Fasting, Eating The Right Food, Key To Long Life by Sis. Brenda Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, The Honorable Elijah Muhammad. As-Salaam-Alaikum.

Nature teaches us to stay here, in this life, as long as we can. Eat one meal a day or one meal every other day to prolong your life. Get used to eating one meal a day, unless you are sick and unable to wait prolonged periods of time to take medications. Eating as Allah, Master Fard Muhammad, has taught us will do away with many medical bills as well. There are hundreds of drug stores throughout the country in which we would frequent only for toiletries and first-aid items if we would eat properly. Give your stomach from 24 to 36 hours to digest and rest after eating-this will prolong ones

life. Our biggest problem is eating too much and too often. Anyone who eats all the time keeps the digestive system working continuously and this leads to a quick break down on this all-important system. This can also affect other bodily systems and cause increased illness. This frequent eating over a period of time will shorten your life. Remember, "What you eat keeps you here and what you eat takes you away." Changing our eating habits by eating less often will allow our bodies to drive many impurities out of the bloodstream. It is important that we don't fill our stomachs with food 2,3,6 or more times per day if we intend to live a longer, healthier life.

The majority of our people have been taught to eat three meals a day without being taught the hazards of frequent eating and we fear

missing even one meal. Missing a meal is more beneficial than we think. Allah teaches through His Messenger that eating one healthy meal a day or even one meal every other day will aid in keeping us here with little or no ill-health. Alcohol, tobacco and drugs in any form will shorten your life. We must stop eating foods that are harmful to us such as the pig and other foods that are not prescribed. This will also save you some of your hard earned income and unwarranted trips to the doctor. Fasting is one of our best ways to aid in cleansing our blood and body. A fast should last at least three days and nights and should be done monthly, so teaches the Messenger of Allah, for the greatest benefit. Your complaints will disappear. This is truth and right guidance.

He Makes All Things New

a new people. The new earth will be made here in what we call America. However, he teaches us work has to be done to remove the wicked and their old world. In a cross-reference in some of his other teachings Messenger Muhammad verifies from scripture and from Almighty God (Allah) Himself that this area will burn for 390 years and take 610 years to cool off.

After this 1,000 years of the destruction of the wicked and their civilization the new earth will only have righteous people and no one will be around to remember any of the evil that once transpired here or anywhere else.

Some of the many scriptures which the Honorable Elijah Muhammad refer to regarding this **subject** are: Isaiah 65:17 and 66:22, and Revelation 21:1 of the Bible.

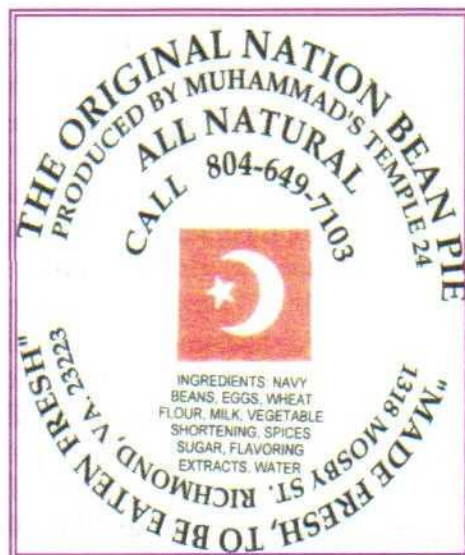

In this same chapter (Chapter 23) of the book "**Our Saviour Has Arrived,**" beginning on page 110, Messenger Muhammad teaches us about their life-spans. He states that... "**To make all things new means to go to the very root of everything that exists.**"

As all of our people need to know these things which are vital to our success and to the present and future salvation of all

The War: America Cannot Win The Victory by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad and His Last and Greatest Messenger, The Most Honorable Elijah Muhammad. As-Salaam-Alaikum.

The first question many might ask is, "What War?" The Honorable Elijah Muhammad has for years taught about the treatment and condition that the Blackman in America has had to endure under the yolk of slavery and oppression by the hands of the so-called Whiteman. He teaches that the fall of America is due to these very grave and unjust actions. They are the reasons that America's end is now. The Bible mentions that the children of Israel would be delivered from the hands of their op-

pressors. Today we are witnesses to the day of deliverance. The war is between Allah and America for the liberation and salvation of His chosen people, the lost and despised so-called Negro. Many of our own people have ignored or dismissed these teachings and the signs that bear witness to this time and its truths. Many scientist and scholars of the white race are well aware that the Whiteman cannot win against Allah. They keep this knowledge amongst themselves and away from their former slaves. They woo us with high political jobs that keep us from turning our attention to self and kind. This is without a doubt the day of separation. Their efforts to hold on to the once slave through trickery, coercion or any

other means will not be successful. The Messenger teaches that if America was to war with some of it's enemy nations, it would stand a chance using carnal weapons whether on land or in the air. Scripture advises that no weapons formed against Allah will be successful. Their efforts to make the Blackman believe in them and the Mystery God that they represents are today being rejected. The truth is too plain. As scripture states, "a child would understand and a fool would not error." Those of our own who are so attached to and dependent upon our open enemies will suffer the same fate as all who are enemies of Allah and His Chosen. We are advised to fly to Allah and His Messenger before it is too late. As-Salaam-Alaikum.

the professional, the wisest of all deceivers of all the civilizations of the earth, and he has deceived all of the civilizations of the earth.

The Bible teaches you that "he deceived the whole world;" not just us but every human being-well, except the angels of heaven. Just as it is written, the arch-deceiver is capable of deceiving the whole world, except God's last Messenger (the Lamb of God) (Bible Revelations).

The Holy Qur'an teaches that the Black man will wish that between him and the devil was the

distance between East and West.

Messenger Muhammad says "Come and follow me, and there will be no fear for you, nor shall you grieve." We the Muslims fear none but Allah. If anybody needs the fear removed from him, it is the frightened-to-death Blackman in America. Self First.
