The Coming of The Son of Man

Sis. Brenda Muhammad

In the Name of Allah, Master Fard Muhammad and in the Name of His Last Messenger, The Honorable Elijah Muhammad.

As-Salaam-Alaikum.

The day has come when all people of the earth know the reality of Allah God, Master Fard Muhammad. They have gone astray because of their misunderstanding and misinterpretation of scripture. You can forget about seeing Jesus of 2000 years ago coming back. How could he be

talking about himself when he said there would be one coming greater than himself. The Devils love watching our people be ignorant of the truth of God with their religion of Christianity.

"made us a slave to falsehood"

Christianity makes them anxious to serve and make him happy. They need to open their eyes to this slave making religion. We go to their schools to be taught, but they don't teach us our own. We go to their church, but we are not (cont' pg 2)

Name is Allah). The announcements of His coming (II Peter 3:10), the preparations for His coming, the knowledge of His coming, the manifestation of His coming and the varied responses to the aforementioned are said to trigger a host of actions and/or reactions.

One who carefully studies scripture based on the

instructions given by His Messengers and Prophets would not be so baffled by the announcement of His appearance. One who has become a student and follower of his Last and Greatest Messenger, The Most Honorable Elijah Muhammad, can rejoice at this good news which is indeed the (cont' pg 3)

A Saviour Is Born

In the Name of Allah, Master Fard Muhammad to Whom all praise is due and in the Name of His Last and Greatest Messenger, The Honorable Elijah Muhammad, I greet you, As-Salaam-Alaikum.

It is truly a blessing to be in this time when we are being brought face to face with the proven truth and reality that God, The Supreme Being, Who's proper name is Allah, is not a spirit or some imaginary being who sees all, hears all, does all, and responses in his or it's own good time. We have been long misled with a teaching of God that has kept us from the true knowledge of God in reality. This truth is today manifested because of Allah,

Himself, coming to us as prophesied in both Bible and Qur'an. The proof that a Saviour has been born for us is reflected in the new thoughts and actions of those who have submitted themselves to Allah's teachings for us through his appointed Messenger, The Honorable Elijah Muhammad. His teachings and program for we who were lost in mental darkness verifies His power to make all things new. As we follow His Messenger's teaching we become a new people in mind and actions. We do for self and kind. We see with a new mind's eye and act with affirmation to do that which is prescribed for our advancement in this known day of judgment. We understand through His Messenger how our Supreme God is produced.

by *Bro. Hakeem Muhammad*

Through the long, longings and deep needs of our people, we produce the Supreme God as we always have done. We understand that this is the time of the coming of the Supreme God, Allah. We understand how and why He is born through the agency of a man and a woman as is all human beings. This is in accord with scripture when properly understood. We who have been kept in the dark are being awoken today. We must bear witness that the Supreme God, Allah, Master Fard Muhammad is responsible. His Last and Greatest Messenger, The Honorable Elijah Muhammad, who has been raised and appointed by Him, is also evidence that He is God. We rejoice in the knowledge that today, A Saviour is Born.

taught about our own religion or God. We are raised in their society, but we are not recognized as an equal in society. The knowledge Allah gives us is a knowledge of our own. This is the resurrection of the mentally dead Blackman in America. A people who are so brain dead that some don't know to come out of the streets, holding up their pants and traffic. Others yelling out profanity and displaying indecent acts. Allah and His Messenger stresses the importance of Islam for our people.

Christianity and the Bible is the Blackman's grave yard. The Messenger of Allah, The Honorable Elijah Muhammad stated "My greatest and only desire is to bring true understanding of the word of God, His prophets and the Scriptures that

the prophets were sent with pertaining to the lost-found people (the American so-called Negroes) of God and the judgment of the world." The devil has made us a slave to falsehood. Islam is salvation to everyone who believes in it. The Son of Man whom has come from the East will judge man according to their works. If he is referred to as the Son of Man, then his father should be of flesh and blood. All the former prophets, Abraham, Moses and Mohammad are all men and they too prophesied of the coming of Allah or one with equal power. Flesh and blood cannot survive without that of which it is made-the Earth.

The Bible mentions Him as the Son of Man and also mentions Him as not being a man, but a spirit. On one

side he is made clear but the other He is a mystery. We are blind to the knowledge of God until we partake of the light of truth. Those who love spiritual darkness will close their eyes to the flash of truth-like lighting, pointing out to them the right way.

The world has been looking for "The Coming of the Son of Man", thus it should remove all doubts as to his being anything other than a man. We should ask the devil who made him judge over what we believe? If the devil does not ordain it, we do not believe it. The Blackman is the worst when it comes to the reality of God. He is a man and He is in His time!!!

As-Salaam-Alaikum.

Behold, I Send You My Messenger

by Bro. John X

In the Name of Allah, Master Fard Muhammad, and His Last Messenger, The Honorable Elijah Muhammad.

As-Salaam Alaikum.

“Behold, I will send you Elijah the prophet before the coming of the great and dreadful day of the Lord” (Malachi 4:5).

Very few commands throughout history have had as profound an impact upon a people as the one Allah, Master Fard Muhammad continues to trumpet - Behold!! To the blind so-called Negro, its Divine warning means “observe, regard, lay eyes on”. Never before has there been more importance with reference to the Sender and the Sent. The Lord of the Worlds has heard our cries, responded, and delivered unto us a Divine Leader, teacher and Guide- The Most Honorable Elijah Muhammad. This

Divine Messenger has accepted the ultimate carrying out, the doing of a duty, the satisfaction of a condition, the bringing to an end - in essence, the fulfillment of a divine mission of resurrecting the dead

so-called Negro in America.

Both Bible and Holy Qur'an teach us that Prophets and Messengers whom God selected, tested and gave a message to deliver to His chosen people were rejected by the people with few exceptions. Even though God's message is and was one of Redemption and Salvation, it is scorned and mocked. God's Messenger brings with him power, Divine Power, in the way of Rules and Laws to make this people, His people, successful in the day of their rise. This Messenger's Divine Knowledge makes the past clear, illuminates this people's

present condition with respect to former nations, thus making the charting of the future behind their Divine Messenger easy. Allah's God wisdom is timeless and spans the ages. It is applicable, basically, to all people. Through the Messenger it is uniform and recognizable. The instructions along with Allah' Messenger, are tailored and designed for a particular people at a particular time. All rules, laws and guidelines are directed at the very nature of the people and the people's language in which they are taught.

Never before and never again in this world will there be an equal to the wisdom of Allah's Messenger, The Honorable Elijah Muhammad. His accomplishments are unequalled by any Blackman in the history of America-yesterday, today and tomorrow.

As-Salaam-Alaikum.

true GOSPEL.

Why is it that we can find scripture which states that God would come “like a thief in the night?” Is it the manner in which He moves and/or is it also a time of darkness in which He comes? Did God do anything to remove

Himself from the eyes of the public and if so, why? What part have those who do not want to serve Him played in hiding from the public the knowledge of Him?

In spite of and/or because of all that has happened, another an-

nouncement has also been made, and that is: “All eyes shall see Him (God) as He (God) is”. All lost-found members of the Original Nation (Black People) in the Western Hemisphere are invited to Muhammad's Temples of Islam, under the guidance of the Honor-
