Right Religion in the Right State by Bro. Hakeem Muhammad

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Messenger teaches us that a religion is in the "right state" when its author is the All Righteous Being (Allah) and it is believed and practiced according to His Will. It must also apply to our nature in which we were born. That, then, is the "right religion in the right state." We often hear people speaking of *their chosen religion* as being the right religion and encourage

others to become associated with that religion. We who follow the Honorable Elijah Muhammad, the Last Messenger of Allah (Master Fard Muhammad, God in Person) and practice Islam as taught to him by God in Person can be found "guilty" of the very same act. However, there is a reason why we are not really guilty of an act that is mis-leading or detrimental. Inviting others to join onto a religion that is not in accordance with their nature is a grave mistake. In order to make a proper determination one must know the nature and position of the person that extends the invitations. Islam is the natural religion of the black

man and woman here in America, and all over the planet Earth. It is the religion of Allah (God) Himself. We find that Islam is the chosen religion as stated in the Holy Qur'an that has been perfected for us. No other religion is named as a chosen religion for the lost-found members of God's own nation (*cont' on pg 2*)

Muslims Should Be Proud of Themselves

Muhammad

In The Name of Allah, Master Fard Muhammad and His Last Messenger, The Honorable Elijah Muhammad. As-Salaam-Alaikum.

Muslim followers of the Honorable Elijah Muhammad, above all other Muslims, should be proud of themselves.

This statement, some would think is an outrageous statement, however, it is truly factual. Islam is not a new religion, but it is new to the Blackman and woman in America who are descendants of original black people who were brought to this country to be made slaves. We have for to long needed to know a true history of ourselves. This includes a

knowledge of that which was kept from us by the slave masters. The coming of Allah in Person, Master Fard Muhammad and raising a Divine Messenger for us marks the salvation and resurrection of us the lost sheep (members of the original people of the earth) here in America. This also marks the end of the civilization that was (*cont' pg3*)

Islam Improves Personality

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Muhammad. As-Salaam-Alaikum.

Any intelligent person and all intelligent people look to and for improvement, whether physical, mental, or spiritual. Education and/or experience both serve as precipitants. Such is the way of the civilized.

The combination of characteristics or qualities that form an individual's distinctive character is one's personality. Change is imminent and eventually obvious. Do we not hear "the more things change, the more they remain the same"? It's all about principles, rules, laws and guidelines -Islam. The Honorable Elijah Muhammad defines Islam as "peace". Islam,

he teaches, "changes the believer in every respect, into a better person, and makes evil hateful to him." In America where evil is fair-seeming and, I might add, hateful, Islam dignifies (to make someone **or something** worthy and impressive).

The so-called Negro, more than anyone else, not only needs improvement in his personality but in his total way of life. The Messenger brings to him (so-called Negro) a new Islam which not only dignifies him but offers him this total way of life.

Islam, along with improving personalities, also manifests (display or show a quality or feeding by one's acts or appearance) that which is in us, whether good or evil. The so-called Negro's attempts (always futile) to assimilate (absorb and integrate) into the devil's world and culture usually

ends with disastrous consequences. Without Islam as taught by the Honorable Elijah Muhammad, the best that can be said or hoped for by the so-called Negro is, "the more things (white people) change, the more they (white people/so-called Negroes) remain the same.

As-Salaam-Alaikum.

The Right Religion in the Right State

other than Islam, the religion of peace. Islam is the religion that was brought and taught by all of the Messengers and Prophets of God (Jesus included) that are mentioned and not mentioned in both Bible and Qur'an. It is also the religion given to His Last Messenger, the Honorable Elijah Muhammad to uplift and restore the "Lost Sheep in the House of Israel" (the Blackman and woman in America) in the last days. This is why you see the open enemy of God (the so-called Whiteman) and us, as well, going out of his way to keep his once-slave close to himself. He uses every trick to make us think that he is for us, yet it was not long ago that he did everything possible to keep us separate from all that was cherished and being done by him. What does he see in us today that makes him want to include us in all of his af-

fairs? Why is he today so willing to give to you Blackman, his most precious possession-his white woman? What does he see in us or with us that he now wants to be so close to us? The truth is, he is aware of the time. Our listening, following and joining with the Messenger of God hastens his doom. As long as he can steer us away from the truth being delivered today by the Messenger of Allah reference the time, and what we must do, the longer he can hold on to his position of rulership over us.

Throw off the mental shackles that bind and blind us to the truth that is now coming to us from Allah in Person and being delivered by the Honorable Elijah Muhammad, the Last Messenger to us all. The Signs of Islam

In The Name of Allah Who came in the Person of Master Fard Muhammad and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Something material or external that stands for or signifies something spiritual is one way to describe or define a **sign**. Another way to define a **sign** is something that serves to indicate the presence or existence of something. In a book written by Messenger Muhammad titled, **The Supreme Wisdom**, Volume 2, on page 53, he writes concerning "The Signs Of Islam."

Since the white European slave masters who kidnapped our people knew we were religious by nature, they gave us one of their religions (called Christianity) a little over a

hundred years ago. They also gave us a sign to accompany their religion—"The Cross". None of the aforementioned (the slave masters, their religion, or the cross) guarantee any real benefit to Black people.

The Bible states that in a certain day and time two signs would be set before a certain people. One sign would represent life and the other would represent death. This same scripture goes on to advise this people to choose life and live. Those who associate the sign of the cross with Christianity even sing that it is an old rugged cross and an emblem of suffering and shame. Certainly this would not be the sign to choose for life.

The Holy Qur'an speaks in terms of a people receiving the "right religion in the right state."

by Bro. Kamau Islam

The religion of Islam is the religion of peace and the signs that represent this religion bear witness to this profound truth. The Honorable Elijah Muhammad teaches Islam uses for its signs-the Sun, the Moon and the Star.

Any sign that is associated with the religion offered by the True and Living God (Allah) does not present or represent suffering and shame. The Signs of Islam are good signs as they represent Freedom, Justice and Equality. Messenger Muhammad identifies the signs as elements of Nature. Even the intelligent people of the 6,000 year old world of the Adamic Race agree that elements are building blocks of life. According to the English dictionary, an element is "any of more than 100 fundamental substances that consist of atoms of only one kind and that singularly or in combination constitutes all matter."

permitted to rule for six days (6,000 years). This teaching gives life to the dead (mentally) and restores us to our original state. It reconnects us with that which is our own. We have been at the mercy of our open enemies (white people) and now we are awakening to a knowledge of our selves, our true God (Allah) and the made-man who is the real "Devil".

Let us today join on to that which is our own and be ourselves. Yes, this information must be learned, but we must be submissive and willing to be re-

stored or be fuel for the fire that will consume the world of the white man. We are taught and warned to "come out of her..." and be saved. These are the end of days for him and his world is falling. We are today, being prepared for rulership again. Knowledge is the key to our success and the doorway is now open to gain that success. Let us all commit ourselves to being proud Muslims.
