has chosen Islam as a religion for us (Holy Qur'an 5:3) but Islam, he teaches, is more than just a religion; it is our natural way of life and we are invited to return to that which is natural. The false teachings of our former slavemasters and his made-up religion, Christianity, has blinded us to Islam, which now comes for our own upliftment, enlightenment and salvation. Unlike the slavemasters and their religion

old world would be going out and a **new world** would be coming in. They can also learn that God (Whose proper name is Allah) will be the Creator of the **New World** and He will choose a certain people to be the beneficiaries of His **New World**.

Many people around the earth have staked claim to this prophecy. This they declare themselves to be God's

chosen people, even though they profess religions that God has never owned, nor has He sent any of His Messengers or Prophets to teach these religions to the people.

In **The Muslim Program** under No. 5 of "What The Muslims Believe", the Honorable Elijah Muhammad states: "Furthermore, we believe we are the people of God's choice as (cont' pg 3)

Islam-The Religion of Peace

Bro. Hakeeme Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, The Honorable Elijah Muhammad. As-Salaam-Alaikum.

Islam is the religion of peace and unity, and is the true religion of Allah (God). It means peace, therefore, it is the Religion of Peace. The Messenger states that we couldn't imagine Allah giving mankind any other religion but one of peace. Nor could we imagine a prophet of Allah bringing us a religion other than one of peace. It is even written in scripture that Islam is the chosen and perfected religion for the righteous (HQ5:3). The peace of Islam is the freedom to enjoy

life. Also it is having the benefit of a peaceful environment free of disturbance or threat, all within the confinement of public security with law and order. The unity provided in Islam brings a state of oneness with self and kind. This unity means having a spirit of oneness in sentiment, purpose, harmony, and the quality of completeness. It is represented in our flag with the symbols of the sun, moon and star which equate to freedom, equality and justice. The wisdom of peace and unity (Islam) is imbedded in the gene of the Blackman and we should recognize that natural trait and allow ourselves to be lead by that which is our nature. We have been led away from that which

is natural to us by following one that is other than self (white people). Like the Earth having been divided to produce the moon, so have we been divided from self; but Islam restores our peace and unity. A-Salaam-Alaikum.

have listened to, joined on to and accepted the teachings from Allah to His Last Messenger, the Honorable Elijah Muhammad, now enjoy a completely new way of life-a life where we have peace of mind and contentment. This is the state of heaven while we live that is promised upon acceptance of that which is our own, Islam. We say, "All praise is due to Allah for the Honorable Elijah Muhammad." He is raised by Allah in Person to turn the hearts of the father to the children and the hearts of the children to the father as stated in the Book of Malachi (Bible). The education he provides is in Muhammad's Temple of Islam. These Temples, set up by Allah, is the only place

that we can be awakened to the truth of the day and time in which we now live. Make no mistake, Islam under the Messenger's guidance is our only salvation, but we must follow that which he teaches whole heartedly and to the letter. This is not given at a dollar cost. It cannot be bought at any amount. However we each have the opportunity to benefit from what is offered. The cost, our willingness to submit to that which is our only true salvation -Islam as taught by Allah's Last Messenger. Destruction of The Present World

In The Name of Allah, Who Came in the Person of Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

The present world of white mankind (devils) is being destroyed by the power of Almighty Allah, Master Fard Muhammad, to Whom praises are forever due. The Messenger of Allah teaches us that He (Allah) is destroying this devil's world with bombs, poison gas, and finally with fire, which will destroy everything pertaining to him.

The Mother Plane was also made to destroy this evil world of white mankind. Ezekiel (Ez. 1:16) saw it

in a vision; he called it a wheel because it was made like a wheel. Ezekiel said that this Plane is wheel-shaped and can turn in any direction at anytime. He also said it is a dreadful looking Plane that is a half-mile by a half-mile square; a human-built planet.

Allah is also destroying this evil world by His forces of nature. The four great judgments that Almighty Allah is bringing upon the white Caucasian devil's world are rain, hail, snow and earthquakes. We are witnessing these storms daily throughout the Wilderness of North America. The Holy Qur'an also teaches that Allah used these same great judgments against former wicked, evil people-along with the fire.

A New World A New People *cont' from pg 1*

it has been written that God would choose the rejected and despised. We can find no other persons fitting this description in these last days more than the so-called Negroes in America...".

For those of us in America to qualify for these great blessings from Allah-God, we must be willing to do a few basic things; (1) We must join on to our own kind and accept our own and be our true original selves. (2) We must learn of Allah, Who Came in the Person of Master Fard Muhammad. (3) We must visit and become a member of any Temple of Islam under the teachings of the Most Honorable Elijah Muhammad. (4) We must go through processing so that we can be admitted to one of

the Civilization classes held at the Temple. This addition depends on whether one is male or female. These basic steps will enable any of our people to begin the journey for a glorious life of peace (Islam).

On page 32 in his book titled "Supreme Wisdom, Volume Two," under the subject, "The New World Will Make The So-Called Negroes A New People," Messenger Elijah Muhammad states: **"The so-called Negroes will be the beneficiaries (of the New World), for they, too, will be made "New" by Allah. They will take on a new growth-spiritual as well as physical-and will be the most beautiful, the most wise, the most powerful and the most progressive people that ever lived!"**

Allah (God) will not be defeated. He has chosen us (the Blackman and woman) to be His people, and He delights in fighting the enemy devil. We are ordered by Allah (God) to flee out of her (Jeremiah 51:45), for we are not to suffer the divine plagues sent upon Babylon. Fly to Allah, my black people, as Messenger Elijah Muhammad teaches us.
