Unite Under The Crescent by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and His Last Messenger the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

In the book, The Supreme Wisdom, Volume two, the Messenger titles one of the articles, "Let Us All Unite Under The Crescent!" He ask that we all unite and be One People, at peace with each other under the

Crescent of our religion, Islam, and seek for our Nation what others seek for their Nation—a country to ourselves where we can live in unity, harmony and peace, away from our enemies. This is what we look forward to, however we are well aware of the conditions that we have been put in under the oppressive conditions that we have undergone at the hands of the slave masters (white people). Some have viewed the above statement as a hopeful reality

and push to just keep hope alive as if the possibility of such a state couldn't become reality. We who follow the teachings of Islam, our natural religion, know what must be done in (cont' on pg 2)

America, this is upsetting the Christian race. Allah has come to give justice to the so-called American Negro in that we are human beings, the lost-found members of the Nation of Islam. The white slave masters caused us to be deaf, dumb and blind to the knowledge of self and now declare that we are only three-fifths of a human being. The (cont' on page 3)

Prayer In Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Throughout the years, we who are members of the Lost-Found Nation of Islam in the Wilderness of North America, as well as students of the Honorable Elijah Muhammad, have engaged in concentrated study as concerns the reality of Allah (God) and the purpose(s) of prayer. This enables us to understand how and why He, Allah, is **One God** and to *know why we must pray to Him* for guidance and salvation.

Any student of scripture (Bible and/or Holy Qur'an) can learn something about the concept of God and perhaps a little about His attrib-

order to make a state of being real. We are aware that we can only have that which we seek is through these teachings. It is no accident that we are hearing such *instruction in this day and time*. The problem is the words enter the ears of the Blackman but we have been made resistant to the offerings of freedom, justice, equality and independence because of the mindset that has been put in him. We want these things, but look to the slave master to provide them to us even though *he has never given them*

utes. This is possible because of the work of Original (Black) Scientist who-through observations and other methods, gather and record this information (scripture), storing it to be eventually released (usually) in book form for future civilization and generations of people.

In his **Theology of Time** series delivered to thousands of Black people in Chicago, Illinois during the summer of 1972, Messenger Elijah Muhammad made this profound announcement: **"God rule by One, but not by just the same One. This is why you are taught that God is One."** Now the key is to learn Who is in rulership and how to properly serve Him. The Messenger also states that He (Allah) made Himself to revolve and we follow this law. This includes every one and every thing traveling in space, engaging to be properly calculated.

to us, but we continue to wait. We wait for the approval of the slave master before we embrace an offering of that which satisfies the soul and nature of black people. *Islam under the guidance of the Honorable Elijah Muhammad is what Allah has raised him to give us, let us grab whole to it and live lives that we have wished for, prayed for and hoped for.* Take the time to examine these teachings. There is nothing to look toward by putting our future in the hand of those who have directed *our lives in a way that has con-*

In this day and time the Christian (white) civilization continues to invite the people of the earth to serve the contrary God, Jacob or Yakub-even though His time (and those He commissioned to continue His work) is out. Off times they also throw in the Prophets Jesus who is recorded in the Bible as being a man "*out of due season*", eventually giving up his life after entertaining the idea of being *forsaken* by God, his Father.

Today, as the rule of the six thousand years of the made-man, serving the contrary God, is over, we must now embrace, not just the concept of the true and living God, but the total reality-Allah (God) in Person, Master Fard Muhammad. Now as we pray we get maximum results since we know *how to pray, what to say as we pray as well as to Whom to pray.* Come to Muhammad's Temple and learn more. As-Salaam-Alaikum.

tinually kept us wanting but not getting. Our flag, The Crescent signifies our independence as a Nation, but without the necessary actions by us to implement that *independence and do for self*, united as a people, we will stay in "independent limbo". We must remember that Allah has said that those who refuse to join on to their own and continue to follow the devil (white man) He will filled Hell with you all. Today is the day of decisions, we trust you to chose life and live. Unite with *your own under "The Crescent"*.

White People Are Not Divine by Bro. Hakeeme Muhammad

hibited from returning to this area by Muslim guards with swords which were placed at the east of the Garden to prevent their return. All praises to Allah. This is verified by the Holy Qur'an which stated that they were given an abode and provisions for a time (6,000 years). The Holy Qur'an states in chapter 2 that they were the enemies of the people of the Garden (the righteous). The Adamic race is still the enemies of the Muslims (black people's nature). Allah did not deprive the white of right guidance. He sent Messengers and Prophets to them one after the other whom they persecuted and killed. The Adamic white race's history is proof that they are still the enemies of God and the righteous, for they never did sincerely accept a prophet of God. Can they now claim to be

the chosen of God? Why would God limit their time of rule? Why did God send His prophets to warn them that He was going to destroy them? Holy Qur'an 7:14, he (the devil) said respite me until the day when they are raised up. Those that are raised refer to the resurrection of the Blackman into the knowledge of the white race as being the real devils. The Holy Qur'an continues in Chapter 7, Verse 16, with the devil saying, I will certainly lie in wait for them in thy straight path. Today he is being revealed as the Great Deceiver and he is angry. Christianity is not our religion and neither did Jesus teach it. He taught the religion of peace, Islam. White people are not the Divine people of God for they are not from the God of Righteousness.

According to the Bible (Gen. 3:20-24) Adam and his wife were the first of all parents of all people (the white race) and the first sinners. According to the teachings of Allah to us, he was driven from the Garden of Paradise or Garden of Eden, which is also called the Holy Land, into the hills and caves of West Asia or what is now known as Europe. Because of the newly made man's conduct, he was driven from amongst the original people (black people also referred to as the Tree of Life). They were pro-

knowledge of self being taught the Blackman in America is causing us to no longer worship the Christian race, the devil-slavemasters. Our refusal of allowing the devil-slavemasters to burden us has angered them as the donkey's refusal angered Baal as in the parable of Baal riding the donkey.

England, Belgium, France and Italy also have taken part in enslaving the Blackman in America and throughout Africa and Asia. Messenger Muhammad teaches us from Allah-God Himself the by nature no white people want freedom, justice and equality for any Black people, especially in the western Hemisphere. England and America are the chief slave slaver makers of Black people. They hate the fact that Almighty Allah is breaking their power to rule

over us.

The more Christians (white slavemasters) try to disprove the truth being taught to us. The truth of them (whites) being taught to the so-called Negro is running them mad, angry and insane, so much so that they are fighting and killing each other. We are witnessing this daily on the news. Almighty Allah has confused their minds. There is no peace among them and they enjoy spreading their evil to break the peace of all Black nations. The Holy Qur'an, 81:12 refers to this condition of the slave makers, the devils, as the "kindling up of hell"-**Hell Erupts.**

White America is entering into a war with Almighty Allah-God as He increases His divine knowledge to the Blackman in America more than to any

Black people elsewhere, because we are His chosen people, the new rulers of the Universe, so teaches the Honorable Elijah Muhammad. While they seek to destroy us, let us rejoice sisters and brothers inn witnessing the Power of Allah, through His Messenger, as the devils are destroyed!
