The Best Part of The Earth by Bro. Hakeeme Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

As we review the teachings of Messenger Muhammad reference our studies of the solar system, we concentrate on planet Earth as it is our home. We are taught that the Earth is the footstool of Allah (God), a man, and not some entity

out in space, unseen and unknown. Therefore, we should know all about the planet that we occupy. Our lessons cover a great deal of information about the Earth and we are informed that it is the only planet in the solar system that is conducive to our form of life, yet there is life in other forms on seven of our planets. As we examine our amazing planet, we find that its crust or surface area is 196,940,000 square miles. We measure its circumference to be 24,896 miles with a radius of

7,928 miles. Its weight is 6 sextillion tons and spins on its axle at a rate of 1,037.33 miles per hour, with a tilt of 23.5 degrees. It travels around the Sun in 365.25 days (one year). It has one moon (cont' pg 2)

The Woman In Islam by Sis. Faye Muhammad

In the Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Islam is the only religion (way of life) chosen by Allah (God) for the Blackman and woman in

North America. It embodies 360 degrees of life-giving teachings delivered to us to us by Allah's Last and Greatest Messenger, the Honorable Elijah Muhammad. When we look at the woman in Islam, it starts with her acceptance of Allah and His Messenger. She is introduced to a course of study that will guarantee her success as a Muslim.

As Muslims, we do not follow or emulate in any way the unclean life-style of the unrighteous, so we have work to do in building and maintaining a civilized society in the mist of one that is unstable. Under the leadership of the Honorable Elijah Muhammad, civilization classes tailored for the woman provide her with tools to fulfil her natural (cont' pg 3)

Separation, Key To Independence by Bro. Hakeem Muhammad

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

We find a number of programs that have been brought by many organizations, civil groups, charities, religious orders, etc., claiming to be of great benefit to any who will venture into seeking aid in some manner. We find that none are successful outside of the Nation of Islam, under the guidance of the Honorable Elijah Muhammad, the Messenger of Allah, and Allah Himself, Master Fard Muhammad. They offer to the Blackman and Blackwoman a way of life (religion), an a educational

program giving us a knowledge of self and those other than self; a most important teaching. This is an overall awakening of truth for us and of the time that we are living and what must be done.

We who follow these teachings encourage our Brothers and Sisters to join us in this most important undertaking. We, as scripture teaches, are the chosen people of God. This is the end of the world of Satan (the world of white people, Genesis 1:26 - their making and time permitted - six days to rule). We are now being raised to rule over our new world of righteousness that is now coming in. We had been raised to believe in a world that conflicted with our own nature. This is why we have

not been able to enjoy a way of life that our nature demanded. We had been made deaf, dumb and blind by an open enemy who was unknown to us and who had no love for us. If freedom, justice, equality and independence is to be obtained by the Blackman and woman, then we must separate from the world of white people and come to our New World of Islam. No other course of action will do; nor can we rely on any other given road to salvation or deliverance perpetrated by white people. The Jesus that their religion promotes is of no benefit to us. Only Allah, Master Fard Muhammad, and His Messenger, the Honorable Elijah Muhammad can deliver us.

As-Salaam-Alaikum.

which circles every 30 days on average and serves as a satellite and is a part of the Earth. We are taught its origin as well. The Earth has 29,000,000 square miles of useful land, of which 23,000,000 is used by the original and we permit the made man (white people) to use 6,000,000 square miles. These are just some of the actual facts taught to us about our planet and there is much, much more information being provided, as it is time. It's important that we have such knowledge as the Earth belongs to the Blackman. In the educational system of white people, provided to us, these things may have not been stressed, but now it is time for us to be most aware as the time for Black rulership is at

hand. It is important that we be ready. Some other lessons being taught are information about the oceans, seas, rivers, lakes and waters in the sky surrounding the Earth; the mountains, their sizes, heights, and depths of valleys as well as the purpose of their existence. We may not have given much thought to these things as our main concern was survival under the rulership of an unlike, unrighteous, devil people whom we had no true previous knowledge of before the coming of Allah in The Person of Master Fard Muhammad. We are forever thankful for Allah's coming and raising a Messenger, who is a Leader, Teacher and Guide for us, the lost now-found sheep (the

Blackman and woman in the Hells of North America), in the House of Israel (the land of Yakub's grafted Devils).

