them in a religious context.

In his book titled "Supreme Wisdom", volume 2, page 81, the Honorable Elijah Muhammad expounds on the subject of "The Good Life". He states: "My people, Allah (God) wants you to lead a Good Life, and not one of evil, misery and sin." Since Allah (God) desires for us the best, then most surely He instructs us, through His Messenger, how to achieve this heavenly state of existence.

How Islam Benefits Us

by Bro. John X

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Messenger Muhammad's book (The Supreme Wisdom-Volume

2, page 49) states "The religion of Islam makes one think in terms of self and one's own kind." This statement does not, and should not, conjure any thought of being selfish-but "one's own kind" is designed for the so-called Negroes who have yet to obtain a knowledge of self is the

start of "an industrious people who are self-independent." Such thoughts are unfounded in the religion of Christianity which, Messenger Muhammad teaches, is the perfect slave-making religion. For too long Christianity has shaped, formed and fashioned our people into a (cont' on pg 3)

We Lack Unity

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Reference this subject the Messenger states, "Never have there been a people on this planet (Earth) who were enslaved and yet they loved and worshipped their slavemasters, except the so-called Negroes who live under the very shadow of death in America and still they love their open enemies (the devils). As I think about this statement, I smile and at the same time, I shake my head be-

cause there are no truer words. We have been made so deaf, dumb and blind that we refuse to see or accept truth when its put before us. He says, that it's bad enough that we lack unity, but we also lack love and self-respect for ourselves. This makes it even more difficult for us to gain recognition and respect from other peoples and nations of the world.

We are being taught the truth of ourselves, our history, knowledge of our own God (Allah) and the truth of our open enemies (white people). This is the day of our awakening. We have been taught in all of our religious teachings that this day was coming. We just didn't know that it all referred to us. The Messenger of Allah

teaches us that we can no longer dislike, disrespect or even hate each other any longer. These acts are a part of the work of our enemies on us. The Messenger says that we must stop being victims of their (white people's) tricks. We should unite as one Nation under the religion of Islam, this is the religion that Allah has chosen for us because it is our nature. He teaches that we are a righteous people by nature and we should treat each other with respect. It is easy for us to love one another when we know the truth of self. This does not mean that we should love the devils, but we must be righteous and act according to the divine law of justice. Join in Islam and with each other in unity. As-Salaam-Alaikum.

devils (white people)

- Get out of their (white people's) names and false religion (Christianity)
- Do not fear white people
- Fear Allah, and Allah alone
- Accept Allah as your God and His religion (Islam)
- Stop eating the filthy hog
- Stop drinking wine, whiskey and beer
- Tobacco and drugs are forbidden by Allah (so stop using them)
- Stop gambling and committing indecent acts

Make yourself completely righteous (return to Islam)

For over 22 generations (from 1555 until 2011) the white devils of our planet earth have subjected us to a death-style that cause us to engage in all of what Messenger Elijah Muhammad has stated in this writing. Today most of our people still use their talents, efforts, energy, thoughts, labor and brain power to uphold the civilization of our enemies at the expense of keeping ourselves in a permanently destroyed state of existence. We accept the white civilization's false interpretations of scripture, we accept the lies they have told and constantly tell us about ourselves, and we, almost on a

daily basis, are major contributors to America's vice industries; gamble away our hard earned monies in their lotteries and other games of chance.

Allah (God), Master Fard Muhammad gives us an ultimatum by way of His Messenger, the Honorable Elijah Muhammad. He states: "**You must make yourself completely righteous (return to Islam) or, Allah has declared, you will be destroyed from the face of the earth.**"

As-Salaam-Alaikum.

The Devil's Way

In the Name of Allah the Most Merciful.

"It's the Devil's Way to bring the people of Allah (the so-called Negroes) in opposition to Him-by teaching them to believe and do just the thing that God forbids.

Muhammad (May the peace and blessings of Allah be upon him!), for instance, did not try making a likeness of God, nor have his followers ever tried to do so; he (Muhammad) and his followers accept and obey this law of Allah, the One God. But not the Jews and Christians-they always preach and act against it, and teach others to do likewise."

from The Messenger's Teachings

Now that we are being made aware of the reality of God, His religion for us and has given us a Divine Leader, Teacher and Guide let us stop following and listening to the false teaching of our now known open enemies who have no love for us and have attempted to shut off every avenue by which light may enter the minds of black people. We stand now at a cross road there we must make the life-saving or life-ending decision as to our futures. Allah has come to bring about the end of the devil's world and to restore all things. This is the fulfillment of scripture as stated in both the Bible and

Holy Qur'an regarding the day of judgment in which the first, who were made last, will again be first and the vicegerent will be removed root and branch. All praise is due to Allah, Who came in the person of Master Fard Muhammad for raising one from amongst us to be our Leader, Teacher and Guide, who shows us the light of truth, freedom, justice and equality; to enlighten us as to our own true identities and the truth of the white race.

The Devil's Way is not our way, nor the way of righteousness. Come to Allah and follow His Messenger. As-Salaam-Alaikum.

How Islam Benefits Us

lazy, shiftless, careless and dependent people. Their time, talents and energies directly deposited into the whiteman's "Consolidated Bank of Tricknology"-falsely named "technology."

The Messenger says to think over such slavery teachings as this: "That a rich man can't see the hereafter," and compare it with the promise of Allah who offers the righteous Heaven (riches) while they are alive. No comparison! Period!

we (so-called Negroes) are continually warned by our beloved Messenger that we can not de-

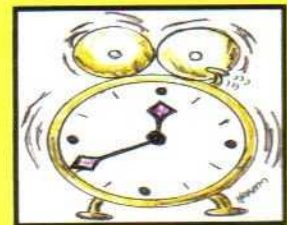

pend upon the white race to care for us forever. There has to be an end to our dependence on them (white people). So, why not start seeking something for self? He also warns us that this is the fall and end of the white race as a dominant power on the earth, and that the loss of Asia (alone) to the white race means the end of their luxury.

To benefit means "to be helpful or advantageous to." What benefit is there in being totally dependent-especially as a people? Not any. Therefore, Messenger Muhammad teaches, "it must

come to pass, believe it or not"! He is Allah's Last Messenger and after him shall come Allah Himself. So let us join on to our own kind and be benefited by Islam.

As-Salaam-Alaikum.
