basically concluded that she (America) will never reform.

America shows no signs of feeling sorry for the way she has treated the so-called Negroes of so-called African Americans. She has no intention of recognizing us as human beings and continues to play tricks on us, even through our poor black civil right's leadership. The ignorant integrationist black leadership seeks to get the masses of Black people to forgive white people. This in spite the fact that white people openly show that they (whites) do not and will not ask for forgiveness for

In his book, **The Fall of America**, beginning on page 112, the Honorable Elijah Muhammad asks the question: **Will America Repent?** In contemporary times people in this country, and around the world, wonder if America will turn from sin and reform her way of life. Many have been waiting patiently for this correction (repentance) to happen while others have

Verse 4 answers with "The day wherein men will be as scattered moths." We have already seen this coming to pass. There are great fires burning thousands of acres of forest land and

hundreds of homes, storms and adverse weather conditions like never before; including now, more earthquakes and tsunamis. There is the great calamity among the governing bodies; division, disunity, disagreements, and so-called leadership with temper tantrums of special needs adults. There is the calamity of starvation, destruction of the process of childbirth, (cont' pg 3)

Can America Exist?

By Bro. John X

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad.

As-Salaam-Alaikum.

If but for one moment, one considers the above title, he would have to ponder the word "exist" and all of its synonyms thereof. However, we who follow Messenger Muhammad are not called "Believers" just because we believe. His teachings have been tried, tested and proven to be "Actual Facts". The one actual fact we know is America will and must be destroyed. Being a "habitation of devils" is one more proof that her existence is forthcoming.

No doubt the so-called Negroes, for over four-hundred years, have been appealing for confirmation. What greater evidence is needed than the teachings of the Honorable Elijah Muhammad? He states plainly, America's world is floating in corruption and its complete destruction is both imminent, and inescapable; therefore, any man who integrates with her must share in her destruction. Let's face it—Black people are not accustomed to following a man who is completely for them.

One of the many questions that should be asked is "How clear are Black people's minds as to the reality of the times we are living in?" America's existence should be "number one" on their list-along with her destruction. Thus far, the master-slave relationship remains near the

top of the list of concerns. The time given to the white man is up and even he dose not deny it. How can any sane person disbelieve the plain truth before his or her very eyes without being blind, deaf and/or dumb?

Messenger Muhamad states, "Here in America everybody thinks that America is immune." In reality, prophecy does not lie. When reality "hits home", people, especially disbelievers will still be in doubt and will be overtaken at a time they not. Prophecy, according to the Messenger, can be beaten. Has not the so-called Negro had "enough" all ready?

Time will tell.

As-Salaam-Alaikum.

time has *come* and *gone*. The question still stands: *Can one be forgiven for wrong doing when he or she has not requested forgiveness, nor is willing to receive forgiveness when it is offered?*

In addition to trapping the so-called Negroes or African Americans and the native Red Man (or so-called American Indian) in her pit of injustice, America spreads this to all darker people around the world. this shows us there is no intention or any sign of repentance. America has tricked so many people of the world that these people seem to always give her (America) the benefit of the doubt—when ever there is such.

The truth of the matter is **AMERICA WILL NOT REPENT!** She works non-stop to oppose the God of Righteousness and the righteous (black) people of God. The writers of scripture identify her as Mystery Babylon, the Great; a country that makes Ancient Babylon look like child's play. In the Bible in the New Testament, Second Thessalonians 2:3-4, "*Let no man deceive you by any means; for that day shall not come, except there come a falling away first, and that the man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple if God, shewing himself that he is God.*" As-Salaam-Alaikum.

Under The Shadow of Death by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

We have been under the Shadow of Death close to 500 years, and we have not sought to free ourselves from these conditions of hell that we have been put in. Some would argue that we have made great advancements. Truth is, we have been only granted crumbs from the Richman's (white people's) table. We have the skills and knowledge to run our own government within our own society, yet we, who are said to be free, rely on our open enemies for everything we need. Does this make sense? Should we not seek to go and do for self? Certainly. Yet all of our so-called Black leadership,

most who are supposedly well educated, continue to lead their people (black people) down the same old road of "just pray and wait for God". They continue to beg for some of the Whiteman's pie. All this goes on while black people are being killed, beaten, raped and robbed daily. They ignore the Messenger's program. No amount of praying or begging will satisfy the Blackman's needs. Only a unified righteous program can bring salvation, satisfaction and prosperity to us, an ailing people. Why do our people continue to follow these boot-lickers? We recognize that their begging is not advancing us, yet we go along hoping for improvement. They are deaf, dumb and blind. We live daily under the shadow of death without any relief. The idea of freedom, justice and equality is nowhere in sight under such lead-

ership. It is clear that we cannot continue down this road of disappointment. It's time for a major change. The Honorable Elijah Muhammad, Allah's Messenger, can save the Blackman and woman here in the Hells of North America. That which he has from Allah (God) is our salvation. For over 40 years, directly, his teachings have enlightened the lost, now found, black man and woman through this program from Allah in Person, Master Fard Muhammad. He has shown us by example, the results of Allah's program which elevated us from our poor conditions. Yet, we slipped back, failing to follow his example, and listening to others. Follow him, do for self; his is the road to freedom, independence, relief, and to our removal from under the shadow of death. As-Salaam-Alaikum.

The Calamity

unusual behavior of children, destruction of health, and poison drugs which are prescribed freely. America's scientists of war conduct experiments on how to best kill humans by the millions and wipe out whole continents. These are the days of fulfillment of prophecy of not one, but of many of the Calamities. Allah (God) comes to take the Black man away from the enemy white man and join him onto his own kind again. It is the will of Allah (God) to save His people and also He has the power to make the white man

(devil) to submit to His will. In the Bible Is. 43:6, "I will say to the north, Give up; and to the south, Keep not back: bring my sons from far, and my daughters from the ends of the earth"; (America).

Allah (God) has come and brought the Black man the truth. If the Black man refuses to accept the truth, he will be destroyed for willingly and knowingly rejecting the truth when it has come in his midst. Calamity!

In the country of America. No secret will remain hidden, the

chastisement of Allah (God) will not let you hide. As-Salaam-Alaikum.
