The Dreaded Times of America by Bro. John X

In The Name of Allah, Master Fard Muhammad, and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Honorable Elijah Muhammad teaches us that this "time" and its expiration are referred to as "The Great Day". The scriptures add to that the word "dreadful". In any case this time represents the passing away of

one world (America) and the coming in of another world (Islam). This is the time of the destruction of a world. It is not to be compared with the destruction of an organization or a few towns as in the days of Noah. Today's destruction is the destruction of an entire world (Nation, country, civilization). Take your pick! Here in America, everybody thinks that America is immune. America is in the throes of Divine attacks-and

The Honorable Elijah Muhammad Messenger Of Allah

America knows it.

The Messenger uses the word "terrible" because it is not a thing (time) that can be described as something mild, so or something that is moving slowly, nor (cont' on page 2)

The House Doomed To Fall by Bro.Hakeeme Muhammad

In The Name of Allah, Master Fard Muhammad and in the name of His Last Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The foretold fall of America is now. We are warned to come out of her and be not partakes

of her plagues. This reference from scripture is in fact related to the fall of a house (world-way of life) that is doomed to fall. All too often those who bring forth scriptural teaching fail to teach the understanding of prophesy as it relates to the time in which the fulfillment of it is evident. They are taught to have their listen-

ers and followers to accept their teachings in such a way that it is either events past or yet to come. Their teaching of thou shall do or not do, love everybody, etc. is just a cover up of the tricks the real intent of those who control the masses. Their practice of do unto others as you would have them do unto you (cont' page 3)

The Will of Allah Is Being Done by *Bro. Hakeem Muhammad*

In The Name of Allah, Master Fard Muhammad and in the name of His Last and Greatest Messenger the Honorable Elijah Muhammad. As-Salaam-Alaikum.

If one is familiar with Bible prophesy regarding what is referred to as "the end times", then one must also recognize the events of this day which bear witness that the Will of Allah is being done.

Messenger Muhammad has made clear that we are living in the time of the changing of worlds. The world of the made-man (Yakub's grafted devil) is now going out. The world of the righteous is coming in, so be it. Scripture states that all things will be made new by Allah in Person (Bible Rev. 21:5).

Messenger Muhammad teaches us that it is Allah will to set up His new Kingdom of Islam without interference. He has made it known that the white race will not go out without a fight, but for the weapons of Allah there is no defense. He brings about an end to the opposition and attacks against the righteous and their religion, Islam. He teaches that our open enemy, the race of white people, have worked hard for 6,000 years to try to destroy the religion of Allah, but it is still here and is ever growing amongst His chosen people, the so-called Negro. We have been taught to pray what is called "The Lord's Prayer" which states "Let Thy Will Be Done" and this is what we want. However you are not always ready to receive His Will. We are too busy doing

our will, which is often times not Allah's Will for us. We must get in tune with the will of Allah. In doing so we can and will benefit from that which He has in store for us. Messenger teaches us that our submission to the Will of Allah is the key to our success. We can no longer follow the ways and programs of white people with expectations of a good life. Their lifestyle is a death-style for us. We are living in the time of transition. Our wills must be in accordance with the will of Allah and His Messenger's. The book (Bible) warns us to come out of her (America and the whiteman's world) for their day is past. None has the power to resist the Will of Allah, nor can His Will be overcome. The Will of Allah must be done. As-Salaam-Alaikum.

The Dreaded Times of America

something that can be recognized so easily by common people. It is clear to all who can see that America has reached the stage about which she always has been warned. Let no one deceived you. The dreadful plagues and confusion of America are at a boiling point. The fuel causing it to boil will not cease until it is boiled down to the last of the dregs.

Think over a God coming to destroy this present world (America), root and branch-so thoroughly that very soon there won't be even the slightest trace that it (America)

ever was. That's the real gospel (good news)! America's doom is foretold and she is being repaid with rain, snow, hail, earthquakes, and tornadoes. The Holy Qur'an teaches, "Allah brings her wicked to a naught little by degrees from whence they (wicked) can not be prevented. (Holy Qur'an 26:178-190).

Most all of the judgments and troubles which are pointed out in the Bible are pointed at America. Study them for yourself. As-Salaam-Alaikum.

The Worst Is Yet To Come

In The Name of Allah, Master Fard Muhammad, and His Last Messenger, the Honorable Muhammad.

The Most Honorable Elijah Muhammad teaches us in such a manner that we can truly say America is an idea whose time has come and gone. On page 225 in his book titled, **The Fall of America**, under the subject, "The worst Is Yet To Come", the Messenger cites some of the wretched conditions our people face under the guidance of the white civilization.

Allah God, Who came in the Person of Master Fard Muhammad, has taught Messenger Elijah Muhammad thoroughly on the science of the time and what must be done. The Honor-

able Elijah Muhammad has, in turn, passed on these many vital aspects of civilization to us-the Lost-Found members of the Tribe of Shabazz who desire to return to original civilization.

Since the civilization of Adam and Eve (the white race) has placed us in this wretched condition, we, the Black people in North America, fit the description of Lazarus in the Bible. The Bible even asks the question: "How long will you be between two opinions?" Messenger Elijah Muhammad states that even in this day and time the modern day freed Black slaves are waiting for the crumbs to fall from the white man's table. This in spite of the fact that the white civilization is broke, busted and

highly disgusted. The resurrection, the separation and the judgment are in fast forward motion, yet most of the so-called Negro or African-American Civil Right's leadership in America seem to be in total denial of these basic TRUTHS. They still seem to have hope and faith in the devil (the white civilization) who promises things that are never intended to be fulfilled.

Yes, the worst is yet to come for those who continue to follow the 400-year-plus open enemy of the Blackman and woman in America; however, the best is yet to come for those who submit to Allah God, Who came in the Person of Master Fard Muhammad and follow His Last and Greatest Messenger, the Honorable Elijah Muhammad. As-Salaam-Alaikum.

The Sayings of The Messenger

*"I am the well in the Bible that never runs dry.
This is him sitting before you, if you don't believe me start drinking."*

The House Doomed To Fall

cont' from pg 1

and other such sayings do not really matter except when it is to their advantage. What dose this means? The Honorable Elijah make it clear that America is first on Allah's list for destruction. It is as Bible states, a haven fro every filthy and hateful bird and every foul and unclean spirit. It also has been the worst nation on the planet regarding the treatment of the chosen people (the black man) of Allah.

We who are followers of Allah and His Messenger are well aware of the time in we now live. Additionally we know that we can no longer believe in or rely on our now-known enemies (white people) to provide us

with freedom, justice or equality. These things are not in their nature to do as they were made enemies to us at the outset of their making by one of our black scientist. With all the truth the Messenger has given us for our salvation, too many still ignore and make mock. Our world (the New Islam) is coming in and we must be ready. For those who chose to continue to follow and believe in the world of the white man, then it has been said by Allah that He will, not would, fill Hell with you all. The Hell Fire is kindling, join on to your own and be saved.

As-Salaam-Alaikum.
