## *The House Doomed To Fall* by Bro. Hakeeme Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

We see doom clearly being made manifest today. War causes the destruction of civilizations. Wars destroy the cities and towns of a nation. We see this around the world, (Syria, Iraq, Libya, the Congo, Afghanistan) and in cities of the U.S.A., like Detroit. The 81st Chapter of the Holy Qur'an (verses 6-14)

are now being fulfilled, "And when the cities are made to swell... And when men are united... For what sin was killed. And when hell is kindled..." The Sun and Stars, mountains, camels and animals are all mentioned metaphorically in the first four verses of this chapter and are not mentioned without significance. Worship white man as God (Rev. 14:4), these are they which were not defiled with (white) women; for they are virgins. These are they which follow the Lamb whithersoever the goeth, these were redeemed from among

men, being the first fruit unto God and to the Lamb. The Black people are the ones. The coming of God referred to by the prophets is to unite a people who have been divided against self by their enemies. He chose these people for building (*cont' pg2*)

ble, a supreme sense of fear comes over them, if its true trouble that they are facing. In the topic, "Days" are depicted here, but just one day of trouble, one or all would say that's enough; because it would still have to run its course before there is any enjoyment of relief or mercy. The last Messenger of Allah, the Honora-

ble Elijah Muhammad teaches us that the days of trouble have now come to us from Almighty God Allah, the God Who is the real owner of heaven and earth. The Holy Qur'an, Sura 10, entitled "Jonah", verse 2 confirms this supremely wise teaching of the Honorable Elijah Muhammad. It reads, "What! it is a wonder to (*cont' pg 3*)

## *America's Dreaded Destiny* by Bro. John X

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

For us, "the believers", who study "the Teachings", how fortunate we are to be living witnesses to this Day and Time referred to as Dreadful. To be "dreadful" is to be "frightful", "scary", "terrible" and "causing fear". There lived prophets (wise men) in the past, but they only read about this coming dread. The Messenger uses the word "terrible" because, he says, it is not a thing that is something mild, moving slowly, of easily recognized by the common

people.

This great, dreadful and awful day (doom) is now in the doors and windows of America-and of the church-America's Christian religion. Because Christianity worked, America thought she was safe by deceiving and misleading the people of the world. The Messenger states, "If Christianity was a wet rag and wrung out, every drop would write slavery for the Blackman". In the most of these dreadful times, the duty of Messenger Muhammad is to deliver Allah's message clearly. The truth of this message does not depend upon how people react to it.

Despite Divine warnings, some people do not appreciate a change in their lives, though it may be for their

own good. They doubt the authenticity of everything that doesn't have the Whiteman's approval. This collective refusal is known as the "hardening of hearts". Believe it or not, even during these dreadful times and hardening hearts, a balance is taking place.

We have a great time of trouble going on and it is getting worse every hour. Therefore, we (Black People) should be in Muhammad's Temple of Islam to decide on what way we shall take.

Messenger Muhammad advocates a home on this earth we can call own. and want to do for self and go for self. All of America's false promises to the so-called Negroes will be short-lived. America's doom is here-a dreadful doom. As-Salaam-Alaikum.

a better world. The Bible's revelation refers to the destruction of "The Beast" and his chief instructor, "The Dragon". The name, Beast, given here is not referring to four-footed animals, but to a people whose rule is like that of a savage beast. Many theologians take the term "Dragon" to refer to the Pope of Rome who is the father of the Christian church and religion.

Today, we are now seeking to join on to our own selves and other black nations of the earth for the first time since being lost in this part of the earth. This is under the guidance of Allah (God) Who is

now present. Opposers of Allah can not win a war with Allah, the God of righteousness. Like Pharaoh, who drowned in the Red Sea, they too will be vanquished. For the mis-treatment of us for over 400 years, with little or no benefit, Allah has come to judge this un-alike people and restore us to our own. We are seeking some of this earth to call our own to live in and build an independent nation of our own. We have sought to live in peace under this demandable devil, but as James 5:6 (Bible) infers, we cannot. All praise to Allah, Master Fard Muhammad, for the Honorable Elijah Muhammad. As-Salaam-Alaikum.

## The Great Commotion

by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

This subject, "The Great Commotion", is a warning of forthcoming and current events. As we today witness the events of this country, and the treatment of the Blackman and woman daily, these are signs of the ever-present pending end of the world of white people. Those who think that they know and understand scripture must understand Genesis 1:26

(Bible, the making of a new people). This refers to the people who we made and gave a limited period of time to rule on our earth. Today their time is up. The commotion that we are witnessing today is the prelude to the total destruction of their evil world. As this world is experiencing civil unrest, insurrection, mental excitement, confusion, murder, greed, and a host of un-pleasantries, we still fail to recognize the time prophesied in scripture. This great commotion is being recognized by other nations and America keeps us mentally dead (deaf, dumb and blind) to the time. We,

the Blackman and woman, former slaves, still believe that our hope of a better life and existence lies with Jesus, either when he returns or after we die. How foolish we have been made by our open enemies (white people). Allah, God in Person, Master Fard Muhammad has come and as foretold in scripture and is "Making All Things New". America mistreated and killed her Black once slave and today she is paying for that mistreatment and her day is drawing to a close with this Great Commotion. All praises to Allah.

As-Salaam-Alaikum.

the people that We are revealed to a man from themselves saying: Warn the people and give good news to those who believe that there is good footing of firmness with their Lord. The unbelievers say: this is most surely a manifest enchanter." Well then, let us see! Today Allah (God) has confirmed that we, the Black people, cannot get along with the Whiteman in peace, and that the Whiteman must be removed. The Whiteman wanted to remove us, the Black people. But in order for the Whiteman to remove us, the entire heavens and earth must be removed and this he cannot do. The Devil

(Whiteman) cannot destroy God's creation as he has no part in God's creation. He has only been allotted time in it. This makes the Devil (White people) unable to lay hold to the power that would destroy the creation of God. The Whiteman's days are troubled because of this. He cannot take over the Earth (the natural home of the Blackman) nor can he be successful in trying. All 196,940,000 square miles of it belongs to us.

As-Salaam-Alaikum.
