## Knowledge of Time

by Bro. John X

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

never before.

One's knowledge of time is based upon one's familiarity, one's awareness, and/or one's understanding gained through experience or study, so teaches Messenger Muhammad. "If only the American so-called Negroes had knowledge of the time in which we now live, they would accept Islam at once." There you have it—"Keys" to the Kingdom as

Other Nations can only wish they had such a lucrative offer (blessing). However, every nation has a turn (term). They have had theirs, now we have ours. Sadly, in the midst of blindness, deafness and dumbness, Divine blessings are being squandered at an alarming pace. Who, in his right mind, would blatantly turn a deaf ear to life-giving teachings divinely-designed to resurrect the "living-dead"? Only the so-called Negroes in America.

Hope, as the saying goes,

The Honorable Elijah Muhammad  
Messenger Of Allah

spring eternal. Do the so-called Negroes in America, have eternity to get their "act" together? I think not! The Messenger's teachings clearly state and indicate the times and what we should be doing about them. Can we as a people afford to take such perilous chances (*cont' pg 2*)

## Moon-The Equality by Sister Faye Muhammad

In the Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Moon, in his book the, Flag of Islam, stands for Equality and is represented in the shape of the first-quarter of a new

moon, a crescent. The Honorable Elijah Muhammad states, "Our religion, Islam, has the best sign (The Star & Crescent)". (Message to the Blackman in America, pg. 78). Spirituality, the Flag means Freedom, Justice and Equality, all of which we (Black people) are deprived of today under the rulership of the Caucasian race. The

Moon that orbits the Earth was once part of the Earth, and full of life before begin blasted from the Earth at the hands of a Black Scientist (an Original Man). He attempted to destroy himself and the human family 66 trillion years ago because he could not rule us (Black people). His plan failed, but as a result of the blast, the Moon lost (*cont' pg 3*)

## Every Nation Has A Term

by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Holy Qur'an 7:34 says every nation has a term. Some use the word "turn" and not "term" when relating to this verse in scripture. However, "turn" refers to a change in direction, but not an ending. The proper word is "term", which denotes a point in time. As we are taught by our Messenger, this "day in time" must be understood properly. All scripture makes reference to the ending of a world, specifically the world of Satan. However, our knowledge as to the proper understanding of who or what this world of Satan is, has been a mystery to us. Today we are blessed to know and to have a clear understanding of the time that we are now living in. Whether we accept

or reject the truths that Allah's Last Messenger brings and teaches us, we can not say that the message has not come to us.

Our problem has been that an unalike man has had dominion over the earth and us for the past six thousand years, and it is now being revealed to us, and the world. The history of our now known open enemy (white people) shows that they can no longer be rulers over us, as their time (term) is up. This being the case, we are being awakened to the time and what must be done; meaning our term has come to rule over the "New World" coming in. Strange as it may seem, it is true. Even though we are not yet prepared for rulership, Messenger Muhammad teaches we will rule a new world of righteousness coming in. Every nation has had a term and ours, now coming in, has no ending. All others have had their term and the rotation is returning to its beginning with the Blackman, the Origin-

nal. This is why we are now witnessing changes and exposures that are causing an awakening amongst us from the state of being mentally deaf, dumb and blind that we have been put in by our former Slave-masters.

Now the term of the so-called Whiteman (the Adam made in Genesis 1:26), who was granted dominion for a limited term has ended. He is to be removed "root and branch", along with his made world. Let us join on to our own and hear the call of Allah, Master Fard Muhammad, God in Person, and His Last Messenger. We are the lost sheep in the House of Israel mentioned in scripture, where Allah - God sends His Messenger to turn the hearts of the Father to the children, and the hearts of the children to the Father. Let us learn to properly understand scripture without misunderstanding, as it informs us that we are now preparing for our term.

As-Salaam-Alaikum.

in the midst of such perilous times? I think not!

The devils have clearly indicated they have no intentions of giving in or giving up their claims and "rights" to "Modern Babylon". Therefore, the only Divine alternative by Almighty God, Himself, is the elimination and total destruction of America. Shall we (so-called Negroes) be apart from or a part of her total destruction? Inquiring minds ask, "Will we survive or perish?" The choice is ours-only!

## *Food Can Be Life or Death*

*by Sister Evvy Islam*

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

If we as Black people eat our good food according to the white slave masters' instructions, we will surely live a short life. In today's media of the white man (the Devil), he instructs one to eat raw vegetables, and fruits for a proper "colon cleanse". All types of fresh raw vegetables and fruits he instructs us to blend together in certain blenders, and drink as a "smoothie", or an "energy" drink-for good health. This is commercialization, or greed for income. Yes, this is true! The Devil (white man) does not really care about his own health, and definitely not about that of any black people. White people will

commercialize their own death, if money is involved.

The Messenger of Allah teaches that all food (good food) should be cooked thoroughly, except fruits. Good food is emphasized because all food is not nutritional, especially the divinely prohibited flesh of swine. In the Bible, (Leviticus 11:7&8) it states not to eat the flesh of swine nor touch its carcass; and the Messenger of Allah teaches this constantly. The Honorable Elijah Muhammad instructs, in his textbook, "**How To Eat To Live**", Book 1-page 51, that raw foods, such as vegetables, meats, fish should be cooked, yet not overcooked, or to the point that they lose their its taste.

The Messenger of Allah, Master Fard Muhammad, teaches that by nature our stomachs are too delicate to

digest all types of poisonous foods, even if cooked properly. We should not eat all kinds of wild animals, birds, beasts, and reptiles. Do not eat all types of fish especially those weighing over 50 pounds. Do not eat scavengers and animal-like fish. There are a variety of foods that the white man encourages us to eat that are not edible (or fit) for human consumption.

So, my Black people, if you intend to live a long healthy life, follow proper instructions taught by the Honorable Elijah Muhammad. Remember, what you eat and how you eat, will be life or death. It is your choice! Choose the way of Allah and His Messenger and learn to eat one good meal a day, and live!

As-Salaam-Alaikum.

her vegetation and all life that she supported being one with the Earth. Her water fell back to the earth, leaving a dead planet that we now call Moon.

Her history serves as a comparison to our history here in the Hells of North America. We have suffered great loss, being tricked, torn from our homeland (Africa), our families, and subjected to inhumane treatment by our captors (White people). As a result, we have become lifeless as the Moon. Our wonderful way of life (Islam)

was stripped away and replaced with slavery, suffering and death (Christianity). We were made to hate ourselves and our nature, thereby loving and depending on this wicked white race who causes us to be other than self.

Even though their evil intentions caused destructive results, the Creator, Allah (God) Who fashioned all that is good in the Universe, (including the heavy-weights, Sun, Moon and Stars), will restore all things. The Bible verifies this in Matt. 17:11.

### *cont' from page 1*

We do not have to wonder if we'll ever have life again as we once had, wanting for each other the enjoyment of freedom and equality. Allah (God) has the power to restore life to the Moon with its water, and truth to us of Himself, and our religion-Islam. We have to flee to Him now and accept His Messenger, the Honorable Elijah Muhammad, who will teach us the lost wisdom and knowledge of self and others.

As-Salaam-Alaikum.
