There Is No God But Allah

The Holy Qur'an is the Book of Guidance revealed to Prophet Muhammad (peace be upon him) 1400 years ago. In it is truth. Chapter 2:2 states: "This book, there is no doubt in it, is a guide to those who guard against evil. Sura 32:1 states: "I am Allah, the best knower." This means that it is from the Lord of the worlds and not from some other source. This book is from Allah. We are today being brought into the true knowledge of God (Allah) and we are given this book and a Messenger who reveals to us the proper understanding and interpretations in order that we might reclaim the truth of our own true God's teachings to us. We have been given a God teaching that makes us wonder how three can be one and are asked to just accept this teaching to be right even though no math that we have studied makes three, one. We are asked to believe without any evidence or proof that the God represented is made up of three separate sources in order to be a single God. The Holy Qur'an instructs us in the

112th Chapter to say: "He, Allah is One. He begets not, nor is He begotten." This dispels the Trinity teaching which has no basis in math or science. The revelation of the Holy Qur'an to us is also a sign that the time of judgment is also at hand (cont' pg 3)

Jews and Christians Not Allah's Beloved Ones

In the Name of Allah, Who came in the Person of Master Fard Muhammad and in the Name of His Messenger the Honorable Elijah Muhammad

Muslim scholar - Maulana Muhammad Ali - sheds much light on the above topic. No! Jews and Christians are not Allah's (God) beloved ones.

Chapter 50, Section 8, and verse 51 in the Holy Qur'an states: "O you who believe, take not the Jews and the Christians for friends. They are friends

of each other. And whoever amongst you takes them for friends he is indeed one of them. Surely Allah guides not the unjust people."

Other information on this matter is found in a footnote in reference to the main text. (cont' pg 3)

Knowledge of The White Race Removes Misunderstanding

In The Name of Allah, Master Fard Muhammad, and in the Name of His Last and Greatest Messenger, The Most Honorable Elijah Muhammad, As-Salaam-Alaikum.

Allah. He pours it out as freely as the sun gives its light.

The white race has already been declared by the Messenger as our arch-enemy - who they are, what they are (not) and everything contained therein.

get both knowledge and wisdom

Knowledge denotes acquaintance with, or clear perception of facts (actual facts). Wisdom denotes the capacity of judging soundly and dealing broadly with (actual) facts. Wisdom also implies depth of insight or ripeness of experience. The scriptures command us to get both knowledge and wisdom, but the culmination of these two is getting understanding.

Messenger Muhammad teaches us that "a true knowledge of the white race removes once and for all times mistakes that would be made in dealing with them". He also does not grudgingly withhold the wisdom of

If history is best qualified to reward its research(er), and it is, then why are our people (so-called Negroes) still confused as to the evil intentions of the white race? Lack of knowledge-plain and simple. The Messenger says "My followers and I can and are getting along with them ...because we know them."

Picketing, marching, all types of rallies only serve to stir up and antagonize white people who are already filled with the venom of hatred (a four hundred year hatred) for us. The only anti-venom for this serpent is Islam (new Islam) as taught my

The Honorable Elijah Muhammad.

Let us remember that "the first step to knowledge is to know that we are ignorant" and "the best part of our knowledge is that which teaches us where knowledge leaves off (ends) and ignorance begins."

Nothing nowadays excuses us (so-called Negroes) for following and practicing the white race's evil habits or accepting them for righteous guides.

The time of the white race is up! They live as long as we (so-called Negroes) are dead to the knowledge of self and the white race. A Saviour, today, in the Person of Master Fard Muhammad, to whom praises are due forever, has chosen us, and now we choose Him to be our God and we His people .

Ramadan- Making It Clear

by Sis. Brenda Muhammad

In the Name of Allah , Master Fard Muhammad and in the Name of His Last Messenger, The Honorable Elijah Muhammad do I greet you , As-Salaam-Alaikum.

We are taught all religions teach the practice of fasting, thus it includes Muslims also. Fasting as Allah, Master Fard Muhammad prescribes for us is to prolong our lives with better health, eating the right foods and not eating too often.

Messenger Muhammad prescribed for his followers the month of December to take the fast of Ramadan instead of the regular month that travels through the year as observed by the Orthodox Muslims; which they say Muhammad - 1400 years

ago, PBUH - received the Holy Qur'an, which was in the ninth month of their calendar. Scripture teaches us that Prophet Muhammad began receiving the Holy Qur'an at that time and continued over a period of twenty-three years. The Prophet did not receive the full text in one night or day as some have caused others to believe. The receiving of the revelation by Muhammad (PBUH) of the Book is why the Arabs observe Ramadan and the fast that is associated with it when they do. The Messenger of Allah teaches us that it is not necessary to fast for that which one has already received, but the practice is for that which we are looking to receive. This does make more sense.

