liverteh for a spoil and none saith restore (Isaiah 42:22). Such are the conditions of the so-called Negroes who, themselves, are in almost total disbelief as to their good fortune that awaits them (resurrection). Many almost refuse to believe that even they are worthy of life's (scriptures) rewards that are theirs for the taking.

Messenger Muhammad teaches us the old world must be removed to make way for the new world. In the midst of it all the so-called Negroes await their turn - many snared in holes, hidden in prison houses, while no one de-

## *Every Nation Has A Turn* by Bro. Hakeem Muhammad

In the Name of Allah, Master Fard Muhammad, and His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

This title causes the Blackman in America to ask, "When will we have our turn?" This is a valid question considering the long road that we have traveled here in America. However, we must consider whether or not we are really ready to run our own nation should our turn comes. Messenger Muhammad, aided by Allah, God, Himself, in the Person of Master Fard Muhammad, has been given the keys to prepare us for rulership of not only our own nation, but the entire world. Many of us will look at the condition and state-of-mind of our own people and say, "No way!" But if the world of the enemy

is going out, then we must be prepared to take the reigns of the New World that come after the removal of this Old World. The Messenger of Allah is here preparing us for this task. With all religious teachings directing our minds toward the end of this evil world and the removal of its host, the knowledge of this world must be exposed. This is being taught to the Blackman and woman today. Our world of righteousness is coming in. The Messenger teaches us that our open enemies will do all they can to keep us deaf, dumb and blind to his real self and to the time that is upon him. Many of our own people will stand with our open enemies for the crumbs that they receive, and they, too, will be removed along with the enemies of us and Allah. In the book, "The Fall of America" by the Honorable Elijah Muhammad, he gives extensive information referencing this

subject. We would do well to read it and open our eyes to the time in which we are living. No other Leader, Teacher or Guide makes this day and time so clear. The Final Days of this world is unknown to us, but the signs are ever clear. Be not fooled by the workings of our open enemies to keep us in a place and condition that gives them any extra time on our planet. No two things can occupy the same space at the same time. The longer we stay in the ways of the White World (Devil's World) the longer it may take Allah to end that world, trying not to destroy us with them. But rest assured, the Whiteman's world is going out. The time to choose which side you will be on is at hand. Make the wrong choice and Allah will, without a doubt, "take you out" with the white race. **It's Now Our Nation's Turn.** As-Salaam-Alaikum.

new world of righteousness (Islam). Even a slave once prayed that someone would arise and champion their (slaves) cause, thereby compelling the world to see that they (slaves) deserved justice. Sadly, the Blackman is even in doubt today about his reward (Resurrection). Therefore, one can conclude that the so-called Negroes' rejective behavior of Messenger Muhammad's teachings (Islam) is rooted in the unnatural behavior or condition the

white man has put him in. However, there is no man or people so low-down that the cure for his (their) condition does not lie within himself (themselves).

For over 400 years, the so-called Negroes have been appealing for confirmation (evidence), yet for trillions of years truth has been furnished, constituted, corroborated, verified, professed, declared, affirmed and avowed. What other truths are needed?

*cont' from page 1*

Permanent change (Islam) eliminated intolerable conditions that have plagued the people of the Earth. Evil is eliminated permanently. Therefore, the solution (resurrection) must be enforced. The Messenger's life and mission manifest Allah's will and the rejecters understand him not. We have arrived at the Day of Resurrection and we must make a change (Islam).

As-Salaam-Alaikum.

## ***The Fall Of America Foretold*** **by Bro. Kamau Islam**

In The Name of Allah, Who came in the Person of Master Fard Muhammad, and in the name of His Last Messenger, the Most Honorable Elijah Muhammad. As-Salaam-Alaikum.

As a student and follower of the Honorable Elijah Muhammad and his divine teachings and instructions from Allah (God) in Person, Master Fard Muhammad, I am truly blessed to know and understand the time in which we live and what must be done. Such satisfaction and security can be obtained by all of our lost-found Black people in America, and elsewhere, if they would only elect to join on to their own kind under the teachings of the Honorable Elijah Muhammad.

In the year 1973, the Messenger

wrote a book titled **The Fall of America** and the subject we are commenting on is found on page 164 of this publication. He gives us references in scripture, found in both books - Bible and Holy Qur'an, that warn us of America's impending doom and destruction.

In their constant efforts to further degrade the so-called American Negroes or African-Americans (their contemporary slaves), America and her European white brothers continue to drain the world of all righteous humanity. The greed element in the nature of America and all white people demands that they constantly control, dominate, rule, war against, steal from and kill members of the Black nation all over the planet Earth.

The Bible speaks of the "Beast" (the government head) and the

"Dragon" (the spiritual head) as being co-conspirators in this mass destruction and war against Allah (God) and the righteous. America manifests herself as an active cancer that consumes your life, destroys your relatives, steals and devalues your savings and other finances. She even finances her international as well as domestic greed and atrocities by borrowing monies from current and future generations of the resident tax payers of America. Many people today work two or three jobs trying to make ends meet.

The Honorable Elijah Muhammad advises us to stop feeding this cancer (America) and take the divine cure. SEPARATION IS THE ANSWER.

As-Salaam-Alaikum.

### ***The Dead Are Rising cont' from page 1***

God-Allah to visit us, and He is quickly raising Black People to acknowledge that all white people are evil by nature.

The dominant way of life in America is to think and practice evil as taught by the Whiteman. Allah, Master Fard Muhammad, raised Messenger Elijah Muhammad so that we may be spiritually saved from low morals. His (Allah's) way of life gives us high morals. The Whiteman was made for the purpose of mischief-making. The Bible teaches that "God will pull the cover off the covered and show the nations his (white race's) shame" (Nah. 3:5). Allah is revealing the deceitful, natu-

ral characteristics of the devil, who is like a rattlesnake, to the poor Black People. Allah and His Messenger teach us that the only cure for the devil's poison is a knowledge of ourselves.

White people desire no happiness for Black people. Praise be to Allah and His Messenger for raising us to be as blast of a trumpet! This is now taking place. As we gain a knowledge of self, we are happy, in spite of the viciousness of the evil rattlesnake (white people). Brothers and Sisters, come to the Temple of Islam under the guidance of the Honorable Elijah Muhammad. We, the dead, are rising by seeking our own. As-Salaam-Alaikum.

### ***Reference Ramadan***

***"I have prescribed for my followers the month of December to fast during the daylight hours as the Orthodox Muslims do in the ninth (9th) month of their calendar called Ramadan, the month in which Prophet Muhammad (pbuh) began receiving the Holy Qur'an. This is to get you away from the false teachings and observances of Christians of Jesus being born in December. This helps you to remove yourself from wasting your money and wealth worshipping this false practice".***

**Followers of the Messenger of Allah, hold fast to his teachings. They are our success.**
