## *Allah Is Here, In Person from The Messenger*

Greetings to you. In the Name of Allah, The Most Merciful.

For 6,000 years the prophets have been predicting the coming of God, Who would be Just and Righteous. This Righteous God would appear at the end of the world (of the white race).

Today, the God of Truth and Righteous-

ness is making Himself manifest. He is not any more a mystery (unknown), but is now KNOWN and can be SEEN and HEARD the earth over.

The teaching of God being a mystery has so enslaved the minds of my poor, ignorant people and they are so pitifully

## *Is There A Mystery God? by Bro. Kamau Islam*

In the Name of Allah, in Person, Master Fard Muhammad, and of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

In our studies of religion, and other aspects of life in general, we may come across ques-

tions and statements which tend to be very perplexing. The world of Yakub's grafted devil (the white race) presents the above subject in several categories. Some ask "Is There A Mystery God?" while others firmly state "There Is A Mystery God!"

Messenger Elijah Mu-

hammad entertains this subject in his book titled **Supreme Wisdom**, volume 1, on page 42. He encourages us to study what has been and still is being taught to us the Christian world by theologians. In our study and examination we should make our conclusions based on the Truth that we find, and rest (cont' pg 3)

## *Notable Aspects Of Islam* by Bro. Hakeem Muhammad

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

his religion to control us by making us believe that it is the religion of God, (a God that he has produced for us, and the Son of God (Jesus) who looks like himself).

So let us consider, without prejudice, the following:

First, Islam is the religion of peace and is authored by Allah (God), Himself. Its teaching of Hell and Heaven are of conditions of life experienced while we live and not places we go after a physical death, based on the life we lived.

Second, Islam brings about peace of mind to us as we follow and practice its teachings. It gives us the knowledge of self and kindred. We get to know that we Black people are truly brothers and sisters and this makes it easy for us to began loving one another as family. This counteracts the program of the white people's directives for us to love him and hate ourselves.

Third, we learn that we are not, and can never truly be Christians because this way of life is not in accordance with the nature of the Blackman. We've tried it, bought it and believed

in it, and have found that it just doesn't fit us or satisfy us; all the while believing in a spook God, and waiting 2,000 years for Jesus to return to save us, yet neither he nor his father could save him from those Whites who deslared to have killed him, is cause for wonderment.

Forth, we who have served this white race for 400 plus years should be glad to have a new religion (Islam). One that is in accord with our nature. We have sought freedom, justice, equality and independence and gotten nothing, even with laws put in place to provide these things. Those who make these laws are the same people who change them and circumvent them at their leisure. There is no justice for us in this world of Satan (White people), for we are not a part of it. As scripture teaches, "Come Out Of Her, Ye My People". Black preachers repeat this, but they too are lost to the Truth. Islam is the way of life for the so-called Negro or African-American. Let us join on to our own and enjoy the aspects of Islam.

As-Salaam-Alaikum.

with me.

In spite of their (my people's) ignorance of Allah and myself whom He has sent — for I am not self-sent — they and the world shall soon know Who it is that has sent me.

God is here in Person, so stop looking for a dead Jesus for help

and pray to HIM whom Jesus prophesied would come after him. My people, pray to the One who is ALIVE and not to a spook.

our former salves masters and the religion that they forced upon black people. Remember, we were given their religion as a means to control us. We didn't come to America or the Islands as Christians. Truth is present today; take hold. As-Salaam-Alaikum.

# Know The Truth, My People by Sis. Faye Muhammad

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Truth is like the light of the sun. It uncovers what cannot be seen or is hidden in the dark. To know the truth about us (Black people) in America and why white people are our open enemy, look to the Honorable Elijah Muhammad, the Light in the lives of Black people today. He was the first to be raised among us in person by God (Allah) to receive life-giving teachings that have the power to bring us, the mentally dead so-called Negroes to life. Can you imagine being

face to face with God? He brought truth and life to His empty vessels (Black people in North America). We now know that we are the original people of the earth and that our enemy, white people, have subjected us to hell for over 400 years. They will be destroyed by Allah root and branch. We are now being educated in Allah's way of life called Islam. It gives us real equality that we can see and experience as opposed to being deceived by the false promises of white people. Falsehood distracts and keeps the mentally dead from rising. Truth is based on facts and has the power to heal. White people fool us with materialism and false friendship. In turn, we fall in love

with them only to join them in a lake of fire kindled by Allah. Truth is, we have love and divine protection from the most Wise God ever to be born. He teaches us to be independent of white people and to believe in self. We are encouraged to seek truth because it dispels any misunderstanding that we have. Focus your energy into bring upright, enjoying Freedom, Justice and Equality that we deserve with our kind. Allah and His Messenger is sufficient in uniting us (Black people) to build a society that works together so that we can have peace and be safe no matter where we are on the earth. As-Salaam-Alaikum.

our conclusions on this Truth. The Honorable Elijah Muhammad says that to teach that God is a **Mystery** is to teach that God is **Unknown**. Hence, one can not teach that which he himself does not know.

We who are followers and students of the Honorable Elijah Muhammad learn much from him. He teaches that we must go from the known to the unknown. However, if we do not properly approach this study we will continue to live in wonderment and confusion. The Messenger states that acceptance of such false statements would made the prophets' teaching of god all false.

The God Who created the heaven and the earth (Genesis 1:1) is not the

same God that had help in making the made-man (Genesis 1:26). Yakub (or Jacob or John), the God of the made-man (the white race), is the one that made it mandatory to present to the world the concept of a Mystery God.

While so many of our people are performing futile rituals and religious aerobics in their places of worship under the tutelage of the white man, by way of the Black Christian preacher, they should be learning the Truth. Any Temple of Islam, under the Honorable Elijah Muhammad, is the proper place to learn these Truths. As-Salaam-Alaikum.