The Honorable Elijah Muhammad has prescribed for us the month of December to observe the fast associ-

ated with Ramadan. He explains that the abstaining from food and drink from sunrise to sundown and no land meats at all is not really a fast but is an abstinence. However, our fast during this month (December) is to help us get away from the activities (Christmas, Santa Claus and the false teaching of the birth of Jesus) that we have long indulged ourselves in while following the false teachings of our slave-masters and the false religious beliefs that he has blinded us with. This disassociation also enables us to get away from the habit of spending our hard earned monies on the foolishness that also goes along with our participating in the enemy's foolishness. The more we know about the tricks the white race has played on us with his false practices, the sooner we will fly to Allah and our own true way of life. This year observe December, our Ramadan with a new action.

Our Men Are To Blame For Our Women's Condition

by Bro. Hakeem
Muhammad

In the Name of Allah, Master Fard Muhammad and In the Name of His Last Messenger, The Honorable Elijah Muhammad, greetings of peace, As-Salaam-Alaikum.

One's first response might be, "Don't blame me for the way they act". And it's understandable that one might respond in this manner but, the truth is, we are to blame. Not that we should be a ruler over our womenfolk, in the sense that we are tyrants, ruling and governing with an iron hand but, they are our responsibility and their actions are a reflection of our own shortcomings. Is this to say "We are not all we as *men* should be?" The answer is yes. Our women will be all they should be too and for us when we learn to become the *men* that our women want and need us to be, not just for them, but for ourselves. Now let's consider a few of the situations that should be considered to

justify our title. The Honorable Elijah Muhammad states in the book "Supreme Wisdom (Book 2, Chapter 14) that "we must first learn to respect, love and protect our womenfolk". And this is true, but before we can do this we must also learn a complete knowledge of self and kind as well as a knowledge of our natural enemies (white people). Now, why are we, the Black men to blame? Consider, Who is the head of the black family? The Blackman. Then he is also responsible for the woman and the children and their actions even though, he may fail to admit responsibility. The Messenger states that many of our women are permitted to do some of every thing under the sun, with whomever and whenever they chose and this also occurs with many of our children as well. How can we change the path that we are on that leads us to a hellish, disenfranchised, self-hating, uncaring, disrespectful, enemy loving and divided people? The answer is simple, but the solution is not, even though the answer has

been before us since 1930 with the arrival of our Saviour, Allah in Person, Master Fard Muhammad. We as a people have so long relied upon and trusted in our open enemies and the religion that they have given to us, that as the fulfillment of scripture reveals itself, we are blinded to that truth because we have been made deaf, dumb and blind to the light of truth. We are the heads of our families and our women are the fields of our future generations. For our future to be as great as has been prophesied in scripture, we must accept the truth that is brought to us by the Messenger of Allah. As we take charge of ourselves and become the black men that we will become under the guidance of the Messenger, our women will also, with the same knowledge, come back to being the women that Allah intends for the Blackman. As the Blackman returns to his original independent, god reflecting self, his women will again reflect him anew.

Jews and Christians not Allah's Beloved Ones

cont' from pg 1

The Most Honorable Elijah Muhammad, the Messenger of Allah, teaches us that all Black people, by nature, are Muslim. However, since our being brought to America we have been given Christianity by white people, and some of us in searching for knowledge have on our

own embraced certain Jewish teachings.

The religion of Islam is the way of all Messengers and Prophets of God and thus offers true guidance for all who seek it.

For further study on this matter we urge you to read the book,

"Message To The Blackman In America" by the Honorable Elijah Muhammad. The chapter that deals with this matter is found on pages 133 and is titled "The White Race's False Claim To Be Divine, Chosen People."

There Is No God But Allah

cont' from pg 1

and the lost sheep will be returned to their own God, Allah. We cannot rely on a teaching that ask us to just have faith and believe in a teaching that has no base to sustain it. The Holy Qur'an also warns not to mix truth with falsehood and to hide not the truth while you know it. This means that those who knowingly lead away from truth are agents of our enemies and are not friends of Allah. Although the Holy Qur'an is

a book of perfect guidance, it is not intended to convert the white race for God knew that there was no good in them the day they were made. It also contains the last warnings, and makes clear to us that which we did not understand of the Torah and the Gospel. The truth is made clear to us today and it is up to us to quickly accept this truth and join on to our own people and religion, Islam, and the teaching of the Book given by Allah, Himself,

which is being made clear to us by the Messenger of Allah, the Honorable Elijah Muhammad. We are blessed today to learn the truth of Allah and the oneness of Him, who has come in the Person of Master Fard Muhammad to Whom all holy praise is due forever. No associates has He and this we are commanded and there is none like Him. "Allah is One God."
