The Great Mahdi

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The often-relied upon dictionary gives a somewhat half-hearted attempt to define what we who know full well the meaning of-Mahdi. It states or defines Mahdi as "(in popular Muslim belief) a spiritual and temporal leader who will

rule before the end of the world and restore religion and justice." What happened to freedom and equality? I know, give the devil his due.

Scripturally, in Rev. (18:1) it says that the Revelator saw an angel come from Heaven (the Holy Land) having Great Power, and the earth (so-called Negroes) was enlightened with His Glory (wisdom and knowledge of the Truth). This angel, so teaches the Great Mahdi (Son of Man), came from the

Allah (God) is completely self-independent. He has infinite knowledge and power over all things. He

is the most loving, and the most merciful. We are not self-independent. We are dependent upon Allah. The Messenger teaches us that only the foolish and disbelievers think and feel that they are self-independent and not dependent upon Allah. us, the lost-found here in the Hells of North America. The slow pace of our joining on to self and kind, the love we displayed for our open enemies bears witness to the mercy and patience of Allah toward us, His chosen people. We are dependent upon Allah to carry us through the hell that we are enduring at the hands of this open enemy. However He will not continue (cont' pg 3) to show

Allah Is One and Self Independent by Bro. Kamau Islam

In The Name of Allah, Who came in the Person of Master Fard Muhammad, and in the name of His Last Messenger, the Most Honorable Elijah Muhammad.

As-Salaam-Alaikum.

How important is it to **know** that Allah is One and to know **how** Allah is One? What is the significance of Him being the SELF-INDEPENDENT God? The Honorable Elijah Muhammad answers these questions and much more in his book titled "**The Supreme Wisdom, Volume Two**", on page 9. Here he takes us into a knowledge that can give us a supreme understanding of some of the major foundation principles of the Universe.

The world of the devil (the world of the white man) has spent the last 6,000 years in general to remove the Black Nation from understanding anything about the basic principles of Allah (God) being ONE. The most tragic thing that has occurred is that the white race has worked diligently for over four and a half centuries to keep such knowledge away from their Black slaves here in the Americas.

Messenger Muhammad teaches us that, for some 310 years here in the United States of America, the practice of any religion-by their Black slaves-that represent any God, was forbidden. In a little over 100 years up from chattel slavery the white people invented something for us called a

Black preacher and placed him over us as a religious leader. This officially began the process of us believing in a trinity-father, son and holy ghost.

For further study Messenger Elijah Muhammad quotes this from the Holy Qur'an: (Chapter 112:1-4) "*Say, He Allah is One. Allah is He on Whom all depend. He begets not, nor is He begotten, and none is like Him.*" As we study to understand more and more about the Founder of the Creation we should learn that no man lives forever, not even the individual God Himself. However, He continues on through us, His people. We are blessed to now have ONE in our presence, Master Fard Muhammad, Who is likened to the First God and indeed very Self-Independent. As-Salaam-Alaikum.

America. He also has said to us that there was no punishment great enough to repay the slavemasters for their evils against the so-called Negroes of America.

Allah, to Whom be Praised, came in the Person of Master W. F. Muhammad; under the names; Jesus Christ, Messiah, God. Lord, Jehovah the Last (Jehovah) and Christ. These meanings are good and befitting as titles, but the meanings of His name "Mahdi," as mentioned in the Holy Qur'an Sharieff (22:54), is better. His name, Fard Muhammad is beautiful in its meaning. He must bring an end to war, and the only way to end war between man and man is to destroy the war-maker

(the trouble maker).

He came for the Salvation of the so-called Negroes, warning them to join on to their own kind (the Nation of Islam).

As-Salaam-Alaikum.

Thanks and A Prayer to Allah by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

up, oftentimes as we prayed. The result was that we never seemed to have our prayers answered nor did we know whether God was even hearing our prayers. It just made us feel better having prayed and hoping for an answer. Well, this is a new day and those days have passed. We are forever thankful to Allah in Person, Master Fard Muhammad, for coming in His day to restore us the lost-found into all truth. We are now being given a true knowledge of the meaning, method and purpose of prayer. Additionally, we are given stated prayers by Allah and taught the manner, times and positions to pray.

The following is one of the off-repeated prayers given to us thanking Allah: *"O Allah, Thou art our God and we are Thy people. Deliver us*

from our murderers, and we will serve and obey Thee all the days of our life, and we will teach our children Thy Praises and to submit to Thee, for Thy unequalled Love and Mercy for us. And thanks to You, O Allah, for making manifest our enemy (the devil), and help us, O Allah, to die the death of a Muslim. Amen." Come, join on to your own, be yourself, and enjoy the blessings of Allah.

Prayer has always been a practice of black people. It has been a means of communicating with our God. However, as a rule we have not had a true knowledge of the reality of God being physical and not a spirit-being. The manner in which we should pray or what we should say as we prayed was not taught to us-only that it was important to pray. The one prayer many of us did learn dealt with dying before we wake—not much to look forward to there. We prayed on our knees. The prayer was made-

mercy to us or our enemies who are also His enemies. We are warned to fly to Allah for protection and return to our own righteous selves.

Being raised by an enemy and given a false God is only one area that we have been tricked by our open enemy. We have called upon this false God presented by white people for relief and have received nothing.

It's time to accept our own true and living God (Allah). He is the God upon whom we all depend and bear witness that He is the only God worthy of Praise. If the God is a form other than a physical being, then how do you justify his existence? Why would you believe that the God that has been represented to us that is up in the sky somewhere, how did

he or it get there? And most importantly, if the religion that this unseen God's son (Jesus) brought (Christianity), why was it not the religion represented by the Prophets and Messengers who were sent by God before Jesus? Allah never altered His religion. Each Prophet was given the same religion for the people to whom they were sent. We are forever thankful to Allah for giving us a Divine Leader, Teacher and Guide in the Honorable Elijah Muhammad, who gives us the mind to evaluate that false teaching of God by the slavemasters, and those so-called preachers of religion. We are truly dependent upon our God (Allah) for truth, light (wisdom) and life.
