come out of her (America) before it is too late. The time of Judgment is already in progress. He warns us that America can not be saved as the die has been set. Scripture has many references to the fall and doom of America. It speaks of America's isolation as other countries turned their backs on her. We see her today seeking alliances with other countries, but they still turn their backs. We, too, should consider why this is occurring. Even

## *Hell Erupts*

In The Name of Allah, Master Fard Muhammad, and His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

“In this world of crisis and destruction of nations, the only escape you have is in Allah and following me.” (Message To The Blackman, Time Is At Hand pgs 296-298). The Honorable Elijah Muhammad gives us (Black people) knowledge of what must be done to survive the Judgment of America that is taking place now. Nations are at war with each other and the forces of nature are roaring against corruption that has spread over land and sea. Why is it important that we take note of these occurrences? We are taught by our Messenger that when we observe the earth and its inhabitants in turmoil as it is today, Allah (God) will come and

destroy that which has put them in this condition. History dictates that this would be none other than the race of white people who to this day fight against the Will of Allah to remain in control of the Original Man (Black people), but they will release the hold that they have on the Original Man because Allah is at war with them and will leave neither root nor branch of their existence, sealing their doom.

The Honorable Elijah Muhammad says that war is inevitable and will cause much confusion and destruction. Our survival depends on our preparation for these trying times. We (Black people) can shake the power of influence that the whiteman has over us by learning to do for self and kind. We cannot expect our condition to improve on its own, and with the Judgment upon us it is expedient that we separate from our enemy and get

ica still strive hard to keeps its once-slave deaf, dumb and blind, and in love with their open enemy by continuously tricking them to believe that their future is safe as long as they remain with and in America? The Messenger brings and teaches us the truth of America, its future and the truth of the time in which we are living. It is time that we are given these truths with the hope that we will wake up and be quick to remove ourselves from the total destruction of America. The message that the Honorable Elijah Muhammad brings is not hindered by white people. However, they feel that we are so entrenched in the way of life that they have raised us in that we will not go to or for self. They know that we depend on them to

provide for us. They have kept us in this condition to prevent us from even desiring to leave them. When we see our people being killed, raped, robbed and deceived, we complain and call for justice, but it is always out of reach. Messenger Muhammad informs us that we will be beaten into submission and forced to go to our own. Freedom, justice and equality is within our grasp, but we must follow the Messenger of Allah to receive it. There is no freedom, justice or equality for our people under the rule of this made white man. Messenger Muhammad says America's doom is not just feared, but assured. Come out of her. Come to self and kind.

As-Salaam-Alaikum.

ready for the fall of America. Why is America targeted for destruction? Our Messenger teaches us that she is filled with devils, wicked unrighteous people who oppose the Will of Allah and show no end to their love of evil works. Allah will destroy them for their rebellion and persecution against us (Black People). He is chastising America with rain, hail, snow and earthquakes. These Four Great Judgments have wiped out past civilizations. We must go into survival mode and do what is necessary to build our own society based on the Teachings. First comes knowledge of self and others. Unification is key and so crucial in our fight for Independence.

America is falling; her false promises hasten her doom. Seek refuge in Allah and prepare for war which avoiding hard times. Be prepared. Resist not. Follow Elijah. As-Salaam-Alaikum.

## *Separation Is The Answer*

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

*And when the cities are set afire.  
And when men are united.  
And when the hell is kindled.*

In seeking ways to solve the many problems between the white man of America and his 400-year old Black slave (the so-called Negro or African-American), our people look everywhere except the right place to find the real solution. In a great book titled "The Fall of America", beginning on page 164, the Honorable Elijah Muhammad gives us the real answer. The Messenger's answer is directly from the Mouth of God, Al-

lah, Who appeared in the Person of Master Fard Muhammad. This answer is a divine (natural) principle or perpetual law which has been taught and even preached by messengers and prophets of the past, according to scripture (both, Bible and Holy Qur'an). Jesus of 2,000 years ago wanted his followers separated from the people who chose to remain in the wicked world of that day and time; thus, he prayed to God in that time to assist him in this effort (Bible, John 17:9-10). Moses of 4,000 years ago got his marching orders directly from God (Bible-Exodus 33:11). One basic command he delivered to Pharaoh from God was that Pharaoh must "Let my people go." The Honorable Elijah Muhammad in these contemporary times

also states "Separation is the answer."

The Messenger cites verses in the 81st chapter of the Holy Qur'an, with emphasis on verses 6,7 and 12. America is on the verge of total DESTRUCTION - chaos, confusion and mayhem. Allah and His Messenger want us separated from white people before this total destruction occurs.

Some of the early Founding Fathers of this nation (America) knew that they could not forever hold our Black ancestors and us in this trick bag. These white patriots documented that they (future generations of white people) would tremble at the awakening of Black people. All praises due to Allah! As-Salaam-Alaikum.

on their deceiving and wickedness which they have been practicing as long as they have been on the planet. I expose these things for the sake of my own people. Many are so ignorant to the knowledge of the truth of the time in which we are living. The ways of this world can no longer be followed by our people. If one understands the Bible and/or the Holy Qur'an he will admit that this world's time is up. It is evident that there is no peace for the wicked or those who follow. No preachers of Christianity can truly claim to be followers of Jesus as their leader, as he came preaching peace (Acts 10:36). Day and night the air waves are full

of their preachings to no avail. They speak as if they are prophets of Moses, Aaron or some other prophet as if they now sat in Moses' seat. The White Christians are great deceives. The Pope of Rome cannot bring peace to the Christian Church, for he is not enjoying peace himself. "Fire Fed with Fuel". Leaving your own home to start trouble in another's and blaming that one for the trouble is the way of this damnable White Race. Trouble-making is their way of life. My people, there is only one settlement of this war between Allah and The Devil that will give you what you want or expect. Except that you are with Allah and His Messenger,

you and I must now be wise enough to see and understand that this world's time is up. We should begin thinking and doing for ourselves collectively. We soon will not have a white-run world to provide for us as it is written that a new world is coming in - a world that is again run by the Righteous. I invite you to follow the man whom Allah, Master Fard Muhammad, God in Person, has given the knowledge, wisdom and understanding for our salvation and success. This is none other than the Honorable Elijah Muhammad. He is Allah's Last and Greatest Messenger, and removes us as fuel for the forthcoming fire. As-Salaam-Alaikum.
