Heaven On Earth by Bro. Hakeem Muhammad

In the Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The question can be asked, "Is it true that one can experience heaven on earth, or do we have to die physically, as we have been told according to the Christian teachings?"

We who have accepted and embraced the teach-

ings of Islam by the Honorable Elijah Muhammad, the Last Messenger of Allah, Master Fard Muhammad, Who is God in Person, no longer aspire to the concept of heaven being possible after a physical death. The question of heaven being available after a physical death has been answered with clarity. The answer is there is no heaven to be had after a physically death no matter what type of life that is or was lived before the

physical death. Now lets make somethings clear. The Honorable Elijah Muhammad teaches that heaven or hell are both conditions that are experienced while one lives. (cont' pg 2)

The Hereafter by Muhammad Muhammad

In The Name of Allah, Master Fard Muhammad, and in the name of his Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The true understanding of "The Hereafter" comes from the Honorable Elijah Muhammad.

Its meaning refers to the New World of Righteousness that is coming into being as the removal of an unlike man is being removed. As the world that has been ruled by the Man of Sin (White people) is ending, we are witnessing the fall of America and all white ruled counties. The new world is coming in because to the time given to

them has expired. This is the day of the judgement and sentencing of them to death. They will be removed root and branch and the righteous will again rule.

The Holy Qur'an teaches, those who follow and support the wicked rule shall fall with it. "Whoever of them will follow you, I will certainly fill (cont' pg 3)

Allah Forgives by Sis. Faye Muhammad

In The Name pf Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Allah (God) came to North America from the Holy City , Mecca, Arabia in search of His descendants who were captured and enslaved by White People. He found us to be far removed from our language, culture and religion, Islam. We did not know that we had a God of our own until He made Himself known in 1930, fulfilling prophecy as the “Restorer of the Kingdom of Righteousness”. He went to work raising the Honorable Elijah Muhammad as His Messenger to lead, teach and guide us to the truth of our past, present

and future, also guaranteeing us to be a Great Nation that will stand tall and endure in righteousness. But first, a separation is necessary because through as “The Devil”. A separation is necessary because through no fault of our own, we have been following the footsteps of white people and obeying them who are sinful by nature. So Allah extends forgiveness to us and all He asks is that we turn to being upright, displaying good morals, shunning evil and indecency. Allah is the cure for all of our ills and He motivated the Honorable Elijah Muhammad to uplift and inspire us to love and do for self. Our Messenger becomes the voice that we know and follow for success so that we can receive the Blessing and be given the “Reward of the Righteous” by Allah! (Our Saviour Has Arrived, pg. 85). As-Salaam-Alaikum.

Heaven on Earth

If this the is case, then why have we not given thought to that concept before Messenger Muhammad's informing us of being able to have and enjoying heaven on earth while we live? It is because we have been made deaf, dumb and blind by an open enemy. We are now being awakened to all truths. This is the day that we will be and must be restored to self. We are the rulers of our new world coming in being as the devil's world (the

white world) is going out of existence.

We, who are Muslims followers of the Last Messenger of Allah, are enjoying and experiencing heaven while we live. Our lifestyle is changing as we no longer follow the detrimental teachings of our now known open enemies teachings, lifestyle or religion (Christianity). We can now see clearly the path that leads to happiness and a contentment that is taught of in a heaven after physical

death, but is enjoyed while we live. Heaven is only a condition that enjoyed while we live. If you want to enjoy this state of life, we invite you to join us who follow the Messenger of Allah into a condition of heaven. Here we learn to rid ourselves of the ways of the devil. To be clean eternally and externally. To be loving and responsible members of our families, culture and Nation. This New Islam is the answer to our woes.

As-Salaam-Alaikum.

Be Yourself

by Bro. Kamau Islam

In Then Name of Allah, Master Fard Muhammad, and in the name of His Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

Yourself is pronoun that specifically references an **individual** being directly addressed by another person. During the age of Semites and of Semitic civilizations there was a great need to establish identities of peoples. This was because ancient civilizations were taking back seats, and making space for newly developing white or Caucasian civilizations.

Some of the Western world greats such as Plato, Socrates, and Aristotle became disciplined candidates for upcoming white world (western world) leadership. In their studies, under the great Black educators of Egypt and other Eastern lands, these leaders of white people emphasized the importance of this universal

truth: **KNOW THYSELF**. They could teach in this manner, as members of the Black Nation had taught them of themselves. Therefore, they could teach the rest of the white race of themselves.

The word “**BE**” is a verb that denotes existence. To **exist** means to **come out of what is**. The Honorable Elijah Honorable Elijah Muhammad teaches us that the Black Nation had to place the white race on a course of rulership after their father (Jacob or Yakub — a Black man) made them over 6,000 years ago on the Isle of Patmos (Rev 1:9). No true rulership of any people can occur until they have a true knowledge of themselves or their nature.

Today, Allah (God) Who came in the Person of Master Fard Muhammad, raised the Honorable Elijah Muhammad back to mental and spiritual life. He (Allah) him missioned (Messenger Elijah

Muhammad) for 40 years to raised the rest of the dead Black Nation in North America back to life. In the Muslim Program under What The Muslims Believe, point #5 he states: *We believe in the resurrection of the dead — not in physical resurrection but mental resurrection. We believe that the so-called Negroes are most in need of mental resurrections; therefore they will be resurrected first.*

In his book, Supreme Wisdom volume 1, on page 12, the Messenger also states under the chapter titled **Be Yourself**; “Allah’s greatest teaching and waring to (the so-called Negroes) is: **Be Yourself**.”

As-Salaam-Alaikum.

Sayings of The Messenger

The truth separates. Allah sends a sun, to separate darkness from the day.

The Hereafter

hell with you all.” (Holy Qur’an 7:8). The Bible, (Rev.19:20) says “They both were casted into the lake of fire”. Understand, the made man (white race) was granted six thousands years to rule and today that time has come to its end. We find that the Man of Sin still fights to hold on to his place. Even though some of us are slow to or refuse to accept and claim our rightful place in the sun, Allah’s plan will still be enacted and scripture (prophecy) will be fulfilled. Let us step up.

As long as we remain under the open enemy, our salvation will never come to pass. Our enemy will not give up the rulership granted to him. We who see him as he is, will see The Hereafter

after the removal of the guilty blue eyed ones. Our rise signals their downfall and end. As fire cleanses and purifies, so shall the removal of them be. We will have a world and government of righteousness with the white race removed root and branch.

The destruction of everything and every people of color on the planet bears witness to the nature of this dammed race of people. They are in opposition to the original people of the earth and to Allah, Himself. They have sort to control and hold fast to their place, but Allah condemned them before they were made. Our great awakening is in accord with their ending. We Muslims, greet the coming of The Hereafter with joy.

As-Salaam-Alaikum.