This is our time to be advancing ourselves in math, science, economics, chemistry and birth control, in order to restore our planet and ourselves to a former pristine condition that we might enjoy our way of life that is heaven while we live. Islam under Messenger Muhammad is the only route that is available for us, Allah's chosen people. Lest not pass up this opportunity to remain in Allah's favor. This is the time of Resurrection, Separation and Judgment and we're coming out of it with great substance, to be the best part of the Earth. As-Salaam-Alaikum.

Do Not Change Messenger Muhammad's Teachings by Bro. Kamau Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Most Honorable Elijah Muhammad gave this directive to all concerned: **DON'T CHANGE MY TEACHING; LEAVE MY TEACHING AS IT IS.** According to the 53rd Chapter of the Holy Qur'an, verses 1-12, Allah-God met with His Servant (His Messenger) and gave him a direct message. His Servant (Messenger) did not add to this message nor did he take away from it. This is the same message that Prophet Jesus of 2,000 years ago referred to in the Bible (John 8:32) as the TRUTH we must know in order to be made free.

This TRUTH was brought to America by Allah in Person, Master Fard Muhammad, as He established the Nation of Islam in America, beginning July 4, 1930. Many people of this present world

fear and dread the day and time when this TRUTH would be revealed. The American FBI (Federal Bureau of Investigation) has declassified documents which reveal their wishes and desires as to how to accommodate the Nation of Islam in North America. They stated they desired, after Messenger Elijah Muhammad's departure, that the Nation must eliminate teaching that white people are the real devils referenced in scripture, and that God (the Supreme Being) is a Man — and a Black Man at that! This effort was designed to prevent the revealing of the Man of Sin (the Devil) as well as that of The Son of Man (God).

America was prepared to groom some so-called Black leader (called a Muslim) to guide his people into a watered down form of Orthodox Islam; preferable one that is brought to America by weak foreign Muslims who have left their own Islam societies in preference for the white American way of life. They must be of the Sunni persuasion, and especial-

ly opposed to Shiite Islam. This leader or leaders must teach the members of the Nation of Islam to put away their books, throw away there books, and eventually discard all materials which Allah-God gave to Messenger Muhammad as relevant to our salvation.

The dismantling of the Nation of Islam in North America was highly visible in the 1970's and continues on until today. The war on TRUTH is constantly waged by white devils, hypocrites, disbelievers, non-believers, egotistical males and females who want to assume leadership positions over anyone who wants to listen to and follow them. None wish to follow Messenger Elijah's directive. There is no interest in gathering those valuable materials needed to rebuild local, state, national, international and universal structure of the NEW ISLAM. The Devil plans and Allah-God plans; however, Allah-God is the best of planners.

As-Salaam-Alaikum.

Sayings of The Messenger

Allah will retaliate against anyone who makes trouble for us, or who seeks to do us harm.

The Woman In Islam cont' from page 1

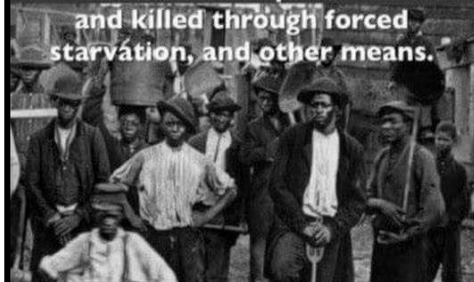

role of being the first nurse and teacher of not only children, but to all children of believers who follow our Messenger. She is the "Mother of Civilization" on planet Earth, so to see her in her natural state serves as an example for our own, and lost-found, and for the Black man. She was fashioned by Allah to be pleasing to him with her gentleness, natural beauty and poise. In marriage they become one. She supports, comforts and motivates him to maneuver through life with the help of Allah and His Messenger. She is his heaven and works just as hard for him as he does for her.

Sisterhood among the women in Islam is beautiful. We develop strong bonds and well-disciplined minds; our goals and aims the same as we seek to grow as Muslims. We demonstrate self-respect, high moral values and intelligence at home and abroad. We appreciate the rules and laws from Allah and His Messenger that keep us on the right path so that we can enjoy freedom, justice and equality... true heaven on earth.

As-Salaam-Alaikum.

SICKENING - SAD - EVIL

Did you know: After and during the Civil war, millions of freed Black people were funneled into concentration camps in America and killed through forced starvation, and other means.

In, Natchez Mississipi alone, official estimate that over 20,000 free Black people were killed in the concentration camp called The Devil's Punchbowl. To this day, this grove grows beautiful peaches that no one will eat because they know what fertilized them.
