The Coming of The New World by Bro. Hakeeme Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Elijah Muhammad, I greet you in the words of peace and paradise of As-Salaam-Alaikum.

This topic is found in the book titled "Supreme Wisdom, Vol. #2". Here we find the Messenger of Allah making a statement di-

rectly to us, the lost-found so-called Negroes particularly, and to any others who have an interest in what he has been given from Allah in the Person of Master Fard Muhammad for the upliftment of His chosen people here in the Hells of North America. He states, "It is necessary for me to consult or refer to the Bible for this subject. It can be found in the Holy Qur'an, but not in the exact words as they

are found in the Bible." He goes on to state, "Another reason why I have to quote from the Bible, here as elsewhere, is that my people (the so-called Negroes) know or read no other Scripture (cont' on pg 2)

The "Time of The Dead"

by Bro. Kamau Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Most Honorable Elijah Muhammad.

As-Salaam-Alaikum.

A basic definition of **time** is found in the dic-

tionary to be "*the measurable extent of duration.*" Here, one is instructed to grasp the concept of how to properly value or count something from start to finish. In his teachings on *the Supreme Wisdom*, Volume Two, beginning on page 30, Messenger Elijah Muhammad teaches on the

"Time Of the Dead." The Bible, in the Old Testament, speaks in terms of the **dead** not knowing anything, and that the memory of them is soon forgotten. This means that those who are still alive soon loose memory of those who physically die. In the New Testament, (cont' on page 3)

The Sacred Vessels

In the Name of Allah, Master Fard Muhammad, and in the name of His last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

This topic is not speaking in terms of ships, barrels or artifacts. We are, however, talking about "people". The people taken from the Temple of Jerusalem were called "Sacred Vessels". God, according to scripture, destroyed ancient Babylon for making mockery of these people whom He referred to as His people. What do you think Allah (God) will do for America or anyone else who makes mockery or is misleading His "Sacred Vessels", the Blackman

and woman here in the Hells of North America? The Whiteman in America took them (the black people) from their native land and people. She (White America) filled them with wine, whiskey and the divinely prohibited pig. They deceived them in any and every way possible. They taught them to follow their ways (devilishness).

Allah has found His people (black people) and is angry with the slavemasters (white people) for the evil they have done to them. Allah has come with the "Truth." He has raised the Honorable Elijah Muhammad, teaching him these truths and the key of knowledge, (the New Islam). This he was teaching the Blackman in America for 40 years.

Now that he is absent, there are many who have come along mixing these truths anyway they want as if they knew more than the Messenger. They interpret his teaching to suit their own purposes, all the time leading the followers down a path of misunderstanding and misinterpretation while making the misinformation seem correct. The Holy Qur'an, Chapter 2, verse 42 warns against this, "And mix not up truth with falsehood, nor hide the truth while you know." The guilty must face the sentence of Allah because of their own actions and discretions. They will be fuel for the fire. Know the teachings of the Messenger of Allah. They are for us, "The Sacred Vessels".

The Coming of A New World

than that (Bible). Besides, they don't even understand the Bible—though they read and believe in it—and it is my duty to awaken them from it, because it is surely the graveyard of my people".

The Messenger is well aware of our condition. Reference other Muslims, who practice Islam, he states, "There are of course, many Muslims who don't care to read anything in the Bible." This is because they know that the Bible has been tamped with and that the truths in it have been made misleading to the readers or cause a mis-understanding when inter-

preted. He further states that they (the other Muslims) have not been given the job of raising the dead (Blackman) to life and therefore he has to ignore what they say or write pertaining to this matter. Bible, (Rev. 21:5) says, "Behold, I (Allah-God) make all things new"; and He said to me, "write, for these words are true and faithful."

It does not take a wise man to see the necessity of a New World. Since the present one has fulfilled its time and purpose. This is the time (day) that Allah is making all things new and the

present world is on it's way out. The Book of Revelations also states that we should come out of this world that is doomed for destruction in these words, "Come out of her", (America, the modern day Babylon) my people, be not partakers of her sin that ye not receive of her plagues," (nor of her punishments).

A truly wise man will bear witness to the truth being brought to us today as this old world goes out and the coming in of a New World.

As-Salaam-Alaikum.

Know The Truth

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad, As-Salaam Alaikum.

Brothers and Sisters, we are truly a blessed people today, whether we realize it or not. We have been given a Divine Leader, Teacher and Guide by Almighty Allah Himself. A Divine teacher who now brings us into all truths. We are being raised today into the knowledge of God in reality and that of self, that we may "Know The Truth". This information is so important to us. The lack of it is what has kept us in darkness. The lack of it is the reason that we are in the dreadful conditions that we suffer today. It is time that we know the truth. The Messenger of Allah is giv-

ing to us that all important knowledge and we should not ignore that which He brings. We have been raised by an open enemy who has not hesitated to show himself to be an open enemy. Yet we believed that he is a good man, and we take the blame for his mistreatment of us. The Messenger has told us and has shown and proven to us that the Whiteman is the Devil, an enemy to us by nature, and many of us continue to hold fast to him. This is due to the fear that has been instilled in us by him over the past 400 years. It is now time to let go of this mind set and gather with our own to get freedom, justice and equality. We want heaven while we live. We have suffered many indignities, both private and public at the hands of this open enemy. We pray for relief, yet we refuse to accept that relief without the approval of our enemy. We say,

"How long Lord, how long", yet we ignore the answer that is before us. The Honorable Elijah Muhammad teaches us of the time that we are living. These are the "Days of Allah". It is the going out of the whiteman's rulership and the restoration of the Blackman who is the rightful owner and ruler of this planet. It is our time to take back that which is ours and as Allah destroys and removes the whiteman's world, root and branch. Let us take hold of these truths and do that which is our right. The Earth belongs to the Blackman. Let us join on to our own, take control and be restored as rulers of our planet in the righteousness of our own way of life. It is said, "Truth will set you free". But, we must first be taught the truth. It is being offered today. Learn and accept this truth from Allah and be forever free and enjoy heaven while we live. As-Salaam-Alaikum.

The Sayings of The Messenger

You will do and obey that which you love.

The "Time of The Dead"

cont' from pg 1

according to revelation 11:18, it states that Almighty God (Allah) has set aside a special time for the **dead** and this is in the context of Him (Allah-God) making all things new (Revelation 21:5).

The Honorable Elijah Muhammad teaches us that this scripture has reference to a people (us) who have been made blind, deaf and dumb; a people who have been **dead**. Thus, the world (of the white race) that has made us **dead** in this manner does not want us to be awakened. The bible describes

this world as the Old World that does not want to make way for the new; therefore it (the Old World) must be destroyed.

It is also important to know and to understand that the Time of the Dead is very much connected to the days of resurrection, separation and judgment between the righteous and the wicked.

As this is the "Time Of The Dead," the nations of the earth are angry at Allah and at each other. These same nations engage in many wars and other fights against

one another over domination and continued possession of and rulership of the dead. Allah, Master Fard Muhammad teaches us through His Last and Greatest Messenger, the Honorable Elijah Muhammad, that the time or *measurable extent of duration* of the white race (devil) is over. However, the *measurable extent of duration* of the dead (the Blackman) is just beginning.

As-Salaam-Alaikum.
