Troubled America by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

There is little doubt that this title is befitting for this day and time. However, the trouble

that America is facing and dealing with on all fronts has been long coming. This is the day of America's downfall. America is trying to hold her place as the most powerful nation on Earth but, the true is that she is struggling to maintain her place of power. Other countries now challenge her day and night. Never

before have America's leaders been visiting other nations trying to maintain a peaceful relationship after having causing them so much trouble; but she is failing in her attempts. Other nations recognize that her power is weakening and are preparing to come against her. There is no peace in her lands and there is no one (cont' pg3)

No Love For An Enemy *by Bro. Hakeeme Muhammad*

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

It is impossible to love the enemy of God (Allah) who hates us. The enemy is designed to destroy the very nature of God, the Original man and all life in Creation. The Supreme One, The Most High, does not love His enemy Himself, and He tells us that He is going to destroy them in Hellfire; and the Black, Brown, Yellow and Red people who follow the White race of Devils on Earth, wherever they are.

The greatest hindrance to the truth for our people is the white and black preachers of Christianity. They push the devil's perfect slave-making religion (Christianity). People should take a look at the history of that religion and bear witness to the manifested truths of Brothers against Brother (Read Mathew, 10:21-23, Bible). Each time we have resisted our enemy (the white race) attempting to overcome the oppressor as did Nat Turner, a religious leader, who led a residence movement against the slavemasters. He killing a number of whites which resulted in whites killing over two hundred black men, women and children; most who were not involved in the revolt, causing

more laws to be passed to further restrict blacks from an education, free assembly, religious worship (without a white overseer present), voting, and many other rights or privileges.

Today we are blessed to have Allah, Master Fard Muhammad, God in Person, on our side. He has given us a new religion (Islam) and a Messenger to guide us into all truths. Messenger Elijah Muhammad is that one. He teaches us the truth that has been stripped from us. He teaches us the truth of self and the knowledge of those other than self (the white race who is our open enemies). We will no longer love our enemies because we now know truth and who the real enemy is. As-Salaam-Alaikum

Time Is At Hand

Muhammad also describes America's destruction as "prepared" - like that of a recipe. Affliction upon affliction shall visit her outer banks and her teeming shores - no escape route(s) here either. These are daily reminders of America's inescapable destiny.

America's price that she must pay for her evils done to her slaves (the lost-found members of the original Nation of Islam from the Tribe of Shabazz who are nicked named "Negroes" by the slavemaster) is the same as that paid by Pharaoh and his people. The Honorable Elijah Muhammad teaches we are fulfilling a period in history known as the spiritual

resurrection. No one but Allah has, to this day and date, guided Messenger Muhammad and his followers from the shackles of the devil's (devils') oppressive civilization.

Almighty God Allah offers us the keys to the kingdom at once, if only we would submit to Him and Him alone. We must first deny and reject the devil's way of "life" (death) in favor of our own natural way of life (Islam) in order to secure life and life more in abundance. Who would not want to "fly" to such a Blessing and by all means - be quick?

As-Salaam-Alaikum.

The True Solution

by Sis. Evvy Islam

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

has been accomplished for the so-called Negroes is more spiritual death, mental death, and physical death.

Reverend Martin Luther King, Jr. preached brotherhood for black and white people. If he truly believed and understood what he preached, then why did he make a statement that “*A doctrine of black supremacy was as great a danger as one of white supremacy.*” He also stated: “*Unless men and nations live together, they will perish together.*” He feared the slavemaster, and revealed that he never really wanted freedom, justice and equality for the so-called America Negro. He had convinced himself and intended for all his followers to believe that our open enemy (the white man), the enemy of Allah, would change their evil way of life and choose to be our brothers. All

the mistreatment done to our people in the way of beating and killing our men, women and children (yesterday and today) should prove to the so-called Negro that we will never have any equal rights under the white man. **The Blackman is not accepted as a human being.** He will never have the same rights as the white man.

It is vital that the Blackman and Woman have a knowledge of self, Islam, our way of life - our only **Divine Solution**. Master Fard Muhammad, our true and living Allah-God (as taught by the Honorable Elijah Muhammad) is The True Solution to all of our problems! Join on to the **New Islam**, and be of the Winners. [Reference: Message To The Blackman In America- pages 240-242]. As-Salaam-Alaikum.

The so-called Negroes still believe that **Civil Rights** is the true solution to our problems. Though **Civil Rights** means equal rights of a human being on a level with other humans beings, America has not and will never honor this for the so-called Negroes. What we need have is **Human Rights, Universal Rights** and equal rights as other human beings.

It is now 2017, 53 years since Martin Luther King, Jr. was honored with the Nobel Peace Prize in 1964, and nothing has been accomplished in the way of justice for our people. What

to aid or side with her against her enemies. She has made her own bed, and now she is facing the consciences. Messenger Muhammad advises that her trouble is her own doing. She is charged with being the cause of trouble around the world with her meddling in other Nations's business. With her mechanical devices (listening devices, telescopes and satellites) and spies she is continuously interfering. The Bible refers to America saying, “The beast has

eyes around about.” She goes to other counties making war and promoting trouble while blaming the other nations for causing the trouble. All the while, her own citizens protest against her actions at home and abroad. According to scripture (Bible), Allah will destroy those who delight themselves in making war. This refers to the white race without a doubt. They talk peace, but always seek to make war. Peace is never the order of the day. As-Salaam-Alaikum.
