The Caucasian Race by Bro. John X

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam -Alaikum.

The term Caucasian is generally mentioned with reference to White People (white folks), the Caucasian race. Messenger Muhammad adds that the term "race" is that which has a beginning and an ending. For certain, we are warned to

shun this deceiver (white people) throughout the Bible and Holy Qur'an if we are members of the Black Nation (the righteous). Sadly, there are those of our people who, even after knowledge, will sympathize with the arch-deceiver, including some of the "highly" educated. Even the Bible verifies this kind of action coming in the last days. All of this for favors and certain privileges. The Holy Qur'an also teaches they are the open enemy - not something concealed,

*The Honorable Elijah Muhammad
Messenger Of Allah*

not something invisible, but a visible being.

Our people nurse the Bible along with the enemy of the Bible's truth even through it teaches against Devil worship. (cont' pg 2)

Allah, Not Sword by Bro. Kamau Islam

In the Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam -Alaikum.

The growth, progress, success and general well-being of a person or of a people depends on their readiness to submit to

the Will of Allah. This is a basic teaching of the Most Honorable Elijah Muhammad, the last Messenger of Allah. In his book, Supreme Wisdom, Volume 1, page 27, the Messenger clearly explains how true history of original civilization bears witness to these truths.

Messenger Elijah Muhammad teaches that the

Christians (white people) are enemies of the righteous God (Allah); so, naturally they would also be enemies of His Messengers, prophets and followers. The white Christians missionaries, when writing accounts of the life and teachings of Muhammad, the Prophet of 1,400 years ago, spread many lies about him. (cont' on pg 3)

I Do Not Makes Mistakes by Bro. Hakeem Muhammad

In the Name of Allah, Master Fard Muhammad, and in the name of His Last and Greatest Messenger, the Honorable Muhammad. As-Salaam-Alaikum.

The Messenger of Allah has stated that he does not makes mistakes in what he writes reference the two "races" Black and White. As we study his writings and teachings, we too, find that what he presents to us is correct.

We are presented with truths, from him, that cannot be discarded or disproven. These truths have been long hidden from us and the general public for hun-

dreds, if not thousands of years. However, we find and study scripture to learn that a great truth will be revealed at some point in time. These would be revealed by God (Allah) at a time referred to as the end of the world. We had no knowledge of when this end would be, but today that point in time is being revealed to us by that one who God (Allah), Himself has raised to deliver all truths, and to turn the hearts of His children back to Him (Mal. 4:5,6). We are those who are now being raised from the mentally and spiritually dead state. Black people are returning to life. These truths from the Honorable Elijah Muhammad are doing this today.

The Messenger's truths and works live on today as it did doing his mission. That work continues on whether he be present physically or not. His teachings and instructions have not changed. If changes has been made, it is you who have made them. The Messenger has not made a mistake in all that he has given to us from Allah in Person, Master Fard Muhammad. The responsibility of keeping on track with his teachings to us, falls on us. The Messenger is the standard by which we stay on track. Follow only Allah's Messenger. We say, "All praises are due to Allah for raising for us His Divine Leader, Teacher and Guide". As-Salaam-Alaikum.

The Caucasian Race cont' from page 1

After all of that, our people often say, "He's all right with me". We have been faithful in bowing to the devil's will. But now, we must bow to the will of the God of Truth, Righteousness, and Justice, or be removed from the planet, Earth. Even in the devil's churches a standard has been set which cements, binds, and breeds ignorance, which seemingly is more desirable than knowledge. Thus, the question is asked, "How clear are Black People's minds as to the reality of the time we are living in?"

Common sense dictates that it is natural for them (white people) to

love each other. Surely, if the father of the two people (black and white) was the same, the two would love each other. However, such is not the case. Even the Prophet Jesus proved there was no love in the Jew's hearts for him.

Therefore. Messenger Muhammad teaches us, "The Whiteman (Caucasian Race) knows what is coming to him and you who follow him are just inviting death after life has been offered to you."

As-Salaam-Alaikum.

