How Islam Benefits Us by Bro. Hakeeme Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad As-Salaam- Alaikum.

Without the knowledge of the time, you are still the loser. You should know that this is the time in which a war has begun. Allah (God) has revealed the time and it is verified by the prophecy of the Bible and Qur'an. The most hated and despised thing today

in this. the Devil's wicked world, is the truth (true knowledge of God and the Devil). The Heavens and the Earth were created according to the Holy Qur'an, in truth. Islam removes from you and your children your willingness to be servants for another nation that is not your own nation. Master Fard Muhammad, God in Person, knew how to make a way for Israel to have something to call her own. To benefit us, Allah chose for me and

Equality of Brotherhood by Messenger Muhammad

Messenger Elijah Muhammad, who is indeed the first begotten of the dead, and is the last Messenger of Allah (God), Who came in the Person of Master Fard Muhammad, is his guide to us the lost-found members of the original people of the Earth. He teaches us that we have been long removed from our own people and re-made into a people who have little or no

knowledge of our true selves, our true religion, our God and our open enemies. As we study the information that he gives, he asks that we reason with him in regards to that which he brings. If we take the time to do that, then we will have to bear witness to the truths that he brings forth. He presents in his book, The Supreme Wisdom (Book 1, page 37) the following state-

ments reference the relationship of Muslims and Christians which is more conducive to the condition that we should gravitate toward? "Islam recognizes complete equality of Brotherhood; a Muslim is truly the brother of another Believer, regardless of how dark the skin or how kinked the hair. He is welcomed with sincere and open arms and recognized by his light-skinned (*cont' pg 3*)

Troubled America: No Peace

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

When a nation such as America is "deep in doom", answers are never forthcoming and solutions are always out of reach. Therefore, lurking and overshadowing her every move are her partners-in-crime known as death and destruction. America has gone and continues to go abroad making war against other people and nations. She, then, charges these nations with making war against her when she is the one who is guilty of the war-making.

Messenger Muhammad teaches us that us that America's burden in trying to protect herself from the attacking nations of the world is tremendous, one that she will not be able to carry. Therefore, she must succumb to the powerful forces that are coming against her. Though America seems

steadfast in appearance, she is moving toward an ultimate end. These are the days of God's presence to destroy this evil world (America) with all of her deceptions and her wicked rulership. America is now upset by Allah's uncovering the devils' exercising their total control over the world under falsehood, along with making evil to appear fair-seeming. America is a country where evil is dominant and the people in America think nothing but evil. Very seldom can one talk to a person without getting the thought that his (her) mind is filled with evil (stress, etc.).

We are in a world that is slowly passing out of existence-and she is putting up fight after fight (wars) trying to stave off her ultimate destruction. America and her people have lived so rich and so joyfully in wickedness, murder, robbery and hatred of one another, the so-called Negro especially, until it has hardened their hearts so much that they revel in murderous delight over their enemies. America has lived in peace-so far as

by Bro. John X

foreign wars are concerned. today, her far-extended wars are returning to her shores to bring her the punishment(s) she has meted to other nations.

The absence of peace is made manifest by Allah to show once-mighty America her doom as well as her destiny. The unsettling peace in America is a continuing reminder that Almighty God Allah continues to make manifest the judgment between the so-called Negro and the enemy of God, and The Nation of Islam will make the so-called Negro see and know (acknowledge) his enemy as well as himself, his people, his God and his religion. Not only is America falling, her doom has and is come, and none, said the prophets, shall help her in the day of trouble, especially her downfall. No justice, no peace! As-Salaam-Alaikum.

you and chosen for you Islam as a religion. But whosoever is compelled by hunger, not willfully to sin, then surely Allah is Forgiving, Merciful." Think over such teachings as this from Christian teachings as- that a rich man can't see "The Hereafter", and compare it with the promise of Allah Who offers the righteous Heaven (riches of life) while they are alive. The Honorable Elijah Mu-

hammad said, "You can't depend on the white race to care for you forever". Know this my people, this is the fall and end of the white race as a dominant power on the Earth, and that the loss of Asia (alone) to the white race means the end of their luxury. It must come to pass. Believe it or not! So get on to your kind and be benefitted by Islam. As-Salam-Alaikum.

White Race's Day Is Over by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

His Messenger, Elijah Muhammad. This is our day. We must rise, for our heaven is at hand. We can no longer believe that our salvation, our rewards or our heaven await us after we are physically dead. These are the lies that our open enemy has fed us ever since they were allowed to rule (Bible: "six days shall thy labor..."). The White Race has enjoyed their time and desires to continue their position of rulership and dominance over the world. Their day is over! We are today being restored in order that we can again sit in the seat of rulership. True, many may think and feel that we are a long way from preparedness, but the more of us that join on to self and kind the greater we as a nation become. Allah has prepared His Messenger who gives us the

means to grow into a new growth-one that will give us a new state-of-mind and a physical development that makes us a new people. For over 400 years we have longed for Freedom, Justice and Equality while under the dominance of white people. Under the guidance of Allah, our God, and His Messenger we can see a new world, a new life and a new being without fear or suffering. Let us come together under the umbrella of our own true religion of the "New Islam". The key to our success is the acceptance of and submission to the teachings of Allah and His Last and Greatest Messenger, the Honorable Elijah Muhammad. Let us not hesitate, our glorious future is at hand. The white race's day is over. As-Salaam-Alaikum.

Those who have heard and are now witnessing to the fulfillment of the words of Messenger Muhammad can bear witness to the topic of this article. The Whiteman's world and success are coming to an end. We are warned to join on to our own, get out of the Whiteman's names and religion, if we desire to be successful. He remains in power only as long as we remain asleep to the knowledge of self. Allah, in The Person of Master Fard Muhammad, has revealed to us the truth through

or copper-colored Arab brother. He is recognized the same way by his brown or yellow-skinned Japanese, Chinese and Indian brothers. Can you say this for your Christianity, my people? No, your slavemaster's religion does not recognize equality of brotherhood.

In Islam, in fact, you are not a brother until you first love for your brother that which you love for yourself.

If white Christians had meant good for you and me, why did they makes slaves of us, and why are they still subjecting us to the most severe and

ugliest injustices?" Take the time to examine the way of life that we have endured as second-rate citizens in this country under the dominance of white people, being in servitude to them and ask yourself, Is this the life that I want or is there a way of life that best fit my own nature and desires? And can I grab hold to it and enjoy equality with my own brothers and sisters? The answer is yes, and Islam under the Messenger's teaching of Islam is the right choice. Join on to your own and be yourself, in a brotherhood of equality.
