The Days of Trouble

by Sister Faye X

In The Name of Allah, Master Fard Muhammad, and His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

For six thousand years, our beautiful Earth and it's inhabitants have been shakened with a violent grip by a foreign people (White people) who were given this time to rule by Allah (God). It is clear

that they are not capable as caretakers of either. Under their rule, they have angered nations and deceived the so-called Negro into loving them. Do not be deceived by the control that they've had for so long. Their time has expired. Allah, Master Fard Muhammad, is ready and able to take control over His heaven and earth. White people have always been rebellious by nature so they will not voluntarily

Lull Before The Storm

by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Messenger Muhammad advises that Allah is very angry with America and the tricknology that she

uses on us to keep us mentally dead. He also advises that Allah is very disappointed at our slow response and reactions regarding the truths that are brought to us by His Messenger. We have been informed that Allah is judging America for it's atrocities against His people. This world of

falsehood which has subdued us is about to be removed. We are warned to join on to the truths that His Messenger brings. Scripture states, the world of unrighteousness will fall. All will appear glorious, and blessed with good times just before its end. It is referred to as "The Lull Before cont' pg3)

The Worst Is Yet To Come by Bro. Kamau Islam

In The Name of Allah, Master Fard Muhammad, and His Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

In the last chapter of his book titled **The Fall of America**, beginning on page 255, the Honorable Elijah Muhammad addresses another timely matter that all Black people in America should give careful attention. The Messenger plainly and clearly warns us of the calamities that continue to plague America because of past, present and intended future injustices against her poor, defenseless, and naive "freed-slave"-contemporarily identified as African-American.

Many of our people who have been

blinded by various confused Christian philosophies imposed upon them by white people, via the Black preacher, cannot clearly discern what is happening. Thus, they do not know how to escape the negative impact of these occurrences which also could lead to their destruction.

Sources which bear witness to the fact that **"The Worst Is Yet To Come"** include radio and television reports, individual conversations, conversations between government officials, and references in scriptures found in the Bible and Holy Qur'an.

America has birthed and nurtured a mega body of injustice (her three dimension government system) that breeds seemingly unlimited destruction and calamity. This **monstrosity**

unfavorably impacts America and all others who are caught up under her influence. People find themselves trying to work two, three or more jobs just to try to make ends meet. They also find themselves trying to "rob Peter to pay Paul" and realize that both are broke.

The monetary firm (The Federal Reserve) that manipulates the interest rate on America's worthless currency is still afraid to elevate it to the level of the first unit (the whole number-1) because of a continuing shaky economy. Messenger Elijah Muhammad beckons us to salvation. He states: **"I say to you my black brothers and sisters, fly to Allah: and come follow me!..."**

As-Salaam-Alaikum.

The Days of Trouble

cont' from page 1

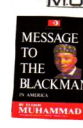

Holy Qur'an states that the enemies of Allah did not witness the creation of the heavens and earth or their own creation. So how can they do anything without Allah's permission? No matter how hard white people try, they will never be able to put out the Light of Allah or His inheritors (Black people). We are here to stay. According to the Honorable Elijah Muhammad, "The future of the Blackman is so beautiful that we

can hardly comprehend it!" (The Fall of America, pg. 183). All we (Black people) have to do is have patience and obey the Will of Allah, for it to be given to us. Allah intends to renew us for the New World coming in, one that we must build ourselves to ensure peace and happiness void of mischief-makers, our enemy. Praise Be To Allah.

Hell Erupts

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

Hell, according to Roget's Thesaurus, is simplified as "excruciating punishment, living hell, torment and torture" - a fitting reward to those "brothers-in-crime", known as America, (first and foremost), England, Spain, Belgium, Germany, France and Italy

Messenger Muhammad teaches us it is these slave-holders who have been the real cause of the

mental death of the people (so-called Negroes) which Revelations relates to as being deprived of freedom, justice and equality-life itself. Almighty God Allah, Master Fard Muhammad, has come, in Person, to give (so-called Negroes) true Freedom, Justice and Equality, and justify us as being equal to our slave masters - as human begins.

This continuous, undeniable cruelty by our open enemies, (inflicted upon us) has angered Almighty God just as the Egyptians' inflicted cruelty upon the Israelites (during the time Pharaoh) angered Jehovah, so teaches the Honorable Elijah Muhammad. Just as Pharaoh became angry,

went to work, and tried to obstruct Jehovah's delivery of Israel through His servant Moses, so it is today. America represents the epitome of obstruction as She, as well as we, near the exhaustion of the wisdom of her world - a fitting finale for Her death-dealing antics at home and aboard.

Thus, there is no such thing that Her (America's) evil will rule peace - never, ever. The Honorable Elijah Muhammad advised the white man to make haste and get in a hurry, if he wants to live. However, the countdown has already begun. America's doom can not be forestalled.

As-Salaam-Alaikum.

Sayings of The Messenger

the Storm". This is the time whereby all will appear to be going very well; however, it is the time when Allah brings destruction to that world. Allah never ends a world while it is in a low state. He waits for the high-times, to bring their fall. Allah is allowing us the opportunity to heed the warning that His Messenger gives, as this warning is the only chance we will have to be saved from the downfall, destruction and elimination the Devil's world. The Honorable Elijah Muhammad is Allah's Messenger. He is the door by

which we can be saved from the fate of the wicked white race. We are asked to examine scriptures, as it shows clearly the events of the past. They are signs. Messenger Muhammad is doing the work assigned to him. We are being awakened to truth by the only person chosen by Allah Himself. He has the keys to our salvation today and our success as we enter the Hereafter. Follow him; be removed from hell and set in heaven.

Messenger Elijah Muhammad warns us not to follow any other so-called or so-claimed messengers, prophets, leaders or guides. Many

are hypocrites, only out for their own glory and gratifications. They claim to be working for us, but are not. They are all small and weak in their power. They fight for our enemies under the false pretense of being for us. Messenger Muhammad warns that if you don't recognize the ones that are fooling or tricking you (by making you follow hypocrites) it is your doom. Recognize the "Lull Before the Storm" (the time). Follow Messenger Muhammad and be saved. As-Salaam-Alaikum.
