The Judgment

by Bro. Kamau Islam

In The Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

In the 1960's, (in the previous century), the Honorable Elijah Muhammad wrote this article on **The Judgment Nears**. It can be found in his book, **The Fall of America**, beginning on page 252. The reference is to the end of the white

or Caucasian world, beginning here in America.

That which Messenger Elijah Muhammad teaches is actually, factually, and scripturally sound. The white man (the devil), he states, is like a criminal who has committed a crime and hopes for mercy from those whom he committed the crime against. The devil (white man) hopes that he does not have to reap that which he has sown. This judgment was prophesized to come to the white race

some 6,000 years ago. A repentance period was allowed — which he did not use to his advantage. Now, the white man must suffer the full wrath of Allah (God) as the judgment has been set. (cont' pg 2)

The Flag of Islam by Bro. Hakeem Muhammad

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

All nations on this planet, whether large or small, represent their country or state with a flag. This supports their

position of being free, self-governing and independent. Today, we who are the lost-found members of the original people of the earth, (Black people) who were made captives, here in the Hells of North America, have been afforded the same opportunity. We too, have been found, and declared to be an independent Nation, within a Na-

tion. Allah, Master Fard Muhammad, God in Person, has come and given us a flag featuring the Sun, Moon and Star. We refer to it as The Flag of Islam. This flag symbolizes and gives us recognition. It also severs and announces that we are exercising our right as a Nation to rule ourselves as a free and independent people. (cont' pg 3)

Independence Day

by *Sis. Evvy Islam*

In the Name of Allah, Master Fard Muhammad, to Whom Praises are forever due, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

According to the English dictionary, the definition of independence means the quality or state of being independent, or free. The Messenger of Allah teaches us that to have independence is to be free from the control or domination of others. The question that all Black People of America should have is: **What are we celebration on the day, July 4th?**

The history of the white race here in America reveals that they celebrate the 4th of July to **rejoice**

over their achievement of the domination of all others, and especially independence from their descendants of Europe. The white race of America has had the freedom to set aside for themselves — their own politics, which has had no benefit for Black People in America. The Declaration of Independence, which they wrote in 1776, was for their benefit.

The Honorable Elijah Muhammad teaches us that on July 4, 1930, Master Fard Muhammad, Allah (God) in Person, came to North America, to declare the Black Nation as an independent nation, by destroying the power of the white race over us. Allah came to America to give us freedom, justice and equality; self-independence. His coming to us also means the doom of American domination over Black

People all over the earth. Allah had been attacking America since July 4th, 1930, for her refusal to offer anything favorable for the poor Black slaves that would have made us free of her domination. They will not repent for the injustice done to all Black People in America. Today, the 4th of July means celebration for White People, and Black People.

As-Salaam-Alaikum.

The Judgment

We also learn that if the so-called American Negroes or African-Americans continue to cozy up to follow their contemporary white slave masters they will meet the same doom. The Bible speaks of the rich men weeping and eventually dying. In his condition of hell, the rich man looked up to his poor black slaves for help. This is because he saw that these poor blacks had found their way to success and prosperity — in the bosom of Abraham.

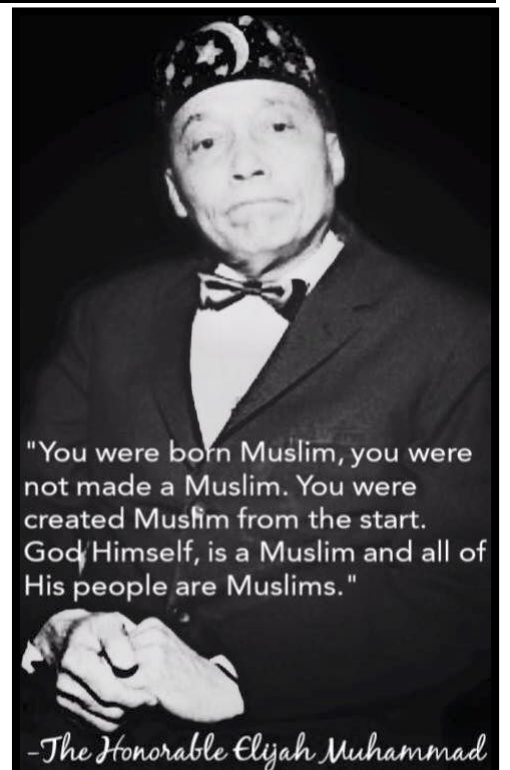

The once rich white man, in his miserable state, invited the once poor black slave back into his (the rich man's) hell, provided

the black slave bring a drop of water back with him.

Life and scripture teach us that no one wanted to help us besides Allah (God) and His Messenger (Elijah Muhammad). Why would we abandon them to return to the white devils or anyone else — for salvation? To survive this judgment, enjoy life and prosperity, we must abandon the devil and those who follow him. We must join on to our own and be ourselves.

As-Salaam-Alaikum.

Poison Foods

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

To qualify as a food, a substance must be in the form of a solid or a liquid with the purpose of helping the process of ingestion — designed to aid longevity. At the opposite end of the spectrum, anything less qualified is a poison or poisonous. Who wants that? Doubtless, America has been blessed with plenty (good food), but She yet practices “death by way of digestion”. Divine warnings persist, but America has only stepped up Her disobedience, a practice which, to Her occupants, yet has deadly conse-

quences.

Adding to the “food fracas”, enter the “almighty” hog or the “Divinely Prohibited One”. America has chosen to ignore the hog’s deadly appeal in favor of blessing him at their “table of his contents”. Again, Messenger Muhammad scientifically brings to us Divine advice along with Divine warnings, sufficient enough to save our souls from “His Porkness”. Imagine, if you will, a pork-free country (Nation), or environment, frightening, or enlightening? Take your pick, or as the saying goes. “Pick your poison!”

Our Divine Guide teaches us that living without sickness and without fear of a short life span is now a must for the people who expect to see the Hereafter - the real “Great Expecta-

by Bro. John X

tions”. The devil knows what is coming to him and those among our people who unashamedly follow him, will, indeed, meet the same fake.

In a broader perspective, we have nothing to fear or worry about in the way of right guidance today, because we have God Himself in Person with us to lead and guide us in the way of truth and righteousness.

Therefore, Messenger Muhammad teaches us, his followers, if we live right, think right, eat right, and do right, we will not have to die to go to heaven to be like angels; we will be like them while we live.

As-Salaam-Alaikum.

Sayings of The Messenger

Regardless of the efforts of the devil to put out, the light of truth (Islam), it will continue to shine the world over and forever.

The symbols; Sun, Moon, and Star found in our flag are placed there by Allah, God in Person. They represent that which is found in our universe.

The red background represents the **Sun**. It provides light, heat and vitamins to the earth, and all that it touches, without prejudice. It symbolizes “Freedom”.

The **Moon**, which was blasted away from the Earth, lost its water some 66 trillion years ago, now longs to have its water restored. It continues to pull on the Earth, while remaining with-

in the gravitational pull of the Earth. This is liken to the Blackman longing to get back to himself, and again reuniting with his own. The Moon represents “Equality”.

The **Star** represents Justice. It is the symbol used by many law enforcement agencies to justify the laws of the land. Its five points relate to the five senses of man used to justify his thoughts and actions. Our Flag is designed in accordance with our nature. It is “*The Flag of Islam*”, meaning Peace. As-Salaam-Alaikum.