Warning To My People

by Sister Akilah Muhammad

In The Name of Allah, Who came in the Person of Master Fard Muhammad, and the name of His Last and Greatest Messenger the Most Honorable Elijah Muhammad, As-Salaam-Alaikum.

Sometimes while watching the television, the Emergency Alert System (EAS) warns the public of important emergency information. Such examples include severe weather or an AMBER (missing children) alert. When we see this, we are on guard or prepared for what is to come. Sometimes we might ignore or brush off these warnings. As a result, we may fall victim to a possible calamity.

In the book by the Most Honorable Elijah Muhammad titled the **Supreme 'Wisdom: Solution to the so-called Negroes Problem'**, he teaches the *'Warning to My People'* (pp. 21-22). In his guidance, he warns us about siding with those who are against him and his followers. In doing so, our people may land themselves in the chastisement of Allah.

Allah and the Messenger are our true friends. Their enemies are our enemies. As a people who are blind, deaf, and dumb to the knowledge of self and others; we tend to go against the grain. As a

result, we get slavery, suffering, and death from our enemies. Allah through His Messenger is offering us life. Even in this modern day society, we are being bamboozled into thinking we have humane freedom, justice, and equality.

The Messenger further tells us that Yakub's grafted race will not force their brothers to give the so-called Negroes freedom, justice, and equality. Today, they (devils) are more emboldened to go according to their nature; which is mischief and bloodshed. In recent news racial-bias played a role in the arrest of two black men who were waiting for a friend at a Philadelphia Starbucks. Basically, we cannot sit, stand, walk, or bend a knee without some form of injustice.

The Messenger says that Yakub's grafted devils then would charge him with race hatred. All the while "keeping their feet on my people's neck" (Supreme Wisdom, Book 1, p. 22). Our people not only can see the hatred, but feel the pressure of the hatred.

The Holy Qur'an says "*Surely those against whom the word of thy Lord has proved true will not believe, though every sign should come to them, till they see the painful chastisement (Holy Quran, Surah 10, pp. 96-97 sec. 10).*"

Again, when we see the warning from the Emergency Alert System, we are on alert. Should we also be on alert to the signs the Messenger is giving us to save our lives? Would we rather not believe until chastisement makes us submit?

We are warned so that we may have the opportunity to find salvation. If we choose not to take heed, then like a flood, we may be washed away. Remember as the Messenger teaches, we are being taught to hate ourselves and love our enemy. Therefore, immobilizing our quest for true freedom, justice, and equality. As-Salaam-Alaikum.

Saying of The Messenger

Islam is the original religion of all mankind. There is no doubt about it.

Allah, Not Sword

These missionaries want people to believe that the success of Prophet Muhammad, in spreading Islam from the Arabian Peninsula to the people, came mainly by force and with the use of the sword.

The truth of the matter is that these great successes of Muhammad and his followers came because of their obedience to Allah (God). Even in their battle against their enemies Muhammad and his followers gained success. Messenger Elijah Muhammad states that the Muslims fought for truth, and they were not aggressors.

Today, The Honorable Elijah Muhammad teaches his followers, the Muslims, to obey Allah, to obey the Messenger (himself) and to let not our deeds be in vain. He also teaches us to join on to our own kind and to do for self. Being forced to do for self will come as a result of rejecting Allah (God), and His Messenger (Elijah Muhammad) and continuing to hold on to the wicked ways of the devil and his world. The circumstances generated from rejecting divine instruction and guidance create conditions that make it harder and harder to do for self; sometimes im-

cont' from page 1

possible to do for self.

Even if one accepts Islam under extreme pressure (even the sword) it would have been better if he or she had accepted it willingly. The truth, nevertheless, must be told. The sword was not used 1,400 years ago to spread Islam nor is it being used today for that purpose. Messenger Elijah Muhammad concludes: ***Here I might ask, is it the sword that is spreading Islam all over the world today, even here in America?*** Come to the Temple and learn more.

As-salaam-Alaikum.
