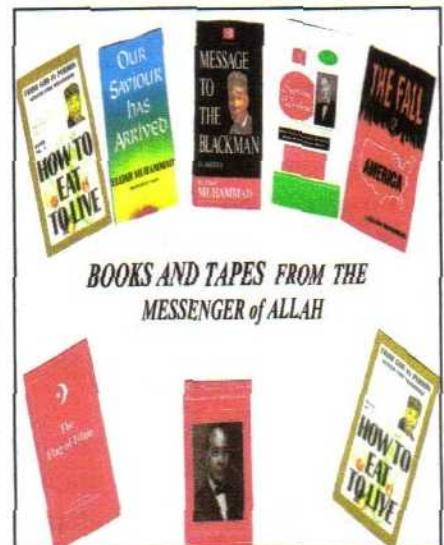

As-Salaam-Alaikum.

times that we are now experiencing. He asked for financial aid to help cover the cost. Today, that need still exists, however it is equally important to have our brothers and sisters join us in not only supporting the teachings, but becoming apart of the movement to rebuild an independent nation of our own. We realize that a great many of our own people are not willing to join in this great undertaking as the devil has instilled fear in many and having implanted a mind in them that makes them

enemies to their own selves. They will not help, but we also are aware that there is a great many who will help in the work regardless of the price that could be paid. The future of the Blackman in America depends on the Blackman in America. The means used to spread the word to our people are already in place. The key ingredient to make this work a success is "YOU".

A Home Of Our Own

by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

We who are descendents of our people who were captured in Africa and brought to the Hells of North America to be made slaves, for white people, have had little thought of ever again having a home of our own in any form other than just a house to live in on this part of the planet. Now we are being taught that we will soon have not just a house but a place on this planet that we will call our

own. This means that we would again occupy a place on the planet that we would own and govern as an independent people free of the control or influence of others that may also be on the planet. This is the teachings to us from the Honorable Elijah Muhammad from Allah Himself. Little wonder why so many black people are drawn to the teachings of Islam as taught by our Messenger. Freedom, Justice, Equality, Independence and a place on the earth that we can call our own, how much more could we ask for? But he offers more, a knowledge of self, a knowledge of those other than self and a true knowledge of God that is satisfying to our nature as

well as to our intellect. Today is the day that the world has been expecting (according to scripture) for the past two thousand years when properly understood. It is true, as long as we follow our now known open enemies, white people, we will never understand the truths of scripture or its proper interpretations. Only through the new Islam being taught by Messenger Muhammad can we expect to obtain this promise of a new life in heaven (on earth) while we live. A home of our own on some of this earth that in truth belongs to the Blackman. Joining on to your own and being yourself is all that is required. Come.

Sayings Of the Messenger

The righteous servant seeks justice to justify his righteousness.

Best Citizens

cont' from pg 1

Members of the Black Nation are now included in programs of integration, attending their schools and universities with little knowledge of self (which leads to independence) and less knowledge of them. We are not taught how to be civilized as a people, but find ourselves using them as a standard as to how we should conduct ourselves in his white world. They are not a good standard for us to gain success. They are in reality an extremely disgusting people, performing extremely dis-

gusting acts of unrighteousness. The world does not have to ponder how evil and corrupt white people are and can be. The Honorable Elijah Muhammad says he emphatically forbids his followers to be subversive, but we are defensive. How could anyone expect trouble of any kind from a peace-loving people who aren't even allowed to carry a pen-knife? Islam, as taught by the Honorable Elijah Muhammad, changes the deaf, dumb and blind Blackman to work toward the

betterment of self and those around him notice the changes that he makes as he advances in his studies. The Blackman in America, upon accepting his own and submitting to the will of Allah (God) acquires Freedom, Justice, Equality, Happiness, Peace of mind, Contentment, Money, Good jobs, Decent homes and True friendships. Following Allah, Master Fard Muhammad, and His Messenger, the Honorable Elijah Muhammad, produces the "Best Citizens". Join your own.
