Those of us who are listening to and following the teachings of Allah's last Messenger, the Honorable Elijah Muhammad, are well on the way to the way of a life that will indeed result in heaven while we live. However, those of us who have not chosen to follow his teachings, as Muslims under this New Islam, are treading on thin ice. Today a decision must quickly be made. This

The Days of Trouble by Bro. Hakeeme Muhammad

In The Name of Allah, Master Fard Muhammad, and His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Messenger informs us that the days of trouble have now come to us. Almighty God Allah - the God Who is the real

owner of the heavens and the earth, created Himself in a heaven, and then He let it out to a foreigner (the white race). They have enjoyed themselves in it for a while. They have also proven themselves to be unworthy of such a glorious creation; that which was created for the original man (Black

people). The permission given to white people to rule was for a limited period of time. He has shown that he cannot live in peace with the original people and can only display the evils of his nature. His time is now up.

We, the black people of the earth, are now being restored and (cont' on page3)

Under The Shadow of Death ***by Bro. Kamau Islam***

In The Name of Allah, Master Fard Muhammad, and of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Honorable Elijah Muhammad, the Last and Greatest Messenger of Allah (God), clearly explains, without a shadow of a doubt, that all lost-found Black people in America are ***under the shadow of death***. He assures us of this fact based on what Allah (God) has taught him, his own life experiences and studies, as well as what he and other Black people have experienced and continue to experience from the white race.

So many of our people have been tricked by the white devils of America and the world that they still hold out hopes that some members of the white race will eventually change and begin to recognize us and treat us

(Black people) as human beings. This is because our people ignore our historical and contemporary relations with white people - anticipation harmony "between the races".

Messenger Elijah Muhammad teaches us from Allah (God), Master Fard Muhammad, that all white people are devils and are members of Yakub's grafted devil race, while all Black people are members of the Black Nation. The devil's nature manifests him as evil, sly, slick and wicked; the Black man's nature is that of righteousness and justice. Hence, there can be no harmony between the two parties.

In 1832, in the State of Virginia, a devil by the name of Henry Berry spoke before the Virginia House of Delegates stating "***We have as far as possible, closed every avenue by which light may enter the slaves'***

mind..." This was just a small part of the law that white people had established against the education of our Black ancestors. The Messenger states that if a man will not treat you right, don't expect him to teach you right.

In his book, Fall of America, on page 28, the Honorable Elijah Muhammad further expounds on why we (Black people) are still ***under the shadow of death***. Today, the white slave-masters' children are more sophisticated in their tricks and evils perpetuated on Black people than their foreparents could ever have thought of being. Come to Muhammad's Temple to learn how all of us can escape this death trap.

As-Salaam-Alaikum.

scriptural teachings with the proper interpretation. We can not take the word of our former slave-masters regarding the truth of scripture. The white race's time is limited on this planet. His world is being removed, as it is stated in Geneses 2:1. He was given six days to rule and now that time is over. His world is going out and the original man's (Blackman's) world of righteous is being restored, (Genesis 2:2). Make no mistake, the Blackman is the original man and is now coming back to the forefront. He is the God of the universe. This truth has been given to us by the Supreme God (Allah) Who has come in the

Person of Master Fard Muhammad. Our people have been fooled by this temporary ruler (white people) to such a degree that everything that he teaches us, we believe, and we fight against anything that contradicts that which he gives us. He is looked upon as a truth bearer. Now the light of truth shines brighter than the sun and all his tricks and lies are being exposed. He can no longer hide in the shadows of darkness. However, many of our people refuse to accept that a decision to flee from them and their death style is one that will save our lives. As a result, some of us will be removed along with the white

race. Genesis 1:26 makes it clear that the white race is a temporary people. A decision is due now. The evidence has been put before us and judgment has been rendered. For life, chose Allah, Islam and His Messenger.

Dawn of A New Day

by Sister Evvy Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Honorable Elijah Muhammad teaches that America is falling, making way for another nation. All nations have a limited time except the Original Nation. The Original Nation takes on renewals and changes. We (Black People) are Lost-Found members of the Original Nation who practice the New Islam as compared to the old. The Author or Founder of The New Islam is Allah (God) Himself, Master Fard Muhammad, to Whom praises are due forever. This New Islam is taught by the Honorable Elijah Muhammad, His Last and Greatest Messenger.

America (the white race or nation) is divinely condemned, for she will not liberate the poor so-called American Ne-

gro, the Lost-Found people of the Original Black Nation. America is a race of devils who have convinced the Black Nation that Christianity is the way of life or religion to live. The Reverend Martin Luther King, Jr. begged the white race for brotherhood, and he was a graduate of the Christian school of "Theology". Black Preachers will not accept the truth that the white race is an enemy of Allah-God, to be divinely removed, and they do not wish for the Black Nation to avoid the "Fall of America". To be caught up in this fall is death for us. There is only one true solution to the problem, and it is divine; it takes only Allah, Himself, to give a mentally dead people life - through His Last Messenger.

In the Bible, Ezekiel declares in his vision, that all the dry bones were resurrected. Both Bible and Holy Qur'an verifies that the race of devils will be destroyed.

Salvation has come to the so-called Negro. The Honorable Elijah Muhammad is teaching the truth of this evil wicked race of devils; that their end is here, NOW! It is time for the Black Nation to accept this truth. The end of America is also predicted and hinted under Daniel in the Bible, and also the Holy Qur'an's prophecy is exact.

The poor so-called Negro must be removed completely from Christianity- the white race's way of life - and accept our own true way of life, Allah's way of Life, "Islam". The Messenger teaches that this is the Dawn of a New Day - for America, and Christianity is falling quickly! Brothers and Sisters, fly quickly to Allah-God as taught by His Messenger, to live to see this Dawn of a New Day, Now!

raised to take our rightful place as rulers of the earth. However, Messenger Muhammad explains that our transition from the oppressed and depressed is compared to the developments of a baby in the womb. It must mature in that which he is in. As the baby matures in the womb, the Blackman must mature to be born into a new world that he must build himself. He explains that the trials that we have endured also prepare us for rulership of our new world of righteousness that is now coming into existence. We are now being born as a new people without the

minds and manners of the world of white people. He explains that we, the poor Black people here in America, must be changed into a new and different people altogether. This renewing of us also brings about the renewing of the heavens and the earth. Allah, Master Fard Muhammad, comes to make all things new. The Days of Trouble represent the changing of worlds for both black and white. The Whiteman will not go out without a fight, but that fight is not ours, it's Allah's, and He will surely win. Let us join on to self and kind to build our new world. As-Salaam-Alaikum.
