## *We Seek Truth and Justice* by Bro. Hakeeme Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The National Flag of Islam is a true representation of truth, freedom, justice and equality. We will declare it and die for it. We thank Allah for removing fear from us. His coming puts fear in our open enemies and they tremble every day

as they witness their world coming to the end. We now rejoice as we witness the fall of the evil and corrupt world of the white race. It is soon to be removed completely as stated in Genesis 2:1. Scripture is being fulfilled by degrees. It is shameful to see our poor people still begging the white man for justice after truth has come to them. We can understand this happening to our grandparents and their foreparents who were under the direct

rulership of the slavemaster. But today, Allah, Master Fard Muhammad, has raised a messenger who opens the mind's eye of the so-called Negroes and shines the light of truth so (cont' on page 2)

We, the lost-found member of the Tribe of Shabazz, here in the Hells of North America have been declared by Almighty God, Allah to be an independent nation. The Nation of Islam. We occupy space here in America but, we are not a

part of America nor are we citizens of America. If we take the time to examine the history of America we will find that no consideration has ever been truly given to make or declare us members in truth as a part of this country. We have (cont' on page 3)

## *Time Is At Hand*

In the Name of Allah, Who came in the Person of Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

We, who are identified in North America as so-called Negroes or so-called African-American, have been raised in such a manner that we do not place proper value on time; therefore Messenger Elijah Muhammad reminds of its us importance. In his great book titled "**Message To The Blackman In America**", beginning on page 296, he reminds us that *TIME IS AT HAND*.

The Messenger often teaches us that we are living in the time of **resurrection, separation and judgment** though many of our people pay little attention to or comprehend any of the aforementioned. Many people, however, converse on things such as sport and play, games of chance, and can engage in extensive conversations on mixed-up and otherwise extremely confused relationships between people who conduct daily affairs.

A basic definition of the word **time** that is found in the dictionary states that it (time) is "**the measurable extent of duration**". This means how long something lasts from beginning to ending. In this context the Honorable Elijah Muhammad is warning us that time of the wicked

world in which we live is at hand. He backs this statement with scriptures found in the Bible, the Holy Qur'an, and with words taught to him directly by Allah (God) Himself, Master Fard Muhammad.

The "gospel" or "good news" in this day and time is that Allah (God) has declared this world has run its course and must end soon. It is also good to know that Allah has chosen the rejected and the despised (the so-called American Negroes) to build a new world of righteousness based on Islam - freedom, justice and equality. It is also most comforting to know that Allah has promised that we who believe in and put our trust in Him are guaranteed His total protection.

As-Salaam-Alaikum.

brightly that a child can understand and a fool should not error. The Messenger stated in 1959 that all of our attempts at seeking truth and justice through the American government, its Department of Justice, the political system, the priests and preachers, and even the civil rights movement have all failed the so-called Negroes.

The War of Armageddon is going on at this very moment,

so teaches the Honorable Elijah Muhammad. The signs are clear and the separation of us from the slavemaster's world and ways is at hand. The devil's world is going out and Allah, Master Fard Muhammad, and His Last Messenger assure us that the new world of Islam, with its flag, the Sun, Moon and Star, will survive this prophesied war. The Cross, he teaches, is not a good sign for our people to be holding onto for salvation. Allah has given us His

Messenger to deliver us back to Him; to restore our lost knowledge and to put us back in our rightful place as "The Head" and not the tail. All praise is due to Allah (God in Person) for He gives us the Honorable Elijah Muhammad, the true Jesus that the world has been looking for and been waiting to come back for the last 2,000 years. We are encouraged to return to our own selves and to our own true religion and true nature, Islam, at once. As-Salaam-Alaikum.

## Will You Be The Winner?

by Bro. John X

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

Wars and rumors of wars during the devil's reign (6,000 years) have persisted in the way of bloodshed and murder-his way of life. People love speaking of the Third World War - some with fear and some with anticipation. It is the nature of the devil (white people) to prepare and plan for war, but Messenger Muhammad, along with scripture, teaches us that Allah, The Almighty, is the Best Knower and Best Planner. The non-Muslim world cannot win in a war against Allah the Great Mahdi, with outer space weapons or inner space weapons. It does not matter, for He (Allah) has power over everything - the forces of nature and even

our brains. He turns them to thinking and doing that which pleases Him. America (allies included), waste money building defenses against Him, thereby, rendering even the slightest hint of a third world war - useless.

Messenger Muhammad teaches America's scientists are troubled and at their wit's end to find time to make ready, as it is written: "I have set the point of their sword against all their gates; that their hearts may faint, and their ruins be multiplied. Ah, it is made bright, it is wrapped up for the slaughter" (Ezekiel 21:15).

The Holy Qur'an also says: "And you shall see every nation kneeling down. Every nation shall be called to its book. Do you think that you want to be called to yours? Today, you shall be rewarded for what you did. This is our book that speaks against you with justice. Surely we wrote what you did." (45:28,29).

For the past 6,000 years the prophets have been predicting the coming of God would be Just and Righteous. This God would appear at the end of the world (of the white people). Messenger Muhammad also teaches that America's wickedness has become so great and fair - seeming to the original people of the earth. However, her day is near, and she shall be visited. Even America's enemies warn her that the third and final World War will be decided on America's soil and not that of her enemies.

With all of the warnings, prophecies, and scriptures, the blind, deaf, and dumb so-called Negroes must know that it is incumbent upon them to know whom all of these parables, symbols and forewarnings are directed now! As-Salaam-Alaikum.

fought for the rights of a citizen without any true gains, only accommodations. These accommodations are the crumbs from the rich man's table being handed to us to quiet the cries of a lazy and spoiled people - the so-called Negroes. Why do we fight so hard to be a part of our enemy's country and resist the offering of unity and brotherhood within a nation of our own. This is what is offered by Allah, Master Fard Muhammad, and His chosen Messenger, the Honorable Elijah Muhammad. We are being taught of the time that is at hand, the end of the current ruler's world, and time to rule. This day is our day. Let us rise and strengthen our own

nation by joining to self and kind. We are the Gods and rulers of the incoming new world of peace, but we must prepare ourselves to rule. Those of us who study and follow the teachings of Messenger Muhammad are preparing for rulership. Join us as we build our nation within a nation. America is falling fast and can not be saved. Our Saviour has arrived and has raised a divine leader, teacher and guide from us, for us, who is the Last Messenger coming from the face of God to restore all things. He restores us, the black man and black woman, here in the House of Israel. All praises to Allah. We are overcoming. As-Salaam-Alaikum.
