Ramadan, Fasting In December by Bro Kamau Islam

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Messenger Elijah Muhammad. In his book titled "How To Eat To Live" - Book Two, The Honorable Elijah Muhammad states on page 55; "**FASTING is a great act upon the true Believers of the religion of God (Islam)**"...He further states: "**All Muslims who respect fasting should take the fast of Ramadan.**"

The act of fasting is so important that it is listed as one of the five principles. Upon further study of the teachings of Messenger Elijah Muhammad we reference information in his

or concern themselves with any special or chosen holidays belonging to black people. So, why do we, or should we observe any days that they have chosen to worship, celebrate or observe that they setup or elect? These so-called special days are only in their interest. Our real interest in participating is to get a day of rest from our labors or to join them in their observances, which usually cause

us to fall short in our own responsibilities. We find that most of these days being observed usually fall around our pay periods which makes it easier for us to be caught up in the activities. This adds to our neglect of financial responsibilities, which we hope to cover at a later date. The Christian holidays are really just white people's special days which we take part in. The devil is deceiving us into stay- (cont' pg 3)

For a person or thing to be another's "equal," that person would have to be the same in status, quantity, degree, value, and quality. A prime example of placing equality in its improper place can be found in White Christians' love of lies in their futile attempts to make in their teachings Jesus equal to God. Messenger Elijah Muhammad teaches us that Jesus had said in his suffering, "My God, my God, why has Thou forsaken me?" (Mathew 27:46). This, we are taught, indicates that he did not consider himself to be God or a son of God, or equal of Him. The Messenger says Jesus

denies us from making him a God. He was not a God of the sort that the Christians have made him. Jesus denies it even in the Bible where he says that he is something like all other prophets. He was like all of the other and there is no place in the whole Bible where it prophesies of him coming even as a prophet.

With all of this irrefutable evidence, White Christians and their legions of followers (so-called Negroes) believe in and worship Jesus as God, the son of God or an equal of Him. The Honorable Elijah Muhammad puts it this way; "What you read of Jesus in the Bible, the prophecies are of myself. In Isaiah you will find where there is a prophecy of a prophet coming in the Last Days that will have the government upon his shoulders. Jesus did not have a government upon his shoulders."

There are many other Bible verses which prove that Jesus was only a man and prophet of Allah (God). The Messenger gives three: "Is there a God besides Me? I know not any." (Isaiah 44:81, 45:22). "I am God, there is none else" (Isaiah 46:9). "One people and none other." (Mark 12:32). The Holy Qur'an does not call Jesus a God. It says Jesus came in fulfillment of prophecy. In Chapter 5:171 is stated, "O people of the Book, exceed not the limits in your religion nor speak anything about Allah, but the truth. Jesus, the son of Mary, is only a messenger of Allah and His word which he communicated to Mary, and a mercy from Him. So believe in Allah and His messengers. And say not Three...Desist, it is better for you. Allah is one God. Far be it from His glory to have a son. "Nuff said?"

Nation) are the end of all signs pertaining to the pilgrimage and fasting in the month of Ramadan."

Thus, the act of fasting is a great principle of Islam that is conducted by many Muslims, past and present. Most certainly ancient Black people performed this principle long before Arabs ran the idol worshippers out of the Kaaba, renovated it, and established a rit-

ual centered around circling the Black Stone. Therefore, fasting was prescribed before there ever was a fast of Ramadan. (This, according to Arab scholars, was based on things that occurred some 1,400 years ago).

As Allah, Master Fard Muhammad, had guided the Honorable Elijah Muhammad into clear understanding and into the knowledge of how to use his good judgment to

prescribe for us the proper time to fast, to get the most benefits, he further states: "*We are not taking the month of Ramadan as prescribed in the Holy Qur'an. We take the Christian's month (December, the twelfth month), instead of the ninth month. He further states: This month I prescribe for you to fast (the twelfth month of the Christian's year) for the purpose of getting you*

Heaven On Earth

by Bro. Jeremiah Obey

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Allah has made clear what constitutes heaven on earth. It is Freedom, Justice and Equality, and Independence. When one is free, that's

heaven right there, because one has the freedom to think according to one's own desires which benefits self and those of one's own kind, starting with one's family first. Justice; that's getting what is due according to the work and efforts put out when exercising one's freedom. Equality is the status of being equal with civilized society, having one's own place in the sun. In-

dependence; to build for ourselves a means to provide for self all that is needed to be an independent people. Food and clothing stores, housing, farms, manufacturing, friendships, everything needed for self-sufficiency. Heaven while we live is what we want, and it's what we'll have.

As-Salaam-Alaikum.

Whose Christmas?

by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

Whose Christmas? Good question, however, a better question could be; What is Christmas? We all have been taught that Christmas (Dec. 25th) is the birthday of Jesus, the son of God. It is the day that masses of people celebrate his birth with the songs of praise, the exchanging of gifts, the merriment of drink, the sharing of feast, the merchandising of goods and services, the fighting with one another due to drunkenness, the murdering of each other, the gambling, wild danc-

ing, the eating of swine flesh, all done in commemoration the birth of a righteous prophet of God. Whose Christmas? Certainly not that of a righteous man or people. We have today been made aware of the people of this world who are not of the righteous. We have even been taught that December 25th was not the birth date of the Prophet Jesus, but is that of one of the most vilest persons ever born. This one was born on December 25th, his name was Nimrod. This man came 300 years before Jesus, so teaches The Honorable Elijah Muhammad, breaking the laws of Moses by 300 years. He taught his people (white people) to defy the teachings of Moses. He taught them to follow their nature, to do what ever they

chose and they would not have to worry about the results. The Christmas that is being celebrated is really the birth of Nimrod. He is the great one who opened the door for the white man to openly be himself. Today he celebrates their real Christmas by doing and following that which Nimrod encouraged them to do. For truly, one would not celebrate a righteous man's birth in the manner that we see it being done today. Think that over. Would the previously mentioned activities be the way to honor one from God? Or would that action be more fitting for one who opposes the righteous teachings of Moses that represents God? Whose Christmas? You decide! As-Salaam-Alaikum.

ing in positions and conditions that keep us behind by sacrificing our needs for their pleasures. Our people who follow their ways are warned in scripture (Rev. 18:4) to come out of her, meaning that we should not participate in the goings on and way of life of this (Satan's) world. With the knowledge of our open enemies and the truth that is before us today, we cannot continue to accept the guidance of white people. Those of us who follow an open enemy are doomed. Their world of lying, cheating, stealing, drugs and other vices along with the eating of improper foods, including divinely prohibited flesh (hog), hastens our own deaths. We should band together under the teachings of the Honorable Elijah Muhammad and pool our resources and monies to build a nation for the bene-

fit of self and kind. Their major so-called holidays such as Christmas, Easter, Thanksgiving and others should be left to white people. We have one holiday (Holy Day) and this is Saviour's Day, Feb. 26, which is the birth date of Allah, our God, in Person, Master Fard Muhammad. We should get acquainted with Allah (God) in reality.

Our acceptance of all that white people have given us, including a false religious teaching of God and Devil has been what keeps us mentally and physically enslaved to them. We can only be truly free to be our own beautiful black and proud selves when we, as the scripture teaches us, get up from the rich man's gate and go for self. Join on to your own and be yourself. As-Salaam-Alaikum.
