Allah, Self Independent by Bro Hakeem Muhammad

In The Name of Allah, Who Came in the Person of Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

our Leader, Teacher and Guide. Allah has come to restore the lost sheep (the black man and woman) as the head. This means the time of Satan's (white race) rulership is over. The Holy Qur-an states to seek refuge in the "Lord of The Dawn"; this refers to the return of God at the end of the white world. Allah Master Fard Muhammad announced that He came seeking His own people who were related to him from creation, He came by Himself and is

The Honorable Elijah Muhammad Messenger of Allah

self-independent. He brings a knowledge that has never been brought to us or any people before now. His infinite wisdom is greater than any other person in the universe. It is He on Whom we all depend. (cont' pg 2)

Fear Will Leave You from the Messenger's teachings

As-Salaam-Alaikum. The Messenger has informed us that Allah, Master Fard Muhammad, (God in Person) has placed in America a great fountain; drink. This statement refers to himself. He has been raised by Allah to raise a deaf, dumb, blind, lost and now found people back to life. In the Book, "Supreme

Wisdom, Volume two" there is a full chapter on fear. In one of the topics he states "Leave Christianity, Fear Will Leave You". He states that once the so-called Negro drops the religion forced upon them by the slave master (which is slavery, Christianity), and accept Allah for their God and His religion (Islam), then Allah

will remove their fear and grief, and they will not fear nor will they grieve any more. What a powerful statement. Allah has come to offer His people freedom, justice and equality. However, we must accept Him as our God along with His chosen Messenger and guide to us. As we are (cont' pg 3)

Christianity Is Only For White People by Kamau Islam

In The Name of Allah, Who Came in the Person of Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad.
As-Salaam-Alaikum.

For centuries, the white nations of Europe intruded in the affairs of Black civilization by exploring, and setting up trading posts, forts and missions throughout the world of Black, Brown Yellow and Red people. These white invaders brought along with them their own way of life or religion-called Christianity.

All over the earth wherever white explorers-conquerors landed the indigenous Black populations had their lands sacked of much wealth while men, women and children of the civilizations were slaughtered merci-

lessly. This occurred as the European invaders planted *their* crosses and flags in elevated places and dedicated all of the aforementioned atrocities in the name of *their* god, religion and king or queen.

The few remaining people of these invaded Black civilizations either fought to the death to resist the barbaric invaders or surrendered to be forced into slavery under the European conquerors. Thus, today, many Black people profess to believe in and practice Christianity, not knowing the true history of how they came to be associated with this slave-making religion.

The Honorable Elijah Muhammad teaches us in a book which he has written titled "**Supreme Wisdom**"-Volume Two: "*Many white people know and believe that Christianity is only for the whites race, and that the so-called Negroes' religion is Is-*

lam...".

In Islam we are taught in a such a way as to **not** confuse the true and living God, His Messengers, His Prophets or Scripture (Bible or Holy Qur-an) with the white man's religion known as Christianity. True history teaches us that these aforementioned scriptures originated in black civilizations and for hundreds of billions of years the Black civilizations of the earth have lived in peace (in Islam).

As an organized religion, Christianity has its roots in Rome, Italy-an European (white) nation. None of God's Messengers or Prophets practiced or taught Christianity. According to the Bible in the Book of Acts 10:36, God sent Jesus to preach Peace (Islam) to the people. The truth is: CHRISTIANITY IS ONLY FOR THE WHITE RACE.

As-Salaam-Alaikum.

Allah, Self Independent

cont' from page 1

Scripture informs us of the coming of God to make all things new. The coming of Allah (God) in Person marks that time. He is not a spirit as we have been made to believe, nor is He from some place beyond the sun, moon or stars. If we would follow the instruction of our own God in Person we would not hesitate to awaken to the truth and reality of God in the Person of Master Fard Muhammad. We have been made a people who have accepted the false teaching of God as given by the number one enemy of God.

Remember the scripture of God and the devil's conversation, "Respite me until the day that they are raised." "You are surely of the respited ones." This was in reference to this day of resurrection for us. Let there be no doubt that Allah has come in Person this day and on time to redeem and restore us back to our original selves. Why should we believe in Bible and other books of scripture, yet refuse to recognize the signs that are before us as if the books were for entertainment and not books that

reveal signs or truth that give indications of the events that we see before us. Why do we refuse to see that which is in front of us or is it true as stated, "...most of them will not be grateful." Wake up! Allah has come without armies to free us. He is self-independent and is in no need of armies to defeat His and our open enemy (white race).

Allah is He Whom we all depend. Be glad that we are His people and that He is our God.

As-Salaam-Alaikum.

The Divine Sayings of The Messenger of Allah

Above of all man's habits, peace is the most satisfying of his life

Knowledge Removes Misunderstanding

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Messenger Muhammad teaches us that a true knowledge of the white race removes once and for all times the mistakes that would be made in dealing with them. Having knowledge means having (possessing) facts, information, and skills acquired through experience. Having true knowledge places one (so-called Negro) in accordance with fact and/or reality. Imagine a once blind, deaf, and dumb people now correctly positioned, balanced, aligned, upright and level. For that reason, the Messenger states, "My followers

and I can are getting along with them (white race) in a more understandable way than ever, because we know them."

White people and the time of their rulership of the world (6,000 years) are now being revealed. This means they are no longer able to hide themselves (their true nature) or deceive the so-called Negroes any longer. You can't blame one for the way he or she was born, for they had nothing to do with that. Even the white man's Christianity has robbed us of the knowledge of self and kind and destroyed our peace and love for one another.

The true (knowledge) of the white race is part of that secret that was withheld by Allah to allow them (white people) to live their time (6,000 years). The

by Bro. John X

world that the Caucasian race built (the present world) is full of evil and bloodshed and one in which there is no peace for the black nation-the real owners of the earth. But that which was to be, must be; and likewise, what is to be, will be.

With all the information, facts and true knowledge available-especially divine knowledge, the so-called Negro's following and practicing white people's evil habits and not-to-mention, accepting them as righteous guides is inexcusable.

A well-educated, cultured and courteous people make a beautiful society when it is spiritually knowledgeable - especially a true knowledge of the white race. As-Salaam-Alaikum.

Fear Will Leave You

cont' from page 1

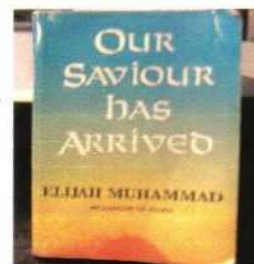

a people who have been held in bondage in the Hells of North America now claiming to be free citizens of America, we have not had any true freedom, justice or equality under the white man's rulership here in the House of Israel. If we listen to His Messenger and follow him as he relays Allah's instruction and teachings to us, we will enter into a new life. One that is befitting the lifestyle of the original man which is peace. He makes it known that we will remain in this condition without having to revert back to the condition that we were ex-

periencing while under the rulership of our true enemies, the white race. The knowledge of our own God, self and kind is the key to our freedom and the knowledge of our open enemy give us the advantage to detect them. This puts an end to the tricks that have been played on us and also brings about the end to the rulership of the white race.

"The Supreme Wisdom" is part of the overall knowledge that is needed to restore us to our rightful place of leadership, and self independence. Join on to your own and be yourself.
