## **The National Election by Bro. Hakeem Muhammad**

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

As Messenger Elijah Muhammad teaches us, our votes for any candidates in any elections should be for the one or ones that push a program that will best benefit you. We are all aware of the fights that we have gone through while try-

ing to cast that granted privilege of voting. While being allowed to vote, the act of voting itself has been a hard fight. Barriers put in place by the white race to interfere with this granted right to take place may have lessened, but efforts to prevent black people and those of color from voting are still in effect.

Messenger Muhammad advises that our vote is strong and powerful when used to put a white person in place, but we

often find that when that one gets in office we realize that those promises made during the campaign are now forgotten or unfulfilled. We also find that even those of us who seek office do so to elevate themselves as *(con't pg 2)*

## **Modern Babylon is Falling by Sis. Faye Muhammad**

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Today, we are witnessing America's fall. It is prophesied to be a war

with the righteous in the last days. She is also known as the "Modern Babylon". The Bible sheds light on Ancient Babylon's history and a future Babylon, giving us insight into how the two compare in prophecy. According to the teachings of the Honorable Elijah Muhammad,

Ancient Babylon was a city under the rulership of King Nebuchadnezzar and Belshazzar. Both were proud and boastful of their power and wealth as America is today. Ancient Babylon engulfed herself in evil and was targeted for destruction by God in a profane manner. In comparison, America has produced *(cont' pg 3)*

## ***Confusion, Confusion of People*** by ***Sis. Brenda Muhammad***

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

America is being torn to pieces politically as Pharaoh's political party was in the days when Jehovah went after the freedom of Israel. The prediction of the prophets, who wrote our future before we lived, is now coming to pass. We are not surprised at the truth Allah (God) gave to us through the mouths of His prophets coming to pass, as it was prophesied. We lack righteousness, yet, we are not even free to do righteousness. This past Presidential election has

let the people see without a doubt the mockery this system has in place. No amount of protest, demonstration nor popular vote will overturn the electoral vote. All the aftermath, political discussions and disagreements, will fall on deaf ears during the times of the transitions. The world of the white race is filled with confusion and they don't know what to do themselves. They do know they don't want a woman governing them. A no good man seeks to keep the world under his no good guidance. This is now as prophesied, THE GREAT WORLD OF CONFUSION. The Black man is so confused he doesn't know whether to

go for self or stay under the rule of the made-man. We must have unity Black Nation. We cannot make the steps of freedom until the shackles have been cut to allow our steps to be made freely. Egypt was plagued with droughts, storms of hail, rain, and fire, according to the Psalms, running side-by-side (fire and water). These plagues are now visiting America from Almighty Allah (God). No matter what paper you read, news or weather channel you view, they are all reporting devastation. All the beatings, cheatings and shootings have not gone unnoticed. America is undergoing all that is prophesied against her. As-Salaam-Alaikum.

they oftentimes are unable to carry out their promises. A number of the so-called black leaders and black politicians will use black people for selfish gain and will throw them behind any crook with money. These types have sold their black brothers and sisters into more suffering and shame for self-elevation with the crook.

The president as well as elected other official has the responsibility of working for the good of the people and country. However, we are made aware that even though we have been granted certain rights under the law, America still

holds fast to the majority-ruling announced by Supreme Court Judge Roger Taney regarding the Dred Scott decision, "...the Black man has no rights that the White man is bound to respect..."

Messenger Muhammad advises that most of our people are not versed in the games being played in politics or the goings-on behind closed doors. He advises that the die has been cast and America is falling. He advises that the Black man should be very careful with his vote as he is unlikely to know what he is really voting for. We are advised to come out of her and

be not part of the fate that is befalling America. We should hurry to Allah and to His Last Messenger.

Our cry for Freedom, Justice and Equality can only be fulfilled by our return to our Religion (Islam), our God, Allah, our own self and kind, and our righteous way of life.

We are advised that we should cast our votes, not for our open enemies, but for our God, Allah, Master Fard Muhammad, His Messenger, the Honorable Elijah Muhammad and for the success of our own Black Nation. As-Salaam-Alaikum.

## America Hastens Her Own Doom

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

guide us from this destruction. He restores us to the knowledge of self as well as the knowledge of others.

Today, we sit inside a country (America) that declares itself to be a *world super power*; yet, it hastens its own doom. Our poor Black people who are nearly out of their minds cannot comprehend the fact that America is in her own mind, according to the nature of white people.

**Would any people or group of people in their right mind hasten their own doom?** The average person, in these contemporary times, would most likely answer - No! This answer “**NO**” would come from many people of the earth, including the poor so-called American Negro or African-American.

It is true the so-called American Negro is not in his or her right mind, and is speedily heading toward his own doom. This is why Allah (God) has given us His Messenger - to

The Bible, in the Book of Genesis, opens by describing a clash between God and the made-man (the devil) which is still on-going today. In his book titled **The Fall of America**, beginning on page 189, Messenger Elijah Muhammad declares: **America Hastens Her Doom**. He further explains... “*To try to oppose the success*

by Bro. Kamau Islam

*of Allah’s truth only hastens the doom of falsehood and its teachers.”* He continues... “*Falsehood cannot be victorious over the truth in the day of truth.*”

The Black man and Black woman, who are righteous by nature, have excellent opportunities to escape the doom of America and the white world in general. The white race which is wicked by nature has chosen to let their wicked nature override any sense of reason that will place them in favor with the righteous God, Allah. Thus, America Hastens Her Own Doom. Let us not follow them any longer.

As-Salaam Alaikum.

a melting pot of wickedness where anyone can come within her borders and wallow in filth and indecency, but her greatest sin is that of bringing the original people of the earth, Allah’s scared vessels (Black people), into her haven described as a “hole of every foul spirit, and a cage for unclean and hateful bird” (Revelation 18:2). Her government is evil and so is her made religion called “Christianity” that continues to keep our people deaf, dumb and blind. As Allah closes in on America’s destruc-

tion, where neither root nor branch will remain of our captors (white people). He also appeals to us to “...Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues. For her sins have reached unto heaven, and God hath remembered her iniquities” (Revelation 18:4,5). America’s punishment is sealed and warranted. She makes mockery of God and His Divine Laws.
