## Integration, No! by Bro. John X

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, The Honorable Elijah Muhammad.

Messenger Muhammad asks the question, "What are we going to integrate for? What do we want to marry a white woman for? We are black men and that would ruin our family. This is ignorant

on both parts to want to intermarry (integrate) with each other. The very desire there is ignorant and evil. It's against divine law for either side to integrate in such a way."

The slave master's children are doing everything in their power to prevent the so-called Negroes from accepting their own God and salvation, by putting on a great show of false love and friendship. This is being done through integration" as it is called,

The Honorable Elijah Muhammad  
Messenger of Allah

that is, so-called Negroes and whites mixing together, such as in schools, churches, and even inter-marriage, which causes the poor slaves to think that they are really (cont' pg 2)

he has been adamantly rejecting that call. It is time to think for self and to do for self.

The earth was created for black people. The White-man knows the truth and this is the day of deliverance. He goes out of his way to keep the Blackman deaf, dumb and mentally blind. This is an actual crime. Black people all over the planet Earth have

been robbed of the knowledge of the Divine God due to the works of the Devil (white race). They know their time is up. It was up in 1914. The Blackman is still not ruling because he is still asleep to the time. Long past is the time to awaken, and separate from the enemy. A Saviour was born for you and me, He (cont' pg 3)

## *The Future Holy Book* by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad, to Whom all praises are forever due, and in the name of His Last and Greatest Messenger, The Honorable Elijah Muhammad.

As-Salaam-Alaikum.

It is indeed a great blessing to be living in this great day and time. However, many might disagree because they are either not aware of the time or chose to ignore the signs that have been shown forth. We who study and follow the teachings of Allah, Master Fard Muhammad as given to us from His Last Messenger, rejoice. We are taught the truth of both Bible and Qur'an along with the proper understanding of both books. We see that both books bring us face

to face with the prophecies of this day and time. With proper guidance we witness the revelation and fulfillment of these prophecies. We also recognize that neither book carries us beyond the day and time of the destruction of this world and its host (Bible, Gen. 2:1) or the resurrection of the dead. Both stop short of what is to occur in the time referred to as the "Hereafter". They do make reference to a "New Book". One that no eye has seen, and of the content, no hear has heard. They provide no information. As to its content, none knows this but Allah. Some may argue that the book having seven seals contains the guidance for the "Hereafter", but that cannot be the "New Book". The "Book" that was taken by the "One" who would make war with "The Beast" is not

the "New Book". It is of course, the "Book" (source of information) that has awakened the sleeping giant (the so-called Negro) from his mentally deaf, dumb and blind state. It has brought him into the knowledge of his God, his self and his open enemy. And this brings about the fall of the present world, its destruction and removal, and this, is good.

We dare not attempt to speculate as to the content of this "New Book" for that knowledge is with Allah. We cannot even chance-imagine the content, for we have been so-long away from reality that our thoughts regarding the content would be imaginative. We only pray that our people will join on, accept Allah and His Messenger, follow and prepare self for "The Future Holy Book".  
As-Salaam-Alaikum.

entering a condition of heaven with their former slave-holders, but it will prove to be their doom.

Today, according to God's word, we are living in a time of great separation between blacks and whites. The so-called Negroes must now return to their own - nothing else will solve their problem.

God made all of us as we are. We have black nations, brown nations, red, yellow, and white. We have all these five major colors in races or nations. Why should they not remain like that? Why should

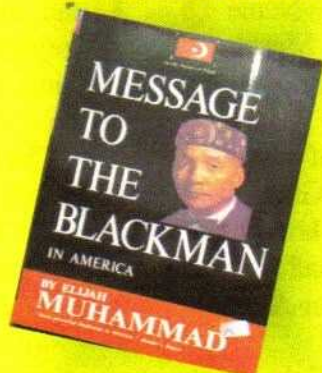

*cont' from pg 1*

they not remain like that? Why should they be thrown in like bones or birds into a pot to make soup out of?

The divine power is working and will continue to work in the so-called Negroes' favor in returning to their own. The separation would be a blessing for both sides. The so-called Negroes must return to their own. This separation would (will) be Allah's divine will being done. Nothing else will solve our problem.

*arch deceiver in regards to the Hereafter."*

The religious leaders of the civilization of Adam and Eve (the white race) have purposely steered us away from any real understanding of the "Hereafter." As a result of us being placed in a mentally and spiritually deaf, dumb, and blind state, we draw all kinds of unrealistic conclusions concerning the "Hereafter." Those who study Christian Church Doctrine often end up describing the "Hereafter" as a "Thereafter." They talk in terms of leaving the earth, after discarding their own flesh and blood, and traveling to some unknown distant location in the Creation. They give no specified direction

in which to travel upon leaving the earth and moving into outer space.

Messenger Elijah Muhammad keeps us grounded in reality. He teaches us life in the "Hereafter" is only a continuation of the present life and it will be right here on earth.

Allah's Last and Greatest Messenger, The Most Honorable Elijah Muhammad, gives us the truth as regards the "Hereafter." He teaches us that the "Here" refers to the location, right here on the planet earth and the "After" means in the future after the removal of the Devil (the white race) and any Black people who choose to follow them. As-Salaam-Alaikum.

The word or term "Hereafter" is one that many people who read and study the Bible and the Holy Qur'an may be familiar with. However, when it comes to the knowledge of just what it entails, some of these very same people will find themselves at a loss when asked to explain the "Hereafter."

In Volume 1, page 26, of a great book written by the Honorable Elijah Muhammad titled, **The Supreme Wisdom**, he states: "My people have been deceived by the

is with us today. We are a very loved people for God, Himself to search the Earth and Nations to find His beloved people. We must be separated in order that scripture be fulfilled. "For I will take you from among the heathen and gather you out of all countries and will bring you into your own land" (Ezek. 36:24). This is the

purpose of His coming, to give everyone that which is rightfully theirs. Fly to Allah! Follow His Messenger who said, "To my people, the so-called American Negro, Freedom, justice, Equality, Happiness, Peace of Mind, Contentment, Money, Good Jobs, Decent homes - all these can be yours if you accept your god, Al-

lah now and return to His and our original religion, Islam." Once you learn Allah, Master Fard Muhammad, do as He teaches through His Messenger, and follow him. These things will come to pass.

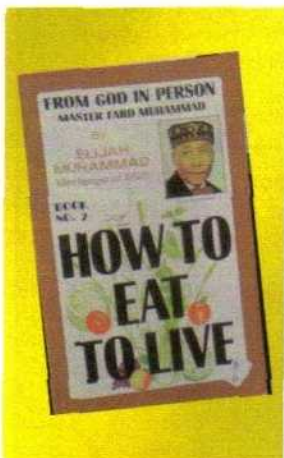

As-Salaam-Alaikum.

## *A Return To Long Life* An excerpt from *How To Eat To Live - Book 2*

*"Eat to live to bring about a return to perfection and long life; like Noah and Methuselah, who lived nearly 1000 years of our calendar year (containing 365 1/4 days).*

*LONG LIFE IS NOT enjoyed by eating food which will shorten and destroy life. Under this white race of people, we were not taught how to eat to live. They, the white devils, are not here to teach us, the Lost and Found members of the aboriginal Nation, to live a long life. They were put here to cut short our lives, and for the last 6000 years they have done that."*
